Advantage Management Group 401(k) Savings Plan

Notes to Financial Statements

December 31, 2015

1. Description of Plan

The following description of the Advantage Management Group 401(k) Savings Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a contributory, defined contribution plan with a 401(k) elective deferral arrangement, which covers substantially all full-time employees of Advantage Management Group and participating affiliates (Company) meeting the eligibility requirements discussed below. Participating affiliates, through common ownership, are RHEMA-Battle Creek Operating, LLC, RHEMA-Southgate Operating, LLC, RHEMA-WLC Operating, LLC, RHEMA-WTLC Operating, LLC, and RHEMA-Northwest Operating, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees who have provided three months of service, are age 18 or older, and are not a member of a collective bargaining unit are eligible to participate in the 401(k) deferral arrangement of the Plan. Employees receive credit for one month of service for each month in which they complete an hour for which they are paid or are entitled to payment. Eligible participants may enter the Plan on the first day of the month following the completion of eligibility requirements.

Contributions

The Plan allows participants to defer a minimum of 1% up to a maximum of 90% of their compensation, not to exceed the maximum contribution allowable by the Internal Revenue Code (IRC) adjusted annually for cost of living changes. Rollover contributions are allowed by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make additional annual catch-up contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of earnings, expenses, and gains and losses attributable thereto. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Advantage Management Group 401(k) Savings Plan

Notes to Financial Statements

December 31, 2015

1. Description of Plan (continued)

Vesting

Participants are immediately vested in their voluntary contributions and rollover contribution portion plus actual earnings thereon.

Notes Receivable from Participants

Loans are permitted to all participants with a vested account balance. All participants who seek loans are deemed creditworthy, except for those who have loans already in default. Loan fees and interest shall be paid by the participant. Loans must be fully repaid within five years unless the loan is used for the purchase of a primary residence, requiring repayment within a period of no more than 30 years. Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account. The interest rate is based on the prime rate as published in the Wall Street Journal plus two percentage points. Principal and interest is paid ratably through payroll deductions. Notes receivable from participants are valued at their unpaid balance plus accrued but unpaid interest.

Payment of Benefits

Participants become eligible to receive distributions upon retirement or termination. Participants, age 59½ or older, may also, within a plan year, make an election to receive a lump-sum distribution of their total vested account balance while still employed by the Company. Participants whose account balance is \$5,000 or greater, may elect to receive installment payments or defer receiving payments until age 70½.

The Plan also provides for early withdrawal of savings in the event of a financial hardship of a participant. A hardship is considered to be payments necessary to prevent an eviction from or mortgage foreclosure on the participant's principal residence, extraordinary medical expenses not covered by insurance for one or more members of the participant's immediate family, post-secondary tuition for one or more members of the participant's immediate family, or the purchase of a principal place of residence. A hardship exists only when funds are not reasonably available from the participant's other sources, and the amount withdrawn must not exceed the amount needed in the situation.

Administrative Expenses

As discussed in Note 8, certain administrative expenses were paid for by the Company. Additionally, certain administrative expenses were paid by the Plan and are reflected in the accompanying financial statements.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Subsequent Events

Subsequent events have been evaluated through October 14, 2016, which is the date the financial statements were available to be issued.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Based on the observability of the inputs used in the valuation techniques, the Plan is required to provide information according to the fair value hierarchy. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

Level 1 – Valuations for assets and liabilities traded in active exchange markets, such as the New York Stock Exchange. Level 1 also includes U.S. Treasury and federal agency securities and federal agency mortgage-backed securities, which are traded by dealers or brokers in active markets. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.

Level 2 – Valuations for assets and liabilities traded in less active dealer or broker markets. Valuations are obtained from third party pricing services for identical or similar assets or liabilities.

Level 3 – Valuations for assets and liabilities that are derived from other valuation methodologies, including option pricing models, discounted cash flow models, and similar techniques, and not based on market exchange, dealer, or broker traded transactions. Level 3 valuations incorporate certain assumptions and projections in determining the fair value assigned to such assets or liabilities.

2. Significant Accounting Policies (continued)

Fair Value Measurements (continued)

In determining the appropriate levels, the Plan performs a detailed analysis of the assets and liabilities. At each reporting period, all assets and liabilities for which the fair value measurement is based on significant unobservable inputs are classified as Level 3.

For the years ended December 31, 2015 and 2014, the application of valuation techniques applied to similar assets and liabilities has been consistent.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair market value. Shares of mutual funds are valued at quoted market prices in an active market, which represent the value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

The change in aggregate fair value and the cost of investments purchased, sold, and held is reflected in the statements of changes in net assets available for benefits as net realized and unrealized appreciation (depreciation) in fair value of investments.

3. Financial Data Certified by the Trustee (Unaudited)

The following is a summary of the unaudited information included in the Plan's financial statements and the other supplementary information that was prepared by Reliance Trust Company, the trustee of the Plan, as of and for the years ended December 31, 2015 and 2014, and furnished to the Plan administrator. The Plan administrator has obtained a certification from the trustee that such information is complete and accurate.

Investments at fair value:	2015	2014
Mutual funds	\$ 1,121,367	\$ 1,068,763
Net realized and unrealized appreciation (depreciation) in fair value of investments – mutual funds	(88,575)	(40,459)
Interest and dividend income	78,113	73,718
Notes receivable from participants	26,474	18,933

The information included in the Schedule of Assets (Held at End of Year) on page 11 was also prepared from the statements certified by the trustee.

4. Investments (Unaudited)

The following presents investments as of December 31, 2015 and 2014 that represent 5% or more of net assets available for benefits.

5. Fair Value Measurements

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31:

	Level 1	Level 2	Level 3	Total
2015				
Mutual funds	\$ 1,121,367	\$ -	\$ -	\$ 1,121,367
Total assets at fair value	\$ 1,121,367	\$ -	\$ -	\$ 1,121,367

	Level 1	Level 2	Level 3	Total
2014

Total assets at fair value	\$ 1,068,763	\$ -	\$ -	\$ 1,068,763

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, participants would become 100% vested in their accounts, and the net assets would be distributed to the participants according to the balances in the participants' accounts.

7. Income Tax Status

The IRS has determined and informed the Company by a letter dated July 8, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the plan administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Generally, tax years 2012 through the current year remain open to examination. The Plan does not believe that the results from any examination of these open years would have a material adverse effect on the Plan.

8. Related Party and Party-in-Interest Transactions

Significant related party transactions include the Plan sponsor providing accounting and administrative services to the Plan for which no fees are charged to the Plan.

Certain investments consist of shares of mutual funds managed by Reliance Trust Company. Reliance Trust Company is the trustee of the Plan; and therefore, these transactions qualify as exempt party-in-interest transactions. Party-in-interest transactions also include notes receivable from participants and the significant related party transactions described in the previous paragraph. Plan management monitors and evaluates party-in-interest transactions, and it is their belief that no reportable, prohibited, or non-exempt party-in-interest transactions occurred during 2015 and 2014.

9. Risk and Uncertainties

The Plan's investments substantially consist of mutual funds composed of stocks and bonds. These investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near-term and long-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
