Professional standards require that we provide you with the following information related to our audit.

**Our Responsibility Under U.S. Generally Accepted Auditing Standards**

As stated in our engagement letter dated May 5, 2016, we conducted our audit in accordance with professional standards except that, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA and as instructed by you, we did not perform any auditing procedures with respect to certified information except for comparing such information to the related information included in the financial statements. Because of the significance of the information that we did not audit, we did not express an opinion on the financial statements taken as a whole. The form and content of the information included in the financial statements, other than that derived from the certified information, were audited by us in accordance with auditing standards generally accepted in the United States of America and were subjected to tests of your accounting records and other procedures as we considered necessary to enable us to express an opinion as to whether they are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Our audit of the financial statements does not relieve you or management of your responsibilities. As part of our audit, we considered the applicable internal control of Cerro Flow Products, LLC (St. Louis Works) Hourly Employees' (USW) Retirement Plan. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures specifically to identify such matters.

**Planned Scope and Timing of the Audit**

We performed the audit according to the planned scope and timing previously communicated to you in our meeting about planning matters on July 20, 2016.

## **Significant Audit Findings**

### ***Qualitative Aspects of Accounting Practices***

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by Cerro Flow Products, LLC (St. Louis Works) Hourly Employees' (USW) Retirement Plan are described in Note 2 to the financial statements.

As described in Note 2, the Plan adopted the provisions of Accounting Standards Update (ASU) Nos. 2015-12 and 2015-07. The standards modified the presentation of certain investments and modified investment disclosures and had no impact on the net assets or changes in net assets of the Plan. Accordingly, the accounting change has been retrospectively applied.

We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus.

There are no significant transactions that have been recognized in the financial statements in a different period than when the transaction occurred.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was the Plan's valuation of investments.

Management has informed us that in determining the appropriateness of the estimate of investment values, they have recorded the fair values based on market values provided by the investment custodians, plus any applicable valuation adjustments. We performed no specific procedures related to the valuation of the investments due to the limited scope nature of the engagement.

The disclosures in the financial statements are neutral, consistent, and clear.

### ***Difficulties Encountered in Performing the Audit***

We encountered no significant difficulties in dealing with management in performing and completing our audit.

### ***Disagreements with Management***

For the purpose of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Hourly Employees' (USW) Retirement Plan

October 11, 2016

### ***Corrected and Uncorrected Misstatements***

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. We did not detect any misstatements as a result of audit procedures.

### ***Significant Findings or Issues***

We generally discuss a variety of matters, including the application of accounting principles and auditing standards and plans and strategies that may affect the risks of material misstatement with management each year prior to our retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition of our retention.

### ***Management Representations***

We have requested certain representations from management that are included in the management representation letter dated October 11, 2016.

### ***Management Consultations with Other Independent Accountants***

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

### **Other Information in Documents Containing Audited Financial Statements**

Our responsibility for other information in documents containing the Plan's financial statements and report does not extend beyond the financial statements. We do not have an obligation to determine whether or not such other information is properly stated. However, we read the Plan's 5500 filing and nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information or manner of its presentation appearing in the financial statements.

This information is intended solely for the use of the Marmon Retirement Administrative Committee and management of Cerro Flow Products, LLC (St. Louis Works) Hourly Employees' (USW) Retirement Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

### Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Prudential Retirement Insurance and Annuity Company and Prudential Bank & Trust, F.S.B. We have been informed by the plan administrator that the Custodians hold the Plan's investment assets and participant notes receivable and execute related transactions. The plan administrator has obtained certifications from the Custodians as of February 29, 2016, December 31, 2015, and December 31, 2014 and for the period from January 1, 2016 to February 29, 2016 and the year ended December 31, 2015 that the information provided to the plan administrator by the Custodians is complete and accurate.

***Other Matter***

The supplemental schedule of assets held at end of year as of December 31, 2015 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. ## **Notes to Financial Statements February 29, 2016, December 31, 2015, and December 31, 2014**

### **Note 1 - Plan Description**

The following description of Cerro Flow Products, LLC (St. Louis Works) Hourly Employees' (USW) Retirement Plan (the "Plan") provides only general information. Participants should refer to the plan agreement and related union agreements, if applicable, for a more complete description of the Plan's provisions.

**General** - The Plan is a defined contribution plan covering all hourly employees of Cerro Flow Products, LLC (the "Company") who are members covered by the collective bargaining agreement with the United Steelworkers of America (AFL-CIO). Each employee shall become an active participant on the date of his or her employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

**Contributions** - Contributions by participants are voluntary. Each participant may contribute from his or her eligible compensation for pretax contributions an amount in increments of \$0.02 per participant share not to exceed \$0.60 per participant share. A participant share is defined as being equivalent to one hour of work performed by an employee (e.g., eight shares accumulated for an eight-hour work day, 40 shares for a 40-hour work week, etc.). The maximum number of hours for which contributions can be made by participants is 2,080 hours. Participants may also make unmatched pretax and after-tax contributions in increments of whole cents per participant share, not to exceed \$9.99 per participant share, for each pre-tax and after-tax contribution. Participants age 50 and over may also make catch-up contributions. All employee contributions are subject to applicable Internal Revenue Code (IRC) limits.

The Plan also provides for required employer retirement and matching contributions pursuant to the terms of the collective bargaining agreement. The retirement contributions shall be the sum of \$1.03 per hour worked for the period from January 1, 2015 to November 7, 2015 and \$1.10 per hour worked for the period from November 8, 2015 to February 29, 2016, not to exceed 2,080 hours. The matching contributions are 50 percent of the aggregate active participants' 401(k) contributions up to a limit of \$0.30 per hour worked, not to exceed 2,080 hours.

**Participant Accounts** - Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and plan earnings and losses and charged with an allocation of administrative expenses and certain transaction fees. Allocations are based on participants' contributions, hours worked, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan. Plan earnings and losses from investments are credited to individual account balances on a daily basis.

## **Notes to Financial Statements February 29, 2016, December 31, 2015, and December 31, 2014**

### **Note 1 - Plan Description (Continued)**

**Payment of Benefits** - Distributions are payable upon retirement, death, disability, or termination of employment in the form of a lump-sum amount equal to the vested balance of a participant's account. The Plan also allows in-service withdrawals for participants over age 59½.

**Hardship and Nonhardship Withdrawals** - The Plan also offers hardship and nonhardship withdrawals. Each withdrawal type has specific requirements for eligibility, as defined by the plan document.

**Participant Notes Receivable** - In the event of severe financial hardship, participants may borrow a minimum of \$1,000 reduced by the highest outstanding balance of notes receivable during the one-year period prior to the date the note receivable is made (but not in excess of 50 percent of the participant's current account balance or \$50,000, whichever is less). Participant notes receivable are secured by the balance in the participant's account and bear an interest rate determined in accordance with the plan document. Only one outstanding note receivable is permitted at a time.

**Vesting** - Participants are immediately 100 percent vested in their voluntary contributions, rollover contributions, the Company's contributions, and any income or loss thereon.

**Party-in-interest Transactions** - Certain plan assets are in investment funds managed by Prudential Retirement Insurance and Annuity Company and Prudential Bank & Trust, F.S.B. or their affiliates. Prudential Retirement Insurance and Annuity Company and Prudential Bank & Trust, F.S.B. are the custodians of the Plan; therefore, these transactions qualify as party-in-interest transactions as defined under ERISA guidelines.

## **Notes to Financial Statements February 29, 2016, December 31, 2015, and December 31, 2014**

### **Note 2 - Summary of Significant Accounting Policies**

**Investment Valuation** - The Plan's investments are stated at fair value, except as noted below. The pooled separate accounts are valued at net asset value (NAV) per share (or its equivalent) of the funds, which is based on the fair value of the funds' underlying net assets. The unallocated insurance contract is a group annuity contract with Prudential Retirement Insurance and Annuity Company (PRIAC) that invests in the general assets of PRIAC. PRIAC considers this contract to be benefit responsive and is valued at contract value. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. All other investments are valued based on quoted market prices. There were no unfunded commitments or redemption restrictions on the investments as of December 31, 2015 and 2014.

See Note 5 for additional information.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Participant Notes Receivable** - Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

**Benefit Payments** - Benefits are recorded when paid.

**Administrative Expenses** - Various administrative costs are paid by the Company with the exception of certain transaction fees that are paid by the participant at the time of the particular transaction.

**Use of Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

**Risks and Uncertainties** - The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

### **Note 2 - Summary of Significant Accounting Policies (Continued)**

**Subsequent Events** - The financial statements and related disclosures include evaluation of events up through and including October 11, 2016, which is the date the financial statements were available to be issued.

**New Accounting Pronouncements** - During 2016, the Plan adopted Accounting Standards Update (ASU) Nos. 2015-07, *Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent)*, and 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965) - I. Fully Benefit-Responsive Investment Contracts, II. Plan Investment Disclosures, and III. Measurement Date Practical Expedient*. ASU No. 2015-07 amended ASC 820, *Fair Value Measurements*, and removed the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share as a practical expedient. Parts I and II of ASU No. 2015-12 were applicable to the Plan. Part I requires the fully benefit-responsive investment contract be recorded at contract value without presentation of fair value or the difference between fair value and contract value and reduces the related disclosures. Part II modified the investment disclosures under ASC 820 and ASC 962. These standards were adopted retrospectively and had no impact on the Plan's net assets or changes in net assets.

### **Note 3 - Unaudited Information**

Prudential Retirement Insurance and Annuity Company and Prudential Bank & Trust, F.S.B (collectively, the "Custodians") hold the Plan's investments and participant notes receivable and execute all related transactions. The investment and participant notes receivable balances and related income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information provided by the Custodians.

### **Note 4 - Unallocated Insurance Contract**

The Plan has a benefit-responsive unallocated insurance contract with PRIAC. PRIAC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

## **Notes to Financial Statements February 29, 2016, December 31, 2015, and December 31, 2014**

### **Note 4 - Unallocated Insurance Contract (Continued)**

Interest is credited on contract balances using a single portfolio rate approach. Under this methodology, a single interest rate is applied to all contributions made to the product regardless of the timing of those contributions. Interest crediting rates are reviewed on a semiannual basis for resetting. When establishing interest credit rates for this product, PRIAC considers many factors, including current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer's general account. These rates are established without the use of a specific formula. The minimum crediting rate under the contract is 1.5 percent. Payment obligations and the fulfillment of any guarantees specified in the group annuity contract are insurance claims supported by the full faith and credit of PRIAC.

Generally, there are no events that could limit the ability of the Plan to transact at contract value paid within 90 days or, in rare circumstances, contract value paid over time. There are no events that allow the issuer to terminate the contract and which require the plan sponsor to settle an amount different than contract value paid either within 90 days or over time.

### **Note 5 - Fair Value Measurements**

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the inputs and valuation techniques used to measure fair value.

The following tables present information about the Plan's assets measured at fair value on a recurring basis at December 31, 2015 and 2014. The Plan did not have any investments as of February 29, 2016.

**Level 1** - Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

**Level 2** - Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

**Level 3** - Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset.

### Note 5 - Fair Value Measurements (Continued)

In instances whereby inputs used to measure fair value fall into different levels in the above fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

The Plan's policy is to recognize transfers between levels of the fair value hierarchy as of the actual date of the event of change in circumstances that caused the transfer.

### Note 6 - Tax Status

The Plan has received a determination letter dated May 22, 2014 from the Internal Revenue Service indicating that the Plan, as designed, is qualified for tax-exempt treatment under the applicable section of the Internal Revenue Code. Accordingly, no provision for income taxes has been made in the accompanying financial statements.

### Note 7 - Plan Merger

On February 29, 2016, the Plan merged and combined with the Marmon Consolidated Retirement Plan. Accordingly, all assets, participants, and their related account balances were transferred to the Marmon Consolidated Retirement Plan.
