Report on the Financial Statements

We were engaged to audit the accompanying financial statements of **RHC Operations, Inc. 401(k) Retirement Plan (the Plan)**, which comprise the statement of net assets available for benefits as of December 31, 2015, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by John Hancock Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan Administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the custodian as of and for the year ended December 31, 2015, that the information provided to the Plan Administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2015 financial statements. Accordingly, we do not express an opinion on the 2015 financial statements referred to in the first paragraph.

Emphasis of Matter – Change in Accounting Principle

As discussed in Note 2 (e) to the financial statements, management has elected to adopt the Financial Accounting Standards Board Accounting Standards Updates No. 2015-07 and No. 2015-12, Part II in 2015. Our opinion is not modified with respect to that matter.

Other Matter – Supplemental Schedules

The supplemental schedule of delinquent participant contributions and schedule of assets (held at end of year) are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Other Matter – 2014 Financial Statements

The financial statements of the Plan as of December 31, 2014, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by John Hancock Life Insurance Company. Their report, dated October 12, 2015, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion of the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations 2015

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

December 31, 2015 and 2014

NOTE 1: DESCRIPTION OF PLAN

The following description of the RHC Operations, Inc. 401(k) Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan, which was established January 1, 1996 and restated January 1, 2015, is a defined contribution plan maintained for the benefit of eligible employees, as defined in the Plan, of RHC Operations, Inc. (the Employer, Plan Sponsor and Plan Administrator) and certain other affiliated companies. Collectively, RHC Operations, Inc. and its affiliated companies are hereinafter referred to as "the Employers." Generally, an employee is eligible to participate in the Plan at the next entry date upon attaining age eighteen and completing one year's service. Entry dates are January 1 and July 1.

The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

The Plan Administrator utilizes the services of John Hancock Life Insurance Company to process investment transactions and maintain participant account balances. Fees paid by the Plan for recordkeeping services totaled approximately \$17,000 for the year ended December 31, 2015. Also, the Plan Administrator has entered into an agreement with Pension Plan Administration, LLC to assist them with compliance monitoring, regulatory filing, participant recordkeeping and plan reporting.

The Plan is administered by the Plan Sponsor's owners. They have overall responsibility for the operations and administration of the Plan. The owners determine the appropriateness of the Plan's investment offerings and monitor investment performance.

Certain duties related to the administration of the Plan are performed by employees of the Plan Sponsor; however, the Plan Sponsor does not charge the Plan for the estimated cost of such services. Other expenses paid by the Plan Sponsor on behalf of the Plan totaled approximately \$34,000 for the year ended December 31, 2015.

(b) Contributions

Participants may contribute any amount of annual compensation, as specified in the Plan, not to exceed limitations imposed by the Internal Revenue Service (IRS). Participants may also make rollovers into the Plan, consisting of amounts distributed from other qualified defined benefit or defined contribution plans. In addition, the Employers may make a discretionary matching contribution equal to a uniform percentage or dollar amount of Employee elective deferrals. Employer contributions are also subject to limitations imposed by the IRS.

(c) Participant Accounts

Each participant's account is credited with the participant's contributions, Employer matching contributions as well as allocations of Plan earnings, net of certain administrative expenses. Allocations are generally based on participant account balances, as specified in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

RHC Operations, Inc. 401(k) Retirement Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2015 and 2014

NOTE 1: DESCRIPTION OF PLAN (Continued)

(d) Vesting

Participants are fully vested at all times in their own contributions and earnings thereon. A participant is fully vested in contributions made by the Employer, plus earnings thereon, when the participant attains retirement age, becomes disabled or dies. If a participant terminates employment for any other reason, he or she will vest in contributions made by the Employer, plus earnings thereon, according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

(e) Investment Options

Participants may direct the investment of their contributions in one or more investment options offered under the Plan's group annuity contract with John Hancock, including a variety of pooled separate accounts structured for different levels of risk tolerance and time horizons and a guaranteed interest account. Participants may change their investment options at any time.

(f) Forfeitures

The nonvested portion of a participant's account to which the participant is not entitled upon termination is deemed a forfeiture. As allowed under the Plan agreement, forfeitures are used to reduce future Employer contributions. There were no forfeitures available for future allocation at December 31, 2015 and 2014.

(g) Hardship Withdrawals

In case of immediate and heavy financial hardship, a participant may withdraw all or a portion of the value of his or her account. A withdrawal shall be deemed for purposes of an immediate and heavy financial hardship if the withdrawal is necessary for certain eligible expenses, such as medical care, cost related to the purchase of a principal residence for the participant, payment of tuition and related education fees for the next twelve months of post-secondary education, payments necessary to prevent eviction of the participant from his or her principal residence or to avoid foreclosure on said residence, payments for funeral or burial expenses or expenses to repair damage to the participant's principal residence.

If a hardship withdrawal is made, the participant's salary deferral is suspended for six months after the receipt of the hardship withdrawal.

RHC Operations, Inc. 401(k) Retirement Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2015 and 2014

NOTE 1: DESCRIPTION OF PLAN (Continued)

(h) Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant (or his or her designated beneficiary) may elect to receive the participant's vested account balance in a lump-sum distribution or as a direct rollover to another plan. For terminations of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In-service distributions after a participant's attainment of age 59-1/2 are permitted as specified in the Plan agreement.

(i) Termination of the Plan

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

(b) Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly fashion between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Net appreciation or depreciation includes realized and unrealized gains and losses on investments bought and sold, as well as those held during the year.

(c) Payment of Benefits

Benefits are recorded when paid. There are no amounts allocated to withdrawing participants that have not been paid at December 31, 2015 and 2014.

(d) Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

(e) Recently Adopted Accounting Standards

In May 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2015-07, Fair Value Measurement (Topic 820) – Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or Its Equivalent) which includes changes to disclosures for certain entities that calculate net asset value per share (or its equivalent). Prior to this issuance, FASB Topic 820 permitted a reporting entity, as a practical expedient, to measure the fair value of certain investments using the net asset value per share of the investment and required the reporting entity to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. However, under the amendments in ASU No. 2015-07, investments for which fair value is measured at net asset value per share (or its equivalent) using the practical expedient should not be categorized in the fair value hierarchy. Removing those investments from the fair value hierarchy not only eliminates the diversity in practice resulting from the way in which investments measured at net asset value per share (or its equivalent) with future redemption dates are classified, but also ensures that all investments categorized in the fair value hierarchy are classified using a consistent approach. Investments that calculate net asset value per share (or its equivalent), but for which the practical expedient is not applied will continue to be included in the fair value hierarchy.

In July 2015, FASB issued ASU No. 2015-12 (Part II), Plan Accounting: Defined Benefit Pension Plans (Topic 960) Defined Contribution Pension Plans (Topic 962) Health and Welfare Benefit Plans (Topic 965): Plan Investment Disclosures, which simplified investment disclosure in benefit plans. Part II of ASU No. 2015-12 states that plans will no longer be required to disclose individual investments that represent 5% or more of the net assets available for benefits. Plans will also no longer be required to disclose the net appreciation or depreciation in the fair value of investments for the period by general type. However, disclosure will still be required of aggregate appreciation or depreciation in investments. Under Part II, plans will no longer have to group and disclose classes of assets based on the nature, characteristics and risks under the requirements of FASB Accounting Standards Codification (ASC) 820, Fair Value Measurement. Rather, plans will only have to group and disclose classes of assets based on general type as required by FASB ASC Topics 960, 962 and 965.

These requirements are effective for fiscal years beginning after December 15, 2015. Management has elected to adopt ASU No. 2015-07 and ASU No. 2015-12 Part II during the year ended December 31, 2015.

NOTE 4: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

Level 2 Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2015 and 2014:

Guaranteed Interest Accounts

The guaranteed interest accounts cannot be sold to a third-party; thus, the only option to exit the guaranteed interest accounts is to withdraw the funds prior to maturity. Therefore, the fair value of the guaranteed interest accounts is determined using a market approach and is the amount Plan participants would receive currently if they were to withdraw or transfer funds within the Plan prior to their maturity for an event other than death, disability, termination or retirement.

Pooled Separate Accounts

The fair values of the pooled separate accounts are based on the net asset value per unit of each pooled separate account in which the Plan invests multiplied by the number of units held by the Plan at the financial reporting date. The net asset value is determined based on the market values of the underlying assets comprising the pooled separate accounts. Underlying investments in mutual funds or equity securities are measured using quoted market prices in active market for identical assets. Underlying investments in fixed income securities are measured based on the pricing data provided by outside valuation service providers who generally use the mean of bid and ask prices, but may also use alternative observable pricing inputs for certain securities. The fair value of all of these investments are used in determining the NAV of the pooled separate accounts, which are not publicly quoted.

This is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2015 and 2014. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

^(a) In accordance with ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2015 and 2014, respectively. NOTE 5: TAX STATUS

Effective January 1, 2015, the Plan executed an adoption agreement for the Hyden, Miron & Foster, PLLC Defined Contribution Prototype Plan (the Prototype). As an adopter of the Prototype, the Plan is not subject to tax under present income tax law.

The Prototype obtained its latest opinion letter on March 31, 2014, in which the IRS stated that the Prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since the date of the opinion letter; however the Plan Administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code.

Accounting standards require the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2015 and 2014, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability or disclosure in the financial statements. The Plan may be subject to audit by the IRS; however there are currently no audits for any tax periods in progress.

NOTE 6: RISKS AND UNCERTAINTIES

Investment securities underlying the pooled separate accounts are exposed to various risks such as interest rate, market and credit risks. In addition, some of the pooled separate accounts may invest in international securities. There are certain inherent risks involved when investing in international securities that are not present with investments in domestic securities, such as foreign currency exchange rate fluctuations, adverse political and economic developments, natural disasters and the possible prevention or delay of currency exchange due to foreign governmental laws or restrictions. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the net asset values of the pooled separate accounts could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Plan's financial statements.

NOTE 7: SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 17, 2016, the date that the financial statements were available to be issued.
