Plan Administrator
Compass Community Health 401(k) Profit Sharing Plan & Trust
Portsmouth, Ohio

As part of our limited scope audit of the financial statements of the Compass Community Health 401(k) Profit Sharing Plan & Trust as of and for the year ended December 31, 2015, we wish to communicate the following to you.

AUDIT SCOPE AND RESULTS

Auditor's Responsibility Under Auditing Standards Generally Accepted in the United States of America

An audit performed in accordance with auditing standards generally accepted in the United States of America is designed to obtain reasonable, rather than absolute, assurance about the financial statements. In performing auditing procedures, we establish scopes of audit tests in relation to the financial statements taken as a whole. Our engagement does not include a detailed audit of every transaction. Our engagement letter more specifically describes our responsibilities.

These standards require communication of significant matters related to the financial statement audit that are relevant to the responsibilities of those charged with governance in overseeing the financial reporting process. Such matters are communicated in the remainder of this letter or have previously been communicated during other phases of the audit. The standards do not require the auditor to design procedures for the purpose of identifying other matters to be communicated with those charged with governance.

An audit of the financial statements does not relieve management or those charged with governance of their responsibilities. Our engagement letter more specifically describes your responsibilities.

Qualitative Aspects of Significant Accounting Policies and Practices

Significant Accounting Policies

The Plan's significant accounting policies are described in Note 2 of the audited financial statements.

Alternative Accounting Treatments

No matters are reportable.

Management Judgments and Accounting Estimates

No matters are reportable

Financial Statement Disclosures

The following areas involve particularly sensitive financial statement disclosures for which we are prepared to discuss the issues involved and related judgments made in formulating those disclosures:

- Party-in-interest transactions
- Valuation of investments
- Adoption of Accounting Standards Update 2015-12

Audit Adjustments

During the course of any audit, an auditor may propose adjustments to financial statement amounts. Management evaluates our proposals and records those adjustments which, in its judgment, are required to prevent the financial statements from being materially misstated. The adjustment proposed was not recorded because its effect is not currently material; however, it involves an area in which adjustments in the future could be material.

Proposed Audit Adjustment Not Recorded

Attached is a summary of an uncorrected misstatement we aggregated during the current engagement and pertaining to the latest period presented that was determined by management to be immaterial to the financial statements as a whole.

Auditor's Judgments About the Quality of the Entity's Accounting Principles

No matters are reportable.

Other Material Written Communications

Other material written communication between management and us related to the audit includes the management representation letter (attached).

INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our limited scope audit of the financial statements of the Compass Community Health 401(k) Profit sharing Plan & Trust as of and for the year ended December 31, 2015, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and, therefore, there can be no assurance that all deficiencies, significant deficiencies or material weaknesses have been identified.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements of the Plan's financial statements on a timely basis. A deficiency in design exists when a control necessary to meet a control objective is missing or an existing control is not properly designed so that, even if the control operates as designed, a control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented or detected and corrected on a timely basis.

A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

We observed the following matters that we consider to be deficiencies.

Deficiencies

Oversight of Third Party Service Providers

Plan management has outsourced many functions relating to the Plan to outside third parties for processing, including Plan recordkeeping and administration and payroll. Although these responsibilities are outsourced, management has a responsibility to ensure that appropriate controls and safeguards are in place. While management performs several of the following tasks, we have observed that there is no documentation of completion of the related procedures. We recommend that management develop policies surrounding these reviews and document them appropriately.

We recommend Plan management obtain and maintain the annual SSAE 16 Reports (Service Auditor's Report on Controls Placed in Operation and Tests of Operating Effectiveness) from each service provider that provides significant services which impacts your financial reporting and daily transaction processing and document your review of the report. Although the controls and/or potential deficiencies identified within the SSAE 16 report are not directly the responsibility of Plan management, they do have an impact on the internal control environment of the Plan and should be analyzed and mitigating controls established for any control deficiencies identified. Plan management should also document the User Control Considerations identified in the report and determine if those are operating effectively within the Plan.

Additionally, as part of its fiduciary responsibilities, the Plan Sponsor is required to periodically monitor service providers to ensure they are properly performing the agreed-upon services. Specifically we recommend that the Plan Sponsor perform and document periodic reviews and reconciliations of information provided by the third party service providers, including but not limited to the following:

- review of investment balances and activity summaries to gain knowledge over the Plan's activities and to identify any unusual or significant transactions or investment valuations outside of expectations
- reconcile participant data to the information maintained by third party providers for accuracy
- reconcile contributions remitted each pay period between internal and external records
- review the quarterly statements for benefits paid and loans issued and reconcile the information from the third party provider records to internal records
- document review of periodic feedback files received from the third party provider

401(k) Oversight Committee

In order to demonstrate that the Plan Sponsor is fulfilling its fiduciary duties, we recommend that the committee meet regularly (e.g. quarterly) and document discussions in the form of minutes. Discussions should include investments policy statements, investment choices, the results of the administrator's SSAE 16 report, updates to the plan and controls surrounding the plan.

Record Retention

We noted during plan distribution testing that one employee's personnel file was unable to be located. We recommend that Plan management create an employee personnel file for the employee with documentation of circumstance that led to the misplacement of the initial personnel file. Furthermore, we recommend plan management develop policies and procedures to ensure employee personnel files are retained in a safe and secure manner.

Distributions

During our distribution testing procedures, we noted one participant who was terminated in 2011 and elected to make a distribution from the Plan in 2015. This participant was 40% vested at the time of termination. The distribution contained both employer discretionary contributions and an employer match. When the distribution was calculated, the correct amount was forfeited from the employer match but no forfeiture occurred from the employer discretionary contribution. We suggest plan management review the forfeiture calculation for each distribution.

OTHER MATTER

Although not considered a material weakness, a significant deficiency or a deficiency in internal control over financial reporting, we observed the following matter and offer this comment and suggestion with respect to the matter which came to our attention during the course of the audit of the financial statements. Our audit procedures are designed primarily to enable us to form an opinion on the financial statements and, therefore, may not bring to light all weaknesses in policies and procedures that may exist. However, this matter is offered as constructive suggestions for the consideration of management as part of the ongoing process of modifying and improving financial and administrative practices and procedures. We can discuss this matter further at your convenience and may provide implementation assistance for changes or improvements.

Investment Policy

The Plan has not adopted a formal investment policy. ERISA imposes a fiduciary responsibility requiring the Plan, among other things, to manage Plan assets solely in the interest of participants and beneficiaries and diversify investments to minimize the risk of large losses. If the Plan's fiduciary is determined not to have fulfilled his/her responsibility, the participants would have to be "made whole." This would likely represent costly cash deposits from the Plan Sponsor and possibly even jeopardize the Plan's tax qualification status and/or lead to penalties.

To ensure the Plan assets are prudently and effectively managed, we recommend that the Plan adopt an investment policy that outlines the roles and responsibilities of those individuals and committees involved in the Plan's administration and management. Such a policy should also address permitted investments, asset mix and concentration, as well as provide a method of reviewing, monitoring and taking appropriate action with regard to the Plan's overall investment return.

This communication is intended solely for the information and use of Plan management, the Plan administrator, and others within the organization and is not intended to be and should not be used by anyone other than these specified parties.

We are providing this letter in connection with your limited scope audits of the financial statements of the Compass Community Health 401(k) Profit Sharing Plan & Trust (the Plan) as of and for the years ended December 31, 2015 and 2014 and supplemental schedule as of December 31, 2015. We confirm that we are responsible for the fair presentation of the financial statements in conformity with accounting principles generally accepted in the United States of America and for the fair presentation of the accompanying supplemental schedule in conformity with the Department of Labor's Rules and Regulations under ERISA. We are also responsible for adopting sound accounting policies, establishing and maintaining effective internal control, and preventing and detecting fraud.

We understand that you will not express an unmodified opinion on the financial statements of the Plan for the year ended December 31, 2015 and 2014, because at our request you did not audit investment information provided by the trustee.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm, to the best of our knowledge and belief, the following:

1. We have fulfilled our responsibilities, as set out in the terms of our engagement letter dated September 9, 2016 for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America.
2. We have reviewed and approved a draft of the financial statements and related notes referred to above, which you prepared in connection with your audit of the plan financial statements. We acknowledge that we are responsible for the fair presentation of the financial statements and related notes.

3. We acknowledge our responsibility for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.
5. We have disclosed to you the identity of the entity's related parties and all the related party relationships and transactions of which we are aware. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with accounting principles generally accepted in the United States of America. We understand the term related party refers to an affiliate; employer, management, fiduciaries, and members of their immediate families, and any other party with which the Plan may deal if the Plan can significantly influence, or be influenced by, the management or operating policies of the other. The term affiliate refers to a party that directly or indirectly controls, or is controlled by, or is under common control with the Plan
6. We have disclosed any significant unusual transactions the Plan has entered into during the period, including the nature, terms and business purpose of those transactions and whether such transactions involved related parties.
7. We have provided you with:
 - (a) Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters.
 - (b) Additional information that you have requested from us for the purpose of the audit.
 - (c) Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
 - (d) Details of any significant Plan discussions through the date of this letter.
 - (e) All significant contracts.
8. All transactions have been recorded in the accounting records and are reflected in the financial statements.
9. We have informed you of all current risks of a material amount that are not adequately prevented or detected by plan procedures with respect to:
 - (a) Misappropriation of assets.

- (b) Misrepresented or misstated assets or liabilities.
10. We believe the effects of the uncorrected financial statement misstatement summarized in the attached schedule are immaterial to the financial statements taken as a whole.
 11. We have no knowledge of any known or suspected:
 - (a) Fraudulent financial reporting or misappropriation of assets involving management or employees who have significant roles in internal control.
 - (b) Fraudulent financial reporting or misappropriation of assets involving others that could have a material effect on the financial statements.
 12. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from participants, former participants, regulators, third-party servicers or others.
 13. Except as reflected in the financial statements, there are no:
 - (a) Plans or intentions that may materially affect carrying values of assets and liabilities.
 - (b) Material transactions omitted or improperly recorded in the financial records.
 - (c) Material gain/loss contingencies requiring accrual or disclosure, including those arising from environmental remediation obligations.
 - (d) Events occurring subsequent to the date of the statement of net assets available for benefits through the date of this letter requiring adjustment or disclosure in the financial statements.
 - (e) Agreements to purchase assets previously sold.
 - (f) Reportable transactions as defined in Section 103(b)(3)(H) of ERISA.
 14. We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.
 15. The Plan or the Plan Sponsor is not aware of any pending or threatened litigation or claims whose effects should be considered when preparing the financial statements. Neither the Plan nor the sponsor has sought or received attorney's services related to pending or threatened litigation or claims during or subsequent to the audit period. Also, we are not aware of any litigation or claims, pending or threatened, for which legal counsel should be sought.

16. Adequate allowances have been provided for any material losses from uncollectible receivables.
17. The fair values of financial assets recognized in the financial statements or disclosed in the notes thereto are reasonable estimates based on the methods and assumptions used. The methods and significant assumptions used result in measurements of fair value appropriate for financial statement recognition and disclosure purposes and have been applied consistently from period to period, taking into account any changes in circumstances. The significant assumptions appropriately reflect market participant assumptions.
18. The Plan and the trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code, and we intend to continue them as a qualified Plan and trust. We do not have any intention at present to terminate the Plan. Required nondiscrimination testing under the appropriate Code Sections has been completed for the Plan, and any excess contributions have been disposed of in accordance with regulations.
19. The Plan instrument has not been amended during the year.
20. The Plan operates under a volume submitter adoption agreement in connection with a prototype 401(k) profit-sharing plan and trust sponsored by Paychex. This prototype plan document has been filed with the appropriate agency and has obtained a determination letter from the Internal Revenue Service stating that the prototype constituted a qualified plan under Section 401 of the Internal Revenue Code at that time. The Plan has been amended since receiving the determination letter. However, we believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, we believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
21. The Plan has complied with the fidelity bonding requirements of ERISA.
22. The Plan has made no investments during the year that violate the terms of the Plan or Trust Agreement.
23. We have informed you of the existence of any unrecorded transactions, side agreements or other arrangements (either written or oral).
24. Except as disclosed in the financial statements, the Plan has:
 - (a) Satisfactory title to all recorded assets, and they are not subject to any liens, pledges or other encumbrances.
 - (b) Complied with all aspects of contractual agreements, for which noncompliance would materially affect the financial statements.

25. The financial statements disclose all significant estimates known to us. Significant estimates are estimates at the date of the statement of net assets available for benefits which could change materially within the next year. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.
26. With respect to any nonattest services you have provided us during the year, including the preparation of the financial statements and related footnotes:
 - (a) We have designated a qualified management-level individual to be responsible and accountable for overseeing the nonattest services.
 - (b) We have established and monitored the performance of the nonattest services to ensure that they meet our objectives.
 - (c) We have made any and all decisions involving management functions with respect to the nonattest services and accept full responsibility for such decisions.
 - (d) We have evaluated the adequacy of the services performed and any findings that resulted.
27. We have reviewed the reports of all transactions processed by third-party servicers, and, based on our review, we believe the transactions shown in the reports are valid and in accordance with our instructions to the third-party processor. We also have had no communications from any of the Plan's service organizations regarding any fraud, noncompliance with laws and regulations or uncorrected misstatements.
28. We have complied with the Department of Labor's regulations concerning the timely remittance of participant contributions.
29. We have apprised you of all communications, written or oral, with regulatory agencies concerning the operation of the plan.
30. As applicable, we have complied with the Department of Labor's regulations concerning the services provider fee disclosures in accordance with Sec. 408(b)(2).
31. With regard to supplementary information:
 - (a) We acknowledge our responsibility for the presentation of the supplementary information, including its form and content, in conformity with relevant regulatory requirements or other applicable criteria.

- (b) We believe the supplementary information is fairly presented, both in form and content, in accordance with relevant regulatory requirements or other applicable criteria, in material respects.
 - (c) The methods of measurement and presentation of the supplementary information are unchanged from those used in the prior period.
 - (d) We believe the significant assumptions or interpretations underlying the measurement and/or presentation of the supplementary information are reasonable and appropriate.

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Compass Community Health 401(k) Profit Sharing Plan & Trust, which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the *Employee Retirement Income Security Act of 1974*, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4 which was certified by Mid Atlantic Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan Administrator that the trustee holds the Plan's investment assets and execute investment transactions. The Plan Administrator has obtained certifications from the trustee as of and for the years ended December 31, 2015 and 2014, that the information provided to the Plan Administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule listed in the table of contents is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the *Employee Retirement Income Security Act of 1974* and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the *Employee Retirement Income Security Act of 1974*.

Compass Community Health 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements December 31, 2015 and 2014

Note 1: Description of the Plan

The following description of the Compass Community Health 401(k) Profit Sharing Plan & Trust (Plan) provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

General

The Plan is a defined contribution plan sponsored by Compass Community Health (Company) for the benefit of its employees expected to work at least 1,000 hours in a year. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Mid Atlantic Trust Company serves as trustee of the Plan, and Paychex Retirement Services serves as the record-keeper of the Plan.

Contributions

The Plan permits eligible employees through a salary deferral election to have the Company make annual contributions of up to 85% of eligible compensation. Employee rollover and employee Roth contributions are also permitted. The Company may make discretionary matching and non-elective contributions. The Company did not make discretionary matching contributions in 2015 or 2014.

In 2014, employer non-elective contributions were calculated but not remitted or approved prior to the issuance of the Plan year's financial statements. Therefore, no employer contribution receivable was recorded at December 31, 2014. In 2015, employer contributions were calculated and remitted prior to the issuance of the financial statements. Therefore, an employer contribution receivable has been recorded at December 31, 2015. The employer contribution related to 2014 was recorded as revenue in 2015, when it was remitted. Non-elective contributions range from 4.5% to 8.5% of eligible compensation in each year are based on years of service or job title. Contributions are subject to certain limitations.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing his or her contributions into any of the separate investment accounts and may change the allocation daily.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Compass Community Health 401(k)
Profit Sharing Plan & Trust
Notes to Financial Statements
December 31, 2015 and 2014**

Vesting

Participants are immediately vested in their voluntary and rollover contributions plus earnings thereon. Vesting in the Company's contribution portion of their accounts plus earnings thereon is based on years of continuous service. Participants vest in Company contributions and earnings and losses thereon as follows:

Years of Service	Vested Percentage
Less than 2	0%
At least 2, but less than 3	20%
At least 3, but less than 4	40%
At least 4, but less than 5	60%
At least 5, but less than 6	80%
6 or more	100%

When the Company changed record-keepers and trustees of the Plan in 2013, the Company immediately vested all Company contributions that were made up to that point. Company contributions made after that point (which includes 2013 and subsequent contributions) are subject to the above vesting schedule. The nonvested balance is forfeited upon termination of service. Forfeitures are used to reduce Company contributions.

Payment of Benefits

Upon termination of service, a participant may receive a lump-sum amount equal to the value of his account or a joint and survivor annuity. At December 31, 2015 and 2014, there were no amounts allocated to accounts of terminated or retired participants who have elected to withdraw from the Plan but have not yet been paid.

Forfeited Accounts

In 2015 and 2014, employer contributions were reduced by \$14,444 and \$45,989, respectively, from forfeited nonvested accounts.

Notes Receivable from Participants

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. Loans are made to any eligible participant demonstrating a qualifying need. The minimum amount of a loan shall be \$500. The maximum amount of a participant's loans is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance, less the highest outstanding loan balance the participant held under the Plan during the previous one-year period. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal

Compass Community Health 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements December 31, 2015 and 2014

residence) through payroll withholdings unless the participant is paying the loan in full. Interest on the loans is based on prime rate published in *The Wall Street Journal* on the 14th day of the month, plus two percentage points. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Quoted market prices, if available, are used to value investments. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Plan Tax Status

The Plan operates under a volume submitter adoption agreement in connection with a prototype 401(k) profit-sharing plan and trust sponsored by Paychex. This prototype plan document has been filed with the appropriate agency and has obtained a determination letter from the Internal Revenue Service stating that the prototype constituted a qualified plan under Section 401 of the Internal Revenue Code at that time. The Plan has been amended since the prototype received the determination letter. However, management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, management believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

**Compass Community Health 401(k)
Profit Sharing Plan & Trust
Notes to Financial Statements
December 31, 2015 and 2014**

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

Note 3: Change in Accounting Principle

In 2015, the Plan changed its accounting policy on plan accounting disclosures by adopting the provisions of ASU 2015-12, *Plan Accounting (Topics 960, 962 and 965): Part II: Plan Investment Disclosures*. The accounting policy change provided for in ASU 2015-12, Part II changes the Plan's disclosure requirements to eliminate and/or modify certain investment-related disclosures. This change was applied retrospectively for all periods presented.

Note 4: Certification of Plan Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company, the trustee of the Plan, has certified the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of December 31, 2015 and 2014
- Investment (loss) income as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2015 and 2014
- Investment information included in the accompanying schedule of assets (held at year end) as of December 31, 2015

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 5: Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

Compass Community Health 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements December 31, 2015 and 2014

The Plan paid \$2,745 and \$3,431 of record-keeping fees during 2015 and 2014, respectively. The Company provides certain administrative services at no cost to the Plan.

Note 6: Disclosures about Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

Recurring Measurements

The following tables present the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2015 and 2014:

		December 31, 2015		
		Fair Value Measurements Using		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 2,507,916	\$ 2,507,916	\$ -	\$ -
Total	\$ 2,507,916	\$ 2,507,916	\$ -	\$ -

Compass Community Health 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements December 31, 2015 and 2014

		December 31, 2014		
		Fair Value Measurements Using		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 2,432,350	\$ 2,432,350	\$ -	\$ -
Total	<u>\$ 2,432,350</u>	<u>\$ 2,432,350</u>	<u>\$ -</u>	<u>\$ -</u>

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the year ended December 31, 2015. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 securities include mutual funds. The Plan held no Level 2 or Level 3 securities.

Mutual funds: Valued at quoted market prices in active markets.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9: Subsequent Events

Subsequent events have been evaluated through the date of the Independent Auditor's Report, which is the date the financial statements were available to be issued.
