THE JET EDGE 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2015

NOTE 1. PLAN DESCRIPTION

The following description of The Jet Edge 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants and other interested parties should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees, as defined by the Plan, who are employed by Western Air Charter, Inc. dba Jet Edge (the "Company" and the "Plan Sponsor"). Effective May 1, 2015, the Plan was amended to add a 90 day service requirement for any employees hired after May 1, 2015. For discretionary Company profit sharing contributions, participants must be employed on the last day of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective June 14, 2015, all of the Plan's assets were transferred from John Hancock Life Insurance Company to Transamerica Life Insurance Company ("Transamerica") (collectively, the "Custodians").

Contributions

Each year, participants may contribute pre-tax and Roth deferrals up to 100 percent of their compensation, as defined by the Plan and subject to Internal Revenue Code ("IRC") limitations. Participants may also contribute amounts representing distributions from other eligible retirement plans, as defined in the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make discretionary matching contributions. For the year ended December 31, 2015, the Company matched 25 percent of the first four percent of compensation deferred by a participant. The Company matching contribution was \$79,811 for the year ended December 31, 2015. The Plan also provides for discretionary Company profit sharing contributions. No discretionary Company profit sharing contribution was made for the year ended December 31, 2015.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution, if any, and Plan earnings, and charged with any withdrawals or distributions requested by the participant, investment losses and allocation of administrative expenses, if applicable. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts is based on years of service. Participants are vested in Company discretionary contributions over a three year period, as defined in the Plan. Effective July 1, 2015, the vesting in Company discretionary contributions was amended to immediate vesting.

THE JET EDGE 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2015

NOTE 1. PLAN DESCRIPTION (Continued)

Forfeitures

Forfeitures of Company contributions may first be used to pay Plan administrative expenses, then to reduce Company contributions. During the year ended December 31, 2015, forfeitures of \$501 were utilized to pay Plan administrative expenses. As of December 31, 2015, there are \$775 of forfeitures available for future use.

Payment of Benefits

On termination of service for any reason, a participant or their beneficiaries, as applicable, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or in installment payments, in accordance with the Plan.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America, primarily from data provided by the Custodians.

Recent Accounting Pronouncements

In May 2015, the FASB issued Accounting Standards Update No. 2015-07 ("ASU 2015-07"), *Fair Value Measurement: Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share*. ASU 2015-07 removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using net asset value per share as a practical expedient. ASU 2015-07 is effective for plan years beginning after December 15, 2016. Plan management does not expect this pronouncement to have a material impact on the Plan's financial statements.

In July 2015, the FASB issued Accounting Standards Update No. 2015-12 ("ASU 2015-12"), *Plan Accounting: Defined Benefit Pension Plans, Topic 960; Defined Contribution Plans, Topic 962; and Health and Welfare Benefit Plans, Topic 965: Part (I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient*. ASU 2015-12 simplifies employee benefit plan reporting with respect to fully benefit-responsive investment contracts, plan investment disclosures, and provides for a measurement date practical expedient. The amendments are effective for all plan years beginning after December 15, 2015. Earlier application of any or all of the three parts is permitted. Part (I) and Part (II) are to be retrospectively applied and Part (III) is not applicable to the Plan. Plan management has elected early adoption and it has been fully implemented as of December 31, 2015 and 2014.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

THE JET EDGE 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2015

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Administrative expenses incidental to the administration of the Plan, including fees of the Custodians and independent public accountants may be paid by the Plan. Administrative expenses not paid by the Company are paid by the Plan.

Most investment options have fees which reduce the overall return on assets. The net depreciation of investments is inclusive of these fees.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to the fully benefit-responsive investment contract because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Investments are valued daily. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Concentration of Risk

The Plan's investments have exposure to risk to the extent that the investments are subject to market and interest rate fluctuations that may materially affect the value of the investment balances.

Benefits Payable to Participants

Benefits are recorded when paid.

Fair Value

The Plan accounts for its financial instruments using a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value measurement hierarchy is based on three levels of inputs, of which the first two are considered observable and the last unobservable. The three levels of the fair value hierarchy are the following:

- Level 1 – Inputs to the valuation methodology that are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are inactive; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 – Inputs to the valuation that are unobservable and significant to the fair value measurement.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value (Continued)

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2015 and 2014.

Pooled Separate Accounts – Valued at the net asset value (“NAV”) of units of a pooled separate account (“PSA”) maintained by an insurance company held by the Plan at year-end. The NAV, as provided by the insurance company, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the PSA less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The PSA NAV is not a publicly-quoted price in an active market, therefore, the PSA are classified as Level 2 within the valuation hierarchy.

The primary investment objective of the PSA is to allow participants to achieve the same rate of return as the underlying mutual funds, less fees charged by the insurance company. The PSA do not have any unfunded commitments relating to their investments, or any significant restrictions on redemptions. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

All of the Plan's investments measured at fair value are Level 2 and the following table sets forth the Plan's investments at fair value as of December 31:

	2015	2014
PSA	\$ 2,043,036	\$ 1,506,209
Total investments at fair value	\$ 2,043,036	\$ 1,506,209

NOTE 3. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan has entered into a traditional investment contract with Transamerica that meets the fully benefit-responsive investment contract criteria. Transamerica maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Transamerica is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan.

Because the Transamerica Stable Value Fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fund. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of Transamerica or otherwise. The crediting interest rate is based on a formula agreed upon with Transamerica but may not be less than zero. Such interest rates are reset monthly as of the beginning of each month.

NOTE 3. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (Continued)

Certain events limit the ability of the Plan to transact at contract value with Transamerica, such as a significant decline in the credit worthiness of Transamerica. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE 4. TAX STATUS

The Plan is a prototype plan that is the subject of a favorable tax opinion letter from the IRS dated March 31, 2014. The plan administrator believes the Plan is currently being operated in accordance with the applicable provisions of the IRC and, accordingly, the plan administrator believes that the Plan is exempt from income taxes.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2015, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5. NOTE RECEIVABLE FROM PARTICIPANT

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 less the highest outstanding loan balance during the prior 12 months or 50 percent of their vested account balance. The loan interest rate is determined by the plan administrator based on prevailing rates, as defined by the Plan. The loans are stated at the unpaid principal amount, secured by the balance in the participant's account and bear interest at 4.25 percent. Principal and interest are paid ratably through payroll deductions. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 6. PARTY-IN-INTEREST TRANSACTIONS

The Custodians of the Plan hold and manage investments. Transactions with the Custodians are party-in-interest transactions for which exemptions exist. Transamerica received \$3,135 for administration fees related to asset charges and transaction fees paid by the participants through the Plan. Additionally, the third party administrator received direct and indirect compensation of \$300 and \$346, respectively, and the broker received indirect compensation of \$33,962.

NOTE 7. PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.
