Financial Statements and Supplementary
Information

December 31, 2015 and 2014

Together with Independent Auditor's Report

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
Pasadena Refining System, Inc. Union Employees' Savings Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Pasadena Refining System, Inc. Union Employees' Savings Plan ("Plan"), which comprise the statements of net assets available for benefits as of December 31, 2015, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any audit procedures with respect to the information summarized in Note 4, which was certified by State Street Bank & Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2015, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis of Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Changes in Accounting Principle

As further discussed in Note 2 *Summary of Significant Accounting Policies* to the financial statements, the Plan adopted the provisions of Financial Accounting Standards Board ("FASB") Accounting Standards Update ("ASU") No. 2015-12 and 2015-07 effective December 31, 2015. The provisions of the applicable ASU's have been applied retrospectively. Our opinion is not modified with respect to that matter.

Other Matter-Supplemental Schedule

We were engaged for the purpose of forming an opinion on the financial statements taken as a whole. The supplemental schedule Form 5500, Schedule H, Line 4(l) Schedule of Assets (at end of year), as of December 31, 2015, which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Other Matter- 2014 Financial Statements

The financial statements of the plan as of December 31, 2014, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report, dated August 5, 2015, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PASADENA REFINING SYSTEMS, INC. UNION EMPLOYEES' SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015 and 2014

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Pasadena Refining System, Inc. Union Employees' Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time, union employees of Pasadena Refining System, Inc. (the "Employer") who have six months of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute a percentage of their pre-tax annual compensation, as defined by the Plan. Participants may also make voluntary contributions to the Plan on an after-tax basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a collective trust fund as investment options for participants.

Prior to April 1, 2015 the Employer contributed an amount equal to 50% of the employee contributions to the Plan limited to the first 8 % of base compensation that a participant contributed to the Plan. Effective April 1, 2015 the Employer changed to a match based on seniority. The new match is 100 % of employee deferrals limited to 4 % of compensation for participants with less than ten years of service. The Employer will match elective deferrals limited to 6 % of compensation for employees with ten or more years of service. In addition, the Employer does an annual true-up of the Employer match.

The employer match contribution is invested in the same ratio of investment options as the participant's contributions.

Both participant and Employer contributions are subject to certain Internal Revenue Code section 401(k) limitations.

Participants Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution, (b) Plan earnings, (c) administrative expenses, and (d) forfeitures of terminated participants' non-vested accounts.

Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan expenses are to be allocated to each participants account based on the proportion the participants account bears to the total of all participant accounts.

Vesting

PASADENA REFINING SYSTEMS, INC. UNION EMPLOYEES' SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015 and 2014

Participants are immediately 100% vested in their contributions and actual earnings thereon. Vesting in the Employer's contributions is based on years of service. A participant is 100 % vested in Employer contributions after three years of service and 0 % vested if their years of service is less than three.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum of the lesser of (a) \$50,000 or (b) 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest as determined by local prevailing rates. Principal and interest is paid ratably through payroll deductions. Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Forfeitures

Forfeitures of non-vested participant Plan benefits are used to reduce future employer contributions or administrative costs of the Plan. There were no material forfeitures to disclose as of and during 2015 and 2014, respectively.

Payment of Benefits

Under the terms of the Plan agreement, participants are eligible for distributions on retirement or at date of termination, if earlier. Distributions are made as lump sum cash payments or equal periodic installments. The Plan also makes provisions for death and disability payments.

The Plan allows hardship withdrawals in accordance with Internal Revenue Service regulations. Among other requirements, the withdrawal must be necessary in light of immediate and heavy financial needs of the employee and is limited to certain purposes. In-service distributions are allowable if the participant has attained age 59 ½ and has reached normal retirement age (the later of age 60 or the 5th anniversary of the first day of the Plan Year in which participation commenced). Benefit payments are recorded when distributed.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

In preparing the financial statements, the Employer has evaluated events and transactions for potential recognition or disclosure through October 14, 2016, the date that the financial statements were available to be issued.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015 and 2014

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Participant loans are valued at amortized cost which approximates fair value.

Plan Costs

Certain expenses of the Plan are paid directly by the Employer and thus are excluded from these financial statements. Fees related to the administration of distributions and notes receivable from participants are charged directly to the participant's account and are included as administrative plan expenses in these financial statements. Investment related expenses (such as 12b-1 fees, agency fees, management fees, and other operating expenses of the fund) commonly called a fund's expense ratio are included in net appreciation (depreciation) of fair value of investments. In addition, certain fees are shared by the fund with other service providers from the fund's management fees commonly called revenue-sharing.

Estimated investment related expenses retained by the investment provider amounted to (expressed as a percentage of Plan Assets) .63 % and .61 % for 2015 and 2014, respectively. These expenses are commonly referred to as the expense ratio of the funds. The Expense Ratio includes the investment funds annual operating expenses which may include 12b-1 fees, revenue-sharing, agency fees, management fees, investment advisor fees, sub-transfer agent fees and other similar fees.

It is estimated that the total expenses paid by the Plan for 2015 and 2014 were as follows:

	<u>2015</u>	<u>2014</u>
Investment related expenses	\$ 101,772	\$ 95,542
Administrative plan expenses	-	-
Total	<u>\$ 101,772</u>	<u>\$ 95,542</u>

New Accounting Standards

In May 2015, the FASB issued Accounting Standards Update 2015-07, *Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or its Equivalent)*. ASU 2015-07 eliminated the diversity in practice related to how certain investments measured at net asset value with redemption dates in the future are categorized within the fair value hierarchy. The amendments remove the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. ASU 2015-07 also removes the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the net asset value per share practical expedient. The ASU is effective for fiscal years beginning after December 31, 2016, with early adoption permitted. The Plan has elected to adopt this ASU early.

PASADENA REFINING SYSTEMS, INC. UNION EMPLOYEES' SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015 and 2014

In July 2015, the FASB issued Accounting Standards Update 2015-12, *A three- part simplification for benefit plan financial reporting; Part I-Fully Benefit-Responsive Investment Contracts (FBRICs), Part II-Plan Investment Disclosures, and Part III-Measurement Date Practical Expedient*. Part I is not applicable to the Plan. Part II simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks. Further, the disclosure of information about fair value measurements shall be provided by general type of plan asset. Part III is not applicable to the plan. Management has elected to adopt Parts II early.

NOTE 3- FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

		<u>2015</u>		
	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$ 13,301,698	\$ 13,301,698		
Other investments measured at net asset value ^(a)	3,121,363			
Total	<u>\$ 16,423,061</u>	<u>\$ 13,301,698</u>	<u>\$ -</u>	<u>\$ -</u>

		<u>2014</u>		
	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$ 13,338,046	\$ 13,338,046		
Other investments measured at net asset value ^(a)	2,928,241			
Total	<u>\$ 16,266,287</u>	<u>\$ 13,338,046</u>	<u>\$ -</u>	<u>\$ -</u>

^(a) In accordance with FASB ASU Subtopic 820-10, certain investments that were measured at Net Asset Value ("NAV")(or its equivalent) have not been classified in the fair value hierarchy. The amounts presented in the fair value table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets.

ASC 820 "Fair Value Measurements", establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of inputs other than Level 1 inputs that are observable either directly or indirectly, and Level 3 inputs are unobservable and reflects the plan's own assumptions about the assumptions market participants would use in pricing and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used if Level 1 cannot be and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2015 and 2014

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2015 and 2014.

Level 1 Fair Value Measurements

Mutual funds:

Since mutual funds are actively traded in the open market, level 1 is the appropriate classification for such investments. The fair value of the mutual fund is valued by the closing price that it traded for on the open market as of December 31, 2015 and 2014.

Level 2 Fair Value Measurements

The plan does not have any level 2 investments.

Level 3 Fair Value Measurements

The plan does not have any level 3 investments

Gains and losses (realized and unrealized) included in changes in net assets available for benefits are reported in net appreciation (depreciation) in fair value of investments.

Net Asset Value:

FASB ASU Subtopic 820 requires (generally) that the Plan disclose the following information for each class of investment:

- The fair value of the investments in the class, and a description of the significant investment strategies of the funds in the class.
- The amount of the reporting entity's unfunded commitments related to investments in the class
- A general description of the terms and conditions upon which the investor may redeem investments in the class.
- The circumstances in which an otherwise redeemable investment in the class might not be redeemable. Also, for those otherwise redeemable investments that are restricted from redemption as of the reporting entity's measurement date, the reporting entity shall disclose its estimate of when the restriction from redemption might lapse. If an estimate cannot be made, the reporting entity shall disclose that fact and how long the restriction has been in effect.
- Any other significant restriction on the ability to sell investments in the class at the measurement date.

^(b) The Collective Trust is a Stable Value Fund ("fund") whose investment objective is to seek the preservation of capital and to provide a competitive level of income over time that is consistent with the preservation of capital. To achieve this objective, the Fund invests primarily in Guaranteed Investment Contracts, Bank Investment Contracts, Synthetic Investment Contracts, and Separate Account Contracts. The Fund attempts to minimize risk through diversification.

NOTE 6- PARTIES-IN-INTEREST

The following is a list of the known parties-in-interest that provided services to the Plan during 2015 and 2014, respectively:

- The Employer provides administrative services to the Plan and absorbs administrative costs for the Plan.
- T. Rowe Price is the custodian of the Plan Assets.
- The Plan had participant loans. These are considered to be party-in-interest transactions
- Lockton Investment Advisors, LLC provides assistance to the Plan in meeting the Plan's fiduciary duties as well as being the Plan's investment advisor.
- Calvin Martin & Company, PLLC is the plan auditor and has provided audit services to the Plan for 2015.
- Ralph & Ralph, P.C. was the plan auditor for 2014 and provided audit services to the Plan for 2014.

All of the above transactions are exempt party-in-interest transactions from the prohibited transaction rules under ERISA.

NOTE 7- PLAN TERMINATION

The Employer intends to continue the Plan indefinitely, but reserves the right to terminate the Plan, in whole or in part, in accordance with the plan provisions.

Should the Plan terminate, the account of each participant shall be fully (100%) vested and non-forfeitable as of the effective date of the termination of the Plan. Should the Plan partially terminate, the account of each participant who is deemed to be affected by the partial termination shall be fully (100%) vested and non-forfeitable as of the effective date of the partial termination. The participant's account shall continue to participate in the earnings credited, expenses charged, and any appreciation or depreciation of the investment fund until the vested account is distributed. The vested accounts may be distributed to participants after the effective date of the Plan termination.

NOTE 8 - TAX STATUS

The Plan is a standardized prototype of T. Rowe Price. The prototype received a favorable opinion letter from the Internal Revenue Service dated June 1, 2015 regarding the acceptability of the form of the Plan only under Code Section 401(a). The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain

tax position that more likely than not would not be sustained upon examination by taxing jurisdictions. The Plan is subject to routine audits by these various taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

NOTE 9-RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to risks such as interest rate, market fluctuation, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.
