Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. NOTES TO FINANCIAL STATEMENTS

NOTE 1 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2015 and 2014, and net appreciation/(depreciation) in fair value of investments, interest and dividends for the year ended December 31, 2015, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Verisight Trust Company (the trustee of the Plan).

NOTE 2 - DESCRIPTION OF PLAN

The following description of the **Burger Physical Therapy** ("Company") **Profit Sharing & 401 (k) Plan** ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering employees of the Company who have three months of qualified employment and are at least 18 years of age, except certain employees who are covered by a collective bargaining agreement, certain nonresident aliens, leased employees, or on-call, per diem and temporary employees. The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each year, participants may defer a portion of their compensation to the Plan subject to certain anti-discrimination tests and to a maximum contribution of $18,000 per year (for 2015). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, not to exceed $6,000 (for 2015). For the purposes of this Plan, a participant's compensation is his or her total earnings for such year. The Company has the option under the Plan to make discretionary profit sharing contributions. No discretionary profit sharing contributions were made for the year ending December 31, 2015.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution, (b) Plan earnings, and (c) forfeitures of terminated participants' nonvested accounts. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Allocations of income are based strictly on the participant's selection of investments and timing of purchase.

PROFIT SHARING & 401 (k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - DESCRIPTION OF PLAN - *continued*

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after six years of credited service, as detailed in the vesting schedule in the Summary Plan Description.

Investment Options - Upon enrollment in the Plan, a participant may direct the investment of Plan assets held under the Plan on their behalf. The Plan Administrator will provide them with the information on the amounts available for direction, the investment choices, and other investment information.

Notes Receivable from Participants - The Plan permits loans to its participants based upon their vested account balance. Loans are limited to the lesser of 50% of the participant's vested account balance or $50,000, and the minimum loan amount is $1,000. Loans bear a fixed rate of interest at rates equal to 2% above the prime rate, determined on the date of advance by the Plan administrator. Loans are generally due within 5 years unless they are used to acquire a principle residence. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred.

Payment of Benefits - On termination of employment, a participant may be entitled to a distribution from the plan of their vested account balance.

Forfeited Accounts - The Employer may elect how it wishes to allocate forfeitures under the Plan. Forfeitures will pay Plan expenses first then reduce employer contributions. At December 31, 2015 and 2014, forfeited nonvested accounts totaled $2,143 and $11,221, respectively.

NOTE 3 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated through October 13, 2016, which is the date the financial statements were available to be issued.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

BURGER PHYSICAL THERAPY
PROFIT SHARING & 401 (k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 3 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - *continued*

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Participant loans are stated at cost, which approximate fair value. Increases or decreases in fair value are recognized currently. All of the Plan's assets are invested in the market, which is subject to volatility.

Purchases and sales of securities are recorded on settlement date basis. Interest income is recorded on the accrual basis. Dividends are recorded on ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Since the inception of the Plan, the Plan Sponsor has absorbed most of the administrative expenses of operating the Plan.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

BURGER PHYSICAL THERAPY
PROFIT SHARING & 401 (k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS - *continued*

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than the quoted prices included in Level 1; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

All of the Plan's investments were measured using Level 1 inputs. The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

NOTE 5 - INVESTMENTS

The following table presents investments that represent 5 percent or more of the Plan's net assets:

	December 31,	
	2015	*2014*
Investments at Fair Value as Determined by Quoted Market Price		
Mutual funds:

PROFIT SHARING & 401 (k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 6 - RELATED PARTY TRANSACTIONS

All of the Plan's assets are invested with Verisight Trust Company in funds that they manage. Accordingly, all transactions with Verisight Trust Company qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to $16,123 for the year ended December 31, 2015.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 8 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated April 2, 1993, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has received a favorable determination and the Plan has been revised since the determination letter but the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

The Plan administrator believes the Plan is no longer subject to tax examinations for years prior to 2008.

NOTE 9 - RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

INDEPENDENT AUDITORS' REPORT

The Administrative Committee of
Burger Physical Therapy Profit Sharing & 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of **Burger Physical Therapy Profit Sharing & 401(k) Plan** (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014, and the related statement of changes in net assets available for benefits for the year ended December 31, 2015, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 1, which was certified by Verisight Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2015, that the information provided to the Plan administrator by the agent for the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets (held at end of year), schedule of assets (acquired and disposed of within the year), and schedule of reportable transactions as of December 31, 2015, which are the responsibility of plan management, are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedules referenced to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the agent on behalf of the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2015 and 2014, and net appreciation/(depreciation) in fair value of investments, interest and dividends for the year ended December 31, 2015, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Verisight Trust Company (the trustee of the Plan).

NOTE 2 - DESCRIPTION OF PLAN

The following description of the **Burger Physical Therapy** ("Company") **Profit Sharing & 401 (k) Plan** ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering employees of the Company who have three months of qualified employment and are at least 18 years of age, except certain employees who are covered by a collective bargaining agreement, certain nonresident aliens, leased employees, or on-call, per diem and temporary employees. The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each year, participants may defer a portion of their compensation to the Plan subject to certain anti-discrimination tests and to a maximum contribution of $18,000 per year (for 2015). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, not to exceed $6,000 (for 2015). For the purposes of this Plan, a participant's compensation is his or her total earnings for such year. The Company has the option under the Plan to make discretionary profit sharing contributions. No discretionary profit sharing contributions were made for the year ending December 31, 2015.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution, (b) Plan earnings, and (c) forfeitures of terminated participants' nonvested accounts. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Allocations of income are based strictly on the participant's selection of investments and timing of purchase.

BURGER PHYSICAL THERAPY
PROFIT SHARING & 401 (k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - DESCRIPTION OF PLAN - *continued*

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after six years of credited service, as detailed in the vesting schedule in the Summary Plan Description.

Investment Options - Upon enrollment in the Plan, a participant may direct the investment of Plan assets held under the Plan on their behalf. The Plan Administrator will provide them with the information on the amounts available for direction, the investment choices, and other investment information.

Notes Receivable from Participants - The Plan permits loans to its participants based upon their vested account balance. Loans are limited to the lesser of 50% of the participant's vested account balance or $50,000, and the minimum loan amount is $1,000. Loans bear a fixed rate of interest at rates equal to 2% above the prime rate, determined on the date of advance by the Plan administrator. Loans are generally due within 5 years unless they are used to acquire a principle residence. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred.

Payment of Benefits - On termination of employment, a participant may be entitled to a distribution from the plan of their vested account balance.

Forfeited Accounts - The Employer may elect how it wishes to allocate forfeitures under the Plan. Forfeitures will pay Plan expenses first then reduce employer contributions. At December 31, 2015 and 2014, forfeited nonvested accounts totaled $2,143 and $11,221, respectively.

NOTE 3 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated through October 13, 2016, which is the date the financial statements were available to be issued.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

BURGER PHYSICAL THERAPY
PROFIT SHARING & 401 (k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 3 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - *continued*

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Participant loans are stated at cost, which approximate fair value. Increases or decreases in fair value are recognized currently. All of the Plan's assets are invested in the market, which is subject to volatility.

Purchases and sales of securities are recorded on settlement date basis. Interest income is recorded on the accrual basis. Dividends are recorded on ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Since the inception of the Plan, the Plan Sponsor has absorbed most of the administrative expenses of operating the Plan.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

BURGER PHYSICAL THERAPY
PROFIT SHARING & 401 (k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS - *continued*

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than the quoted prices included in Level 1; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

All of the Plan's investments were measured using Level 1 inputs. The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

NOTE 5 - INVESTMENTS

The following table presents investments that represent 5 percent or more of the Plan's net assets:

	December 31,	
	2015	*2014*
Investments at Fair Value as Determined by Quoted Market Price		
Mutual funds:		
American Fundamental Investors Class R-6	**$ 854,438**	$ 940,820

Mutual funds	$ (298,838)

BURGER PHYSICAL THERAPY
PROFIT SHARING & 401 (k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 6 - RELATED PARTY TRANSACTIONS

All of the Plan's assets are invested with Verisight Trust Company in funds that they manage. Accordingly, all transactions with Verisight Trust Company qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to $16,123 for the year ended December 31, 2015.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 8 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated April 2, 1993, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has received a favorable determination and the Plan has been revised since the determination letter but the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

The Plan administrator believes the Plan is no longer subject to tax examinations for years prior to 2008.

NOTE 9 - RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
