Build A Sign LLC 401(k) Plan:

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Build A Sign LLC 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014, and the related statement of changes in net assets available for benefits for the year ended December 31, 2015, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Ascensus, Inc. as agent for Ascensus Trust Company and Fidelity Management Trust Company, the trustees of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that Ascensus Trust Company held the Plan's investment assets and executed investment transactions from April 1, 2015 to December 31, 2015, and that Fidelity Management Trust Company held the Plan's investment assets and executed investment transactions as of December 31, 2014, and for the period January 1, 2015 to March 31, 2015. The Plan administrator has obtained certifications from the trustees as of December 31, 2015 and 2014, and for the year ended December 31, 2015, that the information provided to the Plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As discussed in Note 2 to the financial statements, in 2015, the Plan adopted Part II of Financial Accounting Standards Board Accounting Standards Update No. 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960); Defined Contribution Plans (Topic 962); and Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient*, which simplifies employee benefit plan reporting with respect to certain Plan investment disclosures. Our opinion is not modified with respect to this matter.

Other Matter

The supplemental schedules, Schedule of Assets Held at End of Year and Schedule of Delinquent Participant Contributions, as of or for the year ended December 31, 2015, are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on these supplemental schedules.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following brief description of Build A Sign LLC 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for complete information.

General - The Plan is a defined contribution plan covering substantially all employees of Build A Sign LLC (the "Company"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and qualifies under Section 401(a) of the Internal Revenue Code (the "IRC").

Effective April 1, 2015, the Company elected to change the Plan trustee from Fidelity Management Trust Company (the "Former Trustee") to a new trustee, Ascensus Trust Company (the "New Trustee"). The Vanguard Group, Inc. subcontracted its recordkeeping duties to Ascensus, Inc. (the "Recordkeeper") after the transition. Company management personnel act as the administrator of the Plan.

Eligibility - Employees are eligible to participate in the Plan on the first day of the month following the attainment of twenty-one years of age. Employees covered by a collective bargaining agreement, nonresident aliens who do not receive any earned income from the Company which constitutes United States source income and leased employees are not eligible to participate in the Plan unless certain additional requirements are met.

Contributions - A participant may authorize the Company to withhold pre-tax and/or Roth 401(k) contributions up to the annual limit established by the IRC. A participant's pre-tax and Roth 401(k) contributions will be separately accounted for, as will the gains and losses attributable to each. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute pre-tax and Roth 401(k) amounts representing distributions from other qualified retirement plans.

The Company makes a safe harbor employer matching contribution in an amount equal to 100% of the first 3% of contributed compensation and 50% of the next 2% of contributed compensation.

Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts - Each participant's account is credited with the participant's contributions, the Company's contributions and an allocation of Plan earnings, and may be charged with Plan expenses if applicable. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Notes Receivable from Participants - Participants may borrow from their accounts a minimum of $1,000 and up to a maximum of 1) $50,000 reduced by the excess, if any, of i) the highest outstanding note receivable balance over the prior twelve month period over ii) the outstanding note receivable balance on the date the new note receivable is made or 2) 50% of their vested account balance preceding the new note receivable, whichever is less. Participants may have one note receivable outstanding at a time. Participant notes receivable are secured by the vested balance in the participant's account and bear interest at a reasonable interest rate as determined by the Company. Notes receivable repayments are automatically deducted through after-tax payroll deductions over a period generally not to exceed five years.

Vesting - Participants are immediately vested in their voluntary and safe harbor contributions plus actual earnings thereon.

Payment of Benefits - Upon attainment of age 59.5, death, disability, retirement or termination of employment, a participant may elect to receive a lump sum equal to the participant's vested account balance. The Plan administrator may distribute terminated participants' account balances that are less than $1,000 in a lump sum without the participants' consent. Effective April 1, 2015, the Plan administrator may transfer terminated participants' account balances that are at least $1,000 but less than $5,000 into an individual retirement account without the participants' consent. Distributions of rollover contributions may be made with no restrictions. In-service distributions for reasons of hardship will result in a six-month suspension during which no contributions may be made to the participant's account.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The Plan's financial statements are reported on the accrual basis of accounting.

Accounting Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Build A Sign Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and Former and New Trustees. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the Plan year.

Notes Receivable from Participants - Notes receivable from participants are measured at the unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded at December 31, 2015 or 2014. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Benefits Paid to Participants - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from the financial statements. Fees related to the administration of notes receivable from participants and certain other fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

Risks and Uncertainties - Financial instruments which potentially subject the Plan to concentrations of credit risk consist primarily of investment securities in which the Plan invests. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Plan Termination - Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, distributions will be made as soon as administratively practicable after the Plan terminates.

Recently Adopted Accounting Pronouncements - In July 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960); Defined Contribution Plans (Topic 962); and Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient*. ASU No. 2015-12 simplifies employee benefit plan reporting with respect to fully benefit-responsive investment contracts and plan investment disclosures, and provides for a measurement-date practical expedient. ASU No. 2015-12 is effective for all Plan years beginning after December 15, 2015, with early application permitted. Parts I and II are to be applied retrospectively, while Part III is to be applied prospectively. Management has elected to early adopt Part II of this new standard; Parts I and III are not applicable to the Plan.

Part II eliminates the requirements to disclose individual investments that represent 5% or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type. Part II also simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks. Further, the disclosure of information about fair value measurements shall be provided by general type of plan asset. There was no effect on net assets available for benefits as of December 31, 2015 and 2014, or on the increase in net assets available for benefits for the year ended December 31, 2015, as a result of this change.

Subsequent Events - The Company has evaluated subsequent events through October 14, 2016, the date the financial statements were available to be issued, and no events have occurred through that date that would impact the financial statements.

3. FAIR VALUE MEASUREMENTS

The Plan follows a framework for measuring fair value, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2015 and 2014.

Mutual funds: Mutual funds are valued at the daily closing price as reported by the fund. The mutual funds are registered with the Securities and Exchange Commission and are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

4. INFORMATION CERTIFIED BY THE FORMER AND NEW TRUSTEES

All information disclosed in the accompanying financial statements, notes and supplemental schedules related to the Plan's investment assets and notes receivable from participants at December 31, 2015 and 2014, and the related net investment loss and interest income on notes receivable from participants for the year ended December 31, 2015, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Former and New Trustees.

5. TAX STATUS

The Company has not applied for a determination letter from the Internal Revenue Service ("IRS") to determine if the Plan is designed in accordance with applicable sections of the IRC. The Plan document is based upon a prototype plan instrument from the Recordkeeper which received an IRS opinion letter dated March 31, 2014. The prototype plan instrument has been updated for legislative and regulatory changes. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by The Vanguard Group, Inc. or its affiliates. Fees incurred by the Plan for related investment management services are included in net depreciation in fair value of investments. Transactions such as these qualify as party-in-interest transactions. The Company pays directly certain other fees related to the Plan's operations.

7. DELINQUENT TRANSMITTAL

During the year ended December 31, 2015, the Company failed to remit certain employee deferrals and loan payments on a timely basis. These funds were remitted to the Recordkeeper shortly after their due date. The Company remitted the related lost earnings during the year ended December 31, 2016.
