Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the investment information summarized in Note 4, which was certified by United of Omaha Life Insurance Company (United of Omaha), the contract holder of the Plan's investments in pooled separate accounts and guaranteed investment contract, except for comparing the information with the related information included in the financial statements and the supplementary information. We have been informed by the Plan Administrator that United of Omaha holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from United of Omaha as of December 31, 2015, and for the year then ended, that the information provided to the Plan Administrator by United of Omaha is complete and accurate.

***Disclaimer of Opinion***

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Their report, dated October 15, 2015, indicated that (a) because of the significance of the information that they did not audit they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements; and (b) the form and content of the information included in the financial statements other than that derived from the information certified by Mutual of Omaha, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

JOYCE STEEL ERECTION, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of Plan

The following description of the Joyce Steel Erection Inc. 401(k) Plan (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of Joyce Steel Erection, Inc. (the Company) who have at least six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration - In accordance with the Plan document, the Plan is administered by the Company. United of Omaha Life Insurance Company (United of Omaha) is the contract holder and custodian of the Plan's investments in pooled separate accounts and guaranteed stable value fund. MG Trust Company, LLC (MG Trust) serves as the Plan custodian and record keeper.

Contributions - Participants may contribute pre-tax deferrals up to 100% of annual compensation as defined in the Plan agreement, subject to IRS limits. Participants may also contribute pre-tax amounts representing distributions from other qualified plans, individual retirement accounts, and annuity contracts. All contributions to the Plan are participant-directed. The Company may make profit sharing, matching contributions, and supplemental matching contributions at its sole discretion. The Company's profit sharing contribution is allocated based on the ratio of the employee's earnings to total earnings and is given to participants who work at least 1,000 hours during the Plan year and are employed on the last day of the Plan year. Matching contributions are allocated based on a uniform percentage of each participant's pretax contribution. During 2015, the Company matched 100% of the participant's pretax contributions up to 3% of their eligible compensation. Supplemental matching contributions are allocated to participants, who work at least 1,000 hours during the Plan year and are employed on the last day of the Plan year, based on a percentage of each participant's pretax contributions. During 2015, the Company supplemental matching contributions were 2.3% of the participant's pretax contributions.

Participant Accounts - Participants may elect to invest their contributions in any of the available investment funds offered by the Plan. Each participant's account is credited with the participant's contribution, allocations of the Company's contributions, and Plan earnings, net of administrative expenses. Allocations are based on the participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Administrative Expenses - Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. In addition, the Company paid accounting fees on behalf of the Plan. Expenses for the Plan are paid by the Company or the Plan at the Company's discretion.

JOYCE STEEL ERECTION, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of Plan (continued)

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Note transactions are treated as a transfer between the investment fund and the note fund. Note terms generally do not exceed 5 years, unless such notes are used for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate as published in the Wall Street Journal on the date the loan is processed, plus one percentage point. The rate of interest is constant throughout the term of the note. Principal and interest are paid through payroll deductions under a level amortization schedule. Interest rates on notes outstanding as of December 31, 2015, range from 4.25% to 6.25% with various maturities through July 2040. Note activity is below:

	2015		2014	
	Qty	Amount	Qty	Amount
Outstanding, beginning of year	28	\$ 253,402	37	\$ 253,402
New notes and interest accrued	15	195,175	8	109,578
Repayments/distributed notes	(8)	(123,210)	(17)	(122,722)
Outstanding, end of year	35	\$ 325,367	28	\$ 253,402

Vesting - Participants are immediately vested 100% in all amounts contributed by the participant and all earnings on those contributions. Vesting in the Company's contributions is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
At least 2 years	20%
At least 3 years	40%
At least 4 years	60%
At least 5 years	80%
6 years or more	100%

Forfeited Accounts - Forfeitures and the earnings on those accounts may be utilized to offset Plan expenses or applied to offset future employer contributions. At December 31, 2015 and 2014, balances in forfeited non-vested accounts were \$23,374 and \$21,923, respectively. Forfeitures of \$24,407 and \$22,332 were used during 2015 and 2014, respectively, to offset the supplemental employer match contributions receivable as of December 31, 2015 and 2014, respectively.

JOYCE STEEL ERECTION, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of Plan (continued)

Payment of Benefits - Generally, the Plan will begin to make distributions to retired participants within 60 days after the end of the Plan year in which they retire. The participant may elect among various forms of benefit payments. Benefit payments to terminated or disabled participants are made as directed by the participant, subject to certain restrictions.

Note 2 - Summary of Significant Accounting Policies

The summary of significant accounting policies of the Plan is presented to assist in understanding the financial statements.

Basis of Accounting - The Plan's financial statements and IRS Form 5500 are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition - The investments are reported at fair value and contract value. United of Omaha certifies the net asset value of the Plan's investments in pooled separate accounts and the contract value of the Plan's investment in the guaranteed investment contract. If available, quoted market prices are used to value investments.

Fair value is the price that would be received to sell an asset or paid to transfer a liability (the exit price) in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Contract value is the relevant measurement for assets invested in fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Income recognition - Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net depreciation in fair value of investments consists of both the realized gains and losses and unrealized appreciation and depreciation of those investments.

Payment of Benefits - Benefits are recorded when paid.

JOYCE STEEL ERECTION, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 2 - Summary of Significant Accounting Policies (continued)

Accounting Standards Updates - In May 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2015-07, Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent).

The amendments remove the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient (NAV practical expedient). ASU No. 2015-07 has been adopted for the December 31, 2015 plan year-end. The ASU requires retrospective adoption for all periods presented. Accordingly, the 2014 presentation has been revised to conform with the 2015 presentation.

In July 2015, the FASB issued ASU No. 2015-12, Plan Accounting: Defined Contribution Pension Plans (Topic 962), (Part I) Fully Benefit-Responsive Investment Contracts, and (Part II) Plan Investment Disclosures. Part I amendments designate contract value as the only required measure for fully benefit-responsive investment contracts; Part II amendments eliminate the requirement that plans disclose: (a) individual investments that represent 5 percent or more of net assets available for benefits; (b) the net appreciation or depreciation for investments by general type requirements for both participant-directed investments and nonparticipant-directed investments; (c) disaggregate investments reported in the fair value hierarchy table by class of investment, as they may be presented by general type only; and (d) investment strategy for investments for which fair value is measured using the NAV practical expedient, if they are Form 5500 Direct Filing Entities.

ASU No. 2015-12 has been adopted for the December 31, 2015 Plan year-end. The 2014 presentation has been revised to conform with the 2015 presentation.

Note 3 - Investments Valued Using the Net Asset Value Practical Expedient

Units held in pooled separate accounts (PSAs) are valued using the NAV practical expedient of the PSA as reported by the account managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the PSA, minus its liabilities, and then divided by the number of units outstanding.

The following table provides additional information of investments at December 31, 2015 in certain entities that calculated net asset value per share (or its equivalent):

<u>Investments</u>	<u>NAV</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 6,118,631	\$ -	Immediate	None

JOYCE STEEL ERECTION, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4 - Information Provided or Certified by Custodian

The following information included in the accompanying financial statements and supplemental schedule was prepared by or derived from information provided by the Custodian and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from the Trustee that information provided to the Plan Administrator by the Custodian related to the following investment information is complete and accurate.

- Investments in the pooled separate accounts
- Investments in the guaranteed investment contract
- Net depreciation in value of investments
- Interest on investments

The amounts certified above reflect only assets held in the Plan's contract with United of Omaha. They do not include assets held outside the contract or loan account information. They also do not reflect year-end accrual entries and reclassification entries made to the financial statements.

Note 5 - Guaranteed Investment Contract with United of Omaha

The guaranteed investment contract (the Guaranteed Account), is a fully benefit responsive investment contract (FBRIC) issued by United of Omaha. The Guaranteed Account is managed by Ameriprise Trust Company and invests in units of the RiverSource Trust Income Fund IV, a commingled fund for retirement plans, which is managed by Ameriprise Trust Company. The Guaranteed Account invests exclusively in the RiverSource Trust Income Fund I, which may invest assets in the RiverSource Trust Stable Capital Fund I (a portfolio of wrapped investments to provide book-value liquidity) that enhances the Guaranteed Account's diversification and helps reduce credit exposure. Investment options are offered through a group variable annuity issued by United of Omaha, which guarantees the principal of contributions held in the Guaranteed Account and interest earned on those contributions less any charges due under the annuity contract.

The contract meets the FBRIC criteria and therefore is reported at contract value. Contract value is the relevant measure for FBRICs because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by United of Omaha, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations, which may be affected by future economic and regulatory developments.

Certain events might limit the ability of the plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the Plan's ability to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

JOYCE STEEL ERECTION, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 6 - Plan Termination

While it has no intent to do so, the Company has the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. Amounts would be distributed in accordance with Plan provisions. Amounts allocated to a participant's account become fully vested.

Note 7 - Income Tax Status

The Company adopted a prototype plan document that was approved by the Internal Revenue Service (IRS) on March 31, 2008 in an opinion letter in which the IRS stated the form of the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has not applied for an individual determination letter from the IRS. The prototype plan has been amended since the opinion letter approval; however, the Company believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC and that the Plan has satisfied the qualification requirements of IRC Section 401(a) in operation and, therefore, the related Plan is exempt from federal income taxes under the provisions of IRC Section 501(a).

In accordance with guidance on accounting for uncertainty in income taxes, the plan administrator has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that required disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility, and credit risks. It is reasonably possible, given the level of risk associated with investment securities, that changes in the values of the investments in the near term could materially affect a participant's account balance and the amounts reported in the financial statements.

Note 9 - Party-In-Interest Transactions

Certain Plan investments are shares of pooled separate accounts managed by the Custodian. Transactions with the Custodian qualify as exempt party-in-interest transactions. In addition, during the year ended December 31, 2015 the Company paid parties-in-interest for certain administrative expenses and audit fees on behalf of the Plan. Commissions totaling \$35,593 were paid in 2015 from the Plan's assets to the Plan's investment advisor, financial advisor, and an entity related to the Custodian.

Note 10 - Subsequent Events

The Plan Administrator has evaluated subsequent events through October 17, 2016, the date the financial statements were available to be issued. During this period, the Plan did not have any material subsequent events.
