Participation Service

Participation service is credited from the date employment commences to the earlier of the day the participant terminates, retires, or dies, or the first anniversary of the first day of a period of absence (or the day after the last day of an authorized absence).

Benefit Accrual Service

Benefit accrual service is credited from the date employment commences to the earlier of the day the participant terminates, retires, or dies, or the first anniversary of the first day of a period of absence (or the day after the last day of an authorized absence).

Benefit accrual service will be credited for service after a participant reaches his normal retirement date. Benefit accrual service for participants terminating before April 8, 1996 may not exceed 30 years. For participants terminating on or after April 8, 1996, the maximum benefit accrual service is 35 years. No benefit accrual service will be credited for service after August 31, 1998.

Normal Retirement Date

The last day of the month during which a participant reaches age 65.

Early Retirement Date

Any date after the Participant reaches age 55 and completes 10 years of participation service.

Accrued Benefit

A monthly benefit for participants terminating on or after April 8, 1991, equal to \$15.75 times years of benefit accrual service; for participants terminating on or after April 8, 1992, equal to \$16.00 times years of benefit accrual service; for participants terminating on or after April 8, 1993, equal to \$16.25 times years of benefit accrual service; for participants terminating on or after April 8, 1994, equal to \$16.75 times years of benefit accrual service; for participants terminating on or after April 8, 1995, equal to \$17.25 times years of benefit accrual service; for participants terminating on or after April 8, 1997, equal to \$17.75 times years of benefit accrual service.

Normal Retirement Benefit

A monthly benefit payable for life equal to the accrued benefit.

Early Retirement Benefit

A monthly benefit payable for life equal to the accrued benefit reduced on an actuarially equivalent basis for each month that commencement of payments precedes the Participant's Normal Retirement Date.

Disability Retirement Date

Any date after the participant completes 10 years of participation service and becomes totally and permanently disabled.

Disability Benefits

A monthly benefit payable temporarily to age 65 equal to the accrued benefit.

The disability benefit is offset by 100% of any worker's compensation benefits except fixed statutory payments for loss of any bodily member, benefits received prior to the disability benefit, or benefits received after age 65.

At age 65 the benefit is recalculated using the benefit accrual rates then in effect and service to date of disability.

Death Benefits

Spouses of participants who die on or after August 23, 1984, with completion of five years of participation service, have been married to the participant for at least one year prior to death, and have not waived this option are eligible.

In case of a participant who dies after age 55, an amount which would have been payable to the participant's spouse had the participant retired on the day before his death with a 50% Surviving Spouse's form in effect.

In the case of a participant who dies before age 55, an amount which would have been payable to the spouse had the participant terminated on the earlier of his actual termination date or his date of death, survived to age 55, retired at 55 and died the following day with a 50% Surviving Spouse's form in effect.

Schedule SB Attachment (Form 5500)—2015 Plan Year

Vested Benefit

A participant is vested after five years of participation service.

Benefits on Termination of Employment

A monthly benefit payable for life beginning at normal retirement date equal to the accrued benefit. If a participant has ten years of participation service at exit, an actuarially reduced benefit may commence as early as age 55.

If the Plan is terminated, the plan assets will be distributed among the plan participants based upon a priority allocation procedure and the Employer shall be liable for any unfunded vested benefits to the extent required by law.

The above description is a summary only; for additional details, reference should be made to the formal plan document.
