INDEPENDENT AUDITOR'S REPORT

To the Trustees
Wildcat Minerals, LLC 401(k) Profit Sharing Plan and Trust

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Wildcat Minerals, LLC 401(k) Profit Sharing Plan and Trust (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014, and the related statement of changes in net assets available for benefits for the year ended December 31, 2015, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph; however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified or provided by Ameritas Life Insurance Corporation, the custodian of the Plan, except for comparing this information with the related information included in the financial statements. We have been informed by the Plan Administrator that the custodian holds the Plan's assets and executes transactions. Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the entity adopted new accounting guidance related to the presentation of fair value of certain investments and disclosure of investments. Certain investments are now shown at contract value rather than fair value on the statement of net assets available for benefits. Prior year disclosures have also been revised to reflect the retrospective application of adopting these changes in accounting. Our disclaimer of opinion is not modified with respect to this matter.

Other Matter

The supplemental schedules, *Schedule H, Line 4i – Schedule of Assets (Held at End of Year)* and *Schedule H, Line 4a – Schedule of Delinquent Participant Contributions*, as of December 31, 2015, are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purposes of additional analysis and are not a required part of the financial statements. The supplemental schedules are the responsibility of the Plan's management. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules.

WILDCAT MINERALS, LLC 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

1. **THE PLAN AND ITS SIGNIFICANT ACCOUNTING POLICIES:**

General – The following description of the Wildcat Minerals 401(k) Profit Sharing Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

The Plan is a defined contribution plan that was established in 2011 by Wildcat Minerals Holdings, LLC (the “Company”) to provide benefits to eligible employees, as defined in the Plan document. The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code (the “Code”), as amended, and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Administration – Under the terms of the Plan, a group of designated officers of the Company act as the trustee. The Company has contracted with a third-party administrator to process and maintain the records of participant data. Substantially all expenses incurred for administering the Plan are paid by the Company.

Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Basis of Accounting – The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition – The Plan’s investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 2 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought or sold, as well as held during the year.

Income Taxes – The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan’s tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

WILDCAT MINERALS, LLC 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

Accounting for Uncertainty in Income Taxes – GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Tax years that remain subject to examination include 2012 through the current period. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Risks and Uncertainties – The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the risk associated with certain investment securities, it is at least reasonably possible that changes in market values, interest rates, or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Recently Adopted Accounting Guidance:

ASU 2015-12 – In July 2015, the Financial Accounting Standards Board (FASB) issued ASU 2015-12, *Topic 962 – Plan Accounting: Fully Benefit-Responsive Investment Contracts (Part I), Plan Investment Disclosures (Part II) and Measurement Date Practical Expedient (Part III)*. Part I designates contract value as the only required measure for fully benefit-responsive investment contracts. Part II eliminates the requirement for the Plan to disclose (1) individual investments that represent 5% or more of net assets available for benefit and (2) the net appreciation or depreciation for investments by general type. Part III provides a practical expedient to permit plans to measure investments and investment-related accounts as of a month-end date that is closest to the Plan's fiscal year-end, when the fiscal period does not coincide with month-end. The amendment will be effective for fiscal years beginning after December 15, 2015 with earlier adoption permitted. Parts I and II shall be effective on a retrospective basis, and Part III shall be effective on a prospective basis. The Plan adopted the amendment for the year ended December 31, 2015 and retroactively applied Parts I and II to 2014. The adoption of these changes had no impact on the Plan or the associated financial statements, with the exception of the eliminated disclosure requirements described within Part II above.

ASU 2015-07 – In May 2015, the FASB issued ASU 2015-07, *Topic 820 – Fair Value Measurement: Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its equivalent)*. The amendments in ASU 2015-07 remove the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. The amendment also removes the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the net asset value per share practical expedient. Rather those disclosures are limited to investments for

WILDCAT MINERALS, LLC 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

which the entity has elected to measure the fair value using that practical expedient. ASU 2015-07 is effective for fiscal years beginning after December 15, 2015 and interim periods within those fiscal years. Earlier adoption is permitted and should be applied retrospectively. The Company adopted this amendment for the year ended December 31, 2015 and retroactively applied it to 2014. The adoption of these changes had no impact on the Plan or the associated financial statements.

2. **FAIR VALUE MEASUREMENTS** (unaudited):

The fair value measurements standard establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standard are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2015.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end. It is not probable that the mutual funds will be sold at amounts that differ materially from the NAV of shares held.

WILDCAT MINERALS, LLC 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2015 and 2014:

	Investments at Fair Value as of December 31, 2015

3. RELATED PARTY TRANSACTIONS:

Certain Plan investments are managed by Ameritas Life Insurance Corporation, the custodian of the Plan. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

WILDCAT MINERALS, LLC 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

4. **CERTIFIED INFORMATION** (unaudited):

In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, Ameritas Investments has certified the fair value of assets held at December 31, 2015 and 2014, and transactions entered into during the year ended December 31, 2015 that were used in the preparation of the accompanying financial statements and supplemental schedules.

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value as follows for the year ended December 31, 2015:

Dividends and interest	\$ 454
Net realized and unrealized depreciation in fair value of investments	<u>(5,930)</u>
Total investment loss	<u>\$ (5,476)</u>

Investment Contract with Insurance Company – The Plan has investment contracts with Principal. Principal maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. These investment contracts are reported at fair value to the Plan by Principal. The average yield and crediting interest rates at December 31, 2015 and 2014 were 0.50% and 0.83%, respectively. The interest rate is reset annually.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (i) amendments to the Plan documents (including complete or partial plan termination or merger with another plan); (ii) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (iii) bankruptcy of the Plan sponsor or other Plan sponsor events (e.g., divestitures or spin-offs of a subsidiary) which cause a significant withdrawal from the Plan or (iv) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

5. **PARTICIPATION AND BENEFITS:**

Participant Contributions – Employees of the sponsor are eligible to participate in the Plan after one month of employment and attaining the age of 18. The employee is automatically enrolled in the Plan and can be enrolled the first day of each month. Participants may elect to have the Company contribute their eligible pre-tax compensation to the Plan up to the amount allowable under the Plan document and the limits per IRC Section 401(g), which for 2015 was \$129,936. Participants who have the Company contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in taxable or taxed compensation. Contributions withheld are

WILDCAT MINERALS, LLC 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

invested in accordance with the participant's direction. Participants may change this designation at any time.

Participants are also allowed to make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participant's direction and the Plan's provisions.

Employer Contributions – The Company is allowed to make discretionary contributions to the Plan, as defined in the Plan Document and as approved by the Board of Directors. During 2015, the Company matched 100% of the employee's contributions to the Plan up to 6% of the employee's eligible earnings. The Company contributed \$101,186 for the Plan year ended December 31, 2015.

Vesting – Participants are immediately vested in their elective contributions, plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant becomes 100% vested after three years of credited service, earning approximately 33% per year. The Plan defines one year as 1,000 hours of service. A participant's account also becomes fully vested in the event of total disability or death, or upon reaching the normal retirement age.

Participant Accounts – Each participant's account is credited with the participant's contribution, Plan earnings or losses and an allocation of the Company's contribution, if any. Allocation of the Company's contribution is based on eligible employee compensation, as defined in the Plan.

Payment of Benefits – Upon termination, the participants or beneficiaries may elect to leave their account balance in the Plan, or receive their total benefits in a lump sum amount equal to the value of the participant's interest in their account.

Loans to Participants – The Plan allows participants to borrow a minimum of \$1,000 and a maximum of 50% of their vested present value account balance or \$50,000, reduced by the highest outstanding loan balance during the previous twelve month period. The loans are secured by the participant's balance. Such loans bear interest at the available market financing rates and must be repaid to the Plan within a reasonable period of time, unless the loan is used for the purchase of a principal residence, in which case the maximum repayment period may be longer but cannot extend beyond five years. The specific terms and conditions of such loans are established by the Plan administrator. There was a total of \$13, 971 and \$5,293 in loans outstanding as of December 31, 2015 and 2014, respectively.

Forfeitures – Forfeitures occur when a participant who is not 100% vested elects to withdraw from the Plan. Forfeitures of non-vested amounts are used to pay administrative expenses and to reduce the employer's matching contributions for the Plan year. There were no unused forfeitures as of December 31, 2015 and 2014, respectively.

WILDCAT MINERALS, LLC 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

6. **PROHIBITED TRANSACTIONS:**

During the years ended December 31, 2015, and 2014, the Plan sponsor inadvertently failed to make deposits in the amount of \$24,459 to the Plan within the required timeframe as stated by the United States Department of Labor. The Plan sponsor intends to calculate and deposit the estimated lost earnings to the Plan as soon as feasibly possible.

7. **RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:**

There were no reconciling items between the financial statements to the Form 5500 at December 31, 2015 and 2014.

8. **PLAN TERMINATION OR MODIFICATION:**

The Company intends to continue the Plan indefinitely for the benefit of its participants; however, it reserves the right to terminate or modify the Plan at any time by resolution of its Board of Directors and subject to the provisions of ERISA.

As a result of a reduction of the Plan sponsor's workforce during 2015, the Plan experienced a partial plan termination as defined by ERISA. Under ERISA, a partial plan termination may occur if a significant percentage of the Plan participants are terminated because of an action taken by the Plan sponsor. If a partial plan termination occurs, full vesting is required for the participants terminated as a result of the employer-initiated action, however vesting continues according to the plan provisions for the remaining participants.

All terminated employees who were participants in the Plan were fully vested in their account balances at the later of the date of the partial plan termination or the date a participant was subsequently involuntarily terminated. As of December 31, 2015, the Plan has recorded a receivable from the Company and payable to participants for \$6,370 who have withdrawn from the Plan, but have yet to be paid their vested amount.

9. **SUBSEQUENT EVENTS:**

The Plan has evaluated subsequent events through October 17, 2016, the date the financial statements were available for issuance.
