NOTE 1. PLAN DESCRIPTION

The following description of Burke, Williams & Sorensen, LLP 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants and other interested parties should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering certain employees who are employed by Burke, Williams & Sorensen, LLP (the "Partnership" and the "Plan Sponsor"). Participants must be employed on the last day of the Plan year and complete 1,000 hours of service during the Plan year to be eligible to receive discretionary Partnership profit sharing contributions. Participation in the Plan begins on the first day of the Plan year or first day of the seventh month of the Plan year coinciding with or following the date on which the requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Partnership also sponsors a retirement plan called the Burke, Williams & Sorensen, LLP Associate 401(k) Profit Sharing Plan (the "Associate Plan"). An employee who becomes ineligible for one plan but is eligible for the other plan may have their account balances transferred to the plan that they are eligible. During the year ended December 31, 2015 there was a transfer of assets into this Plan in the amount of $303,739 from the Associate Plan and a transfer of assets from this Plan in the amount $1,116,152 to the Associate Plan.

Contributions

Each year, participants may contribute up to 100 percent of pretax annual compensation and Roth contributions, as defined in the Plan and subject to Internal Revenue Code ("IRC") provisions. Participants may also contribute amounts representing distributions from other eligible retirement plans, as defined in the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan provides for discretionary matching Partnership contributions and for the year ended December 31, 2015, the Partnership matched each participant's deferral at the rate of 25 percent up to one percent of annual compensation, as defined in the Plan. The Partnership matching contribution was $109,185 for the year ended December 31, 2015. The Plan also provides for discretionary profit sharing contributions. The Partnership made a profit sharing contribution of $555,314 for the year ended December 31, 2015.

Participant Accounts

Each participant's account is credited with the participant's contributions and Partnership matching contributions, as well as allocations of the Partnership's profit sharing contribution and Plan earnings, and charged with any withdrawals or distributions requested by the participant, investment losses and allocation of administrative expenses, if applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1. PLAN DESCRIPTION (Continued)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Partnership's contribution portion of their accounts is based on years of service. Participants are vested in Partnership contributions over a two-year period, as defined in the Plan.

Forfeitures

Forfeitures of Partnership contributions may be used to pay Plan administrative expenses or to reduce future Partnership contributions. No forfeitures were utilized during the year ended December 31, 2015. As of December 31, 2015 forfeitures of $5,593 are available for future use.

Payment of Benefits

When eligible, participants may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installment payments, as permitted under the Plan.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America, primarily from information provided by City National Bank (the "Trustee").

Recent Accounting Pronouncement

In July 2015, the FASB issued Accounting Standards Update No. 2015-12 ("ASU 2015-12"), *Plan Accounting: Defined Benefit Pension Plans, Topic 960; Defined Contribution Plans, Topic 962; and Health and Welfare Benefit Plans, Topic 965: Part (I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient*. ASU 2015-12 simplifies employee benefit plan reporting with respect to fully benefit-responsive investment contracts, plan investment disclosures, and provides for a measurement date practical expedient. The amendments are effective for all plan years beginning after December 15, 2015. Earlier application of any or all of the three parts is permitted. Part (II) is to be retrospectively applied and Part (I) and Part (III) are not applicable to the Plan. Plan management has elected early adoption and it has been fully implemented as of December 31, 2015 and 2014.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Investments are valued daily. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Concentration of Risk

The Plan's investments have exposure to risk to the extent that the investments are subject to market and interest rate fluctuations that may materially affect the value of the investment balances.

Administrative Expenses

Certain administrative expenses incidental to the administration of the Plan, including fees of the Trustee and independent qualified public accountants may be paid by the Plan. Administrative expenses not paid by the Partnership are paid by the Plan.

Most investment options have fees which reduce the overall return on assets. The net depreciation of investments is inclusive of these fees.

Benefits Payable to Participants

Benefits are recorded when paid.

Fair Value

The Plan accounts for its financial instruments using a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value measurement hierarchy is based on three levels of inputs, of which the first two are considered observable and the last unobservable. The three levels of the fair value hierarchy are the following:

- Level 1 – Inputs to the valuation methodology that are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 – Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are inactive; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

- Level 3 – Inputs to the valuation that are unobservable and significant to the fair value measurement.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value (Continued)

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2015 and 2014.

Mutual Funds – This category consists of publicly traded funds of registered investment companies. The net asset value of the mutual fund's shares is quoted on the exchange where the fund is traded and therefore classified as Level 1 within the valuation hierarchy.

All of the Plan's investments are Level 1 and the following table sets forth the Plan's investments at fair value as of December 31:

	2015	2014
Mutual funds	$ 14,692,111	$ 14,291,683
Total investments at fair value	$ 14,692,111	$ 14,291,683

NOTE 3. NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts up to a maximum equal to the lesser of $50,000 less the highest outstanding loan balance during the prior 12 months or 50 percent of their vested account balance. The loan interest rate is set at two percent above the prime rate, as defined in the Plan. The loans are stated at the unpaid principal amount, secured by the balance in the participant's account and bear interest at 5.25 percent. Principal and interest are paid ratably through payroll deductions. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 4. PLAN TERMINATION

The Partnership has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Partnership contributions.

NOTE 5. TAX STATUS

The Partnership adopted a volume submitter plan which is the subject of a favorable tax opinion letter from the IRS dated March 31, 2008. The plan administrator believes the Plan is currently being operated in accordance with the applicable provisions of the IRC and, accordingly, the plan administrator believes that the Plan is exempt from income taxes.

NOTE 5. TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2015, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6. FINANCIAL DATA CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by the Trustee and was not subjected to any auditing procedures performed by the independent qualified public accountants:

a. Noninterest-bearing cash, participant-directed investments, at fair value, and notes receivable from participants as shown in the accompanying statements of net assets available for benefits as of December 31, 2015 and 2014.

b. Net depreciation of investments, interest and dividend income on investments, and interest income on notes receivable from participants as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2015.

c. Investments and participant loans as of December 31, 2015 as listed in the accompanying Schedule of Assets (Held at End of Year).

NOTE 7. PARTY-IN-INTEREST TRANSACTIONS

The Trustee of the Plan holds and manages certain of the Plan's investments. Transactions with the Trustee qualify as party-in-interest transactions for which exemptions exist. OneAmerica Retirement Services LLC, the record-keeper, received direct and indirect compensation of $2,730 and $41,461. In addition, the sub-custodian receives indirect compensation from investments based on a formula.
