Report on the 2015 financial statements

We were engaged to audit the accompanying financial statements of Search Optics 401(k) Profit Sharing Plan and Trust (the “Plan”), which comprise the statement of net assets available for plan benefits as of December 31, 2015, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion paragraphs, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for disclaimer of opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (“ERISA”), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6. We have been informed by the Plan administrator that the certifying entity meets the requirements of 29 CFR 2520.103-8. The Plan administrator obtained a certification from this entity as of December 31, 2015 and for the year then ended, stating that the certified information provided to the Plan administrator is complete and accurate.

As described in Note 3 to the financial statements, during 2015 certain operational errors were identified by management relating to eligibility and the definition of eligible compensation per the Plan document. Management has been unable to determine the effects of these errors on the presentation of the financial statements and supplemental schedule in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements and supplemental schedule have been affected by these conditions.

Disclaimer of opinion

Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraphs, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Supplementary information

The supplemental schedule, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2015, is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraphs, we do not express an opinion on the supplemental schedule.

Other matter - 2014 financial statements

The financial statements of the Plan as of and for the year ended December 31, 2014 were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the other auditors not to perform, and they did not perform, any auditing procedures with respect to the certified information. Their report, dated October 13, 2015, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, they did not express an opinion on the financial statements, and (b) the form and content of the information included in the financial statements and supplementary information, other than that derived from the certified information, were presented in compliance with Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2015 and 2014

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Search Optics 401(k) Profit Sharing Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan Document or summary Plan description for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established and sponsored by Search Optics, LLC (the “Company”). The Plan was established on January 1, 2008, as most recently amended and restated on January 1, 2012, to enable eligible employees to share in the Company’s earnings and permit employees to make pre-tax contributions to the Plan; thereby, providing employees with an opportunity to accumulate funds for their retirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

The Plan is administered by the Company’s Trustees (“Trustees”), which has overall responsibility for the operation and administration of the Plan. The Trustees determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan’s custodian, John Hancock Life Insurance (“Custodian”).

Eligibility

The Plan covers substantially all employees who have reached age 21 and have completed one month of service. Employees are eligible to participate in the Plan on the first day of the month following eligibility. Newly eligible employees are automatically enrolled at 3% of the employee’s compensation unless the employee affirmatively elects otherwise.

Contributions

Each participant may contribute from 1% to 100% of their annual pre-tax compensation subject to an annual limitation imposed by Internal Revenue Service regulations.

The Plan provides that the Company may elect to make matching contributions. In 2015 the Company matched 100% of each participants’ contributions based on participant contributions of up to 4% of each participant’s eligible compensation. The Company contributed \$425,311 to the Plan in 2015. The Company may also elect to make discretionary profit sharing contributions to the Plan. There were no discretionary profit sharing contributions in 2015.

NOTE 1 - DESCRIPTION OF THE PLAN - Continued

Participant Accounts and Investment Options

Each participant's account is credited with the participant's contributions and allocations of the Company's contribution and Plan earnings of losses, and is charged with an allocation of the Plan's administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance.

Participants direct the investment of all contributions into various investment options offered by the Plan. There are no non-participant directed investments.

Vesting

The portions of the participant's account attributable to elective deferral contributions and rollover contributions are 100% vested and non-forfeitable.

Other than employer qualified safe harbor contributions, which vest 100% after two complete years of service, employer matching and discretionary profit sharing contributions vest 20% after two complete years of service, as defined in the Plan Document, and an additional 20% for each complete year of service thereafter until fully vested.

Forfeitures

Unvested amounts forfeited by terminated employees may first be used to pay Plan administrative expenses and any remaining amounts are applied to reduce employer contributions. In 2015, the Company's matching contributions were reduced by \$0 using forfeited funds. Unallocated forfeitures were \$100,198 and \$38,253 as of December 31, 2015 and 2014, respectively.

Notes Receivable from Participants

The Plan allows participants to borrow against their vested balances. Loans may not be made for less than \$1,000 and may not exceed the lesser of \$50,000 or 50% of a participant's vested balance. Loan repayment periods may not exceed five years except for loans used to acquire a principal residence. In such case, a reasonable repayment period, not to exceed ten years, shall be established. The loan interest rate is based on rate available for similar loans are determined by the Company. Principal and interest are paid ratably through after-tax payroll deductions. A participant may have one loan outstanding at any time.

Benefit Payments

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, an annuity distribution, or flexible payment as described in the Plan Document. For termination of service for other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

Participants may withdraw any or all of their elective deferral account balances at any time during the Plan year provided certain hardship conditions, as defined in the Plan Document, have been met. Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United State of America ("US GAAP").

Recently Issued Pronouncements

In May 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standard Update ("ASU") No. 2015-07, *Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*, which exempts investments measured using the net asset value ("NAV") practical expedient in Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, from categorization within the fair value hierarchy. The guidance requires retrospective application and is effective for fiscal years beginning after December 15, 2016. Early adoption is permitted. Management is in process of evaluating the impact of this update on the Plan's financial statements.

In July 2015, the FASB issued ASU No. 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965): (Part I) Fully-Benefit Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient*. This three-part standard simplifies employee benefit plan reporting with respect to fully benefit-responsive investment contracts and plan investment disclosures, and provides for a measure-date practical expedient. Part I and II are effective for fiscal years beginning after December 15, 2015 and should be applied retrospectively, with early adoption permitted. Part III is effective for fiscal years beginning after December 15, 2015 and should be applied prospectively, with early adoption permitted. Parts I and III are not applicable to this Plan. Management is in process of evaluating the impact of this update on the Plan's financial statements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determines the Plan's valuation policies utilizing information provided by the investment advisers and Trustee. See Note 5 for discussion of fair value measurements.

Net depreciation in fair value of investments is reflected in the Statement of Changes in Net Assets Available for Benefits and includes realized gain and losses on investments bought and sold as well as held during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Acquisition costs are included in the cost of investments purchased, and sales are recorded net of selling expenses.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2015 and 2014. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expense during the reporting period. Accordingly, actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Benefits Paid to Participants

Benefits are recorded when paid.

Administrative Expenses

Expenses related to the audit of the Plan are paid by the Company. All other costs and expenses related to the operation and administration of the Plan are paid by the Plan. In 2015 the Plan paid \$8,790 of administrative expenses.

Most investment options have fees which reduce the overall return on assets. The net depreciation of investments is reflected net of these fees.

Reclassifications

Certain reclassifications have been made to the 2014 financial statements to conform with the 2015 presentation.

NOTE 3 – PLAN REMEDIATION AND UNCERTAINTIES

During 2015, Plan management identified certain operational errors related to the compliance with the Plan document including eligibility and the definition of eligible compensation. Plan management is in the process of analyzing these operational errors and intends to correct these errors with the Internal Revenue Service. Plan management is in the process of performing remediation procedures to resolve these matters in order to maintain the qualified status of the Plan and to determine the total amount owed to the Plan. At December 31, 2015, the amount owed to the Plan had not been determined.

NOTE 4 - INVESTMENTS

The following investment represented 5% or more of the Plan's net assets available for benefits at December 31:

	2015	2014
John Hancock LS Bal Active Strategy	\$ 1,628,811	\$ 1,525,374
John Hancock LS Agg Active Strategy	\$ 250,245	N/A

NOTE 4 – INVESTMENTS - Continued

For the year ended December 31, 2015, the Plan's investments in registered investment companies (mutual funds) (including gains and losses on investment bought and sold, as well as held during the year) depreciated in value by \$67,769.

NOTE 5 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The determination of what constitutes an observable input requires judgment by the Plan's management. Plan management considers observable data to be that market data which is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by multiple independent sources that are actively involved in the relevant market.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2015 and 2014

NOTE 5 - FAIR VALUE MEASUREMENTS - Continued

The categorization of an investment within the fair value hierarchy is based upon the pricing transparency of the investment and does not necessarily correspond to Plan management's perceived risk of that investment. Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled separate accounts: The pooled separate accounts ("PSAs") are funds that are only available to the clients of the Custodian. The PSAs invest principally in equity securities, fixed income instruments, or multi-assets funds in accordance with each account's investment objective. The NAV of a PSA is based on the market value of its underlying investments and is not a publicly-quoted price in an active market. These fair values are generally obtained from third party pricing services using substantially all observable inputs. PSAs are classified within Level 2 of the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2015 and 2014.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such transfers, the transfer is reported at the beginning of the reporting period. The Plan evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total assets available for benefits. There were no transfers between levels for the years ended December 31, 2015 and 2014.

NOTE 6 – INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent certified public accountants not to perform any auditing procedures with respect to the following information certified by the Custodian, except for comparing such information certified by the Custodian to information included in the Plan's financial statements and supplemental schedule.

- Investments, as shown in the Statements of Net Assets Available For Benefits as of December 31, 2015 and 2014.

NOTE 6 – INFORMATION CERTIFIED BY THE CUSTODIAN - Continued

- Investment income and interest income on notes receivable from participants, as shown in the Statement of Changes in Net Assets Available For Benefits for the year ended December 31, 2015.
- Schedule H, line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2015.

The Plan's independent certified public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 7 – TAX STATUS

The Plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the Plan and the related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC") and therefore, tax-exempt. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and continues to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken uncertain position that more likely than not would not be sustained upon examination by the IRS. The tax positions taken by the Plan have been analyzed and, as of December 31, 2015, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability, asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Company believes it is no longer subject to income tax examinations for years prior to 2012.

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets are invested in Custodian accounts. Members of the Plan's Trustees are officers of the Company and current participants in the Plan. These transactions qualify as party-in-interest transactions.

NOTE 9 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan Document, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of such termination, the Plan Document provides that participants would become fully vested in their accounts.
