EFPR GROUP, LLP 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015 AND 2014

Note 1 - Description of Plan:

The EFPR Group, LLP 401(k) Profit Sharing Plan (the "Plan"), formerly The EFP Rotenberg, LLP 401(k) Profit Sharing Plan, is the 401(k) Plan for the EFPR Group, LLP; EFPR Group CPA's, PLLC; EF&P Group LLC dba StoneBridge Business Partners; Rotenberg Healthcare Consulting LLC; EFPR Solutions, LLC; EFP Rotenberg, LLP; TEM Group CPA's PLLC; Ignition Consulting LLC; Capital Performance Analyst LLC; and Toski & Co., CPA's P.C. (collectively the "Company"). The following description of the Plan provides only general information. The Plan Document together with the Standardized Adoption Agreement should be consulted for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan with a profit-sharing feature. The Plan covers all employees of the Company who have one year of service (12 months containing 1,000 hours of service) and are age twenty-one or older. There is no service requirement relating to the 401(k) feature and employees automatically enter the Plan with 3% 401(k) contributions on the first day of the payroll period on or after their date of hire unless they opt out. The entry date for purposes of the Profit Sharing feature is the first day of each calendar quarter that falls on or after the day on which an employee meets the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions - Each year participants may contribute up to 100% of taxable wages not to exceed the maximum allowed by law. Participants are permitted to make contributions as "Roth" contributions. Participants may also contribute distributions from other qualified plans ("rollovers"). The Plan constitutes a Safe Harbor Plan, which requires a Safe Harbor Non-elective Company contribution of 3% of eligible compensation. The Company may also make discretionary profit sharing contributions to the account of each participant in an amount determined by management, provided the participant is an active participant on the last day of the Plan year and has completed 1,000 or more hours of service during that Plan year. Although the Plan does not currently allow employer matching contributions, certain assets are matching funds. All of the Plan assets are participant directed.

Participant Accounts - Each participant's account is credited with the participant's contribution, the Company's Safe Harbor and discretionary contributions and Plan earnings, and is charged with the participant's withdrawals or distributions and an allocation of administrative expenses. The benefit to which a participant is entitled is the participant's vested account balance.

Vesting - Participants are immediately vested in their own contributions plus earnings thereon. Under the Safe Harbor Plan provisions, participants are 100% vested in amounts attributed as Safe Harbor employer contributions. Participants must have completed a year of service to receive the Safe Harbor. Regarding employer profit sharing contributions and earnings thereon, employees become 100% vested after six years of service at the rate of 20% per year starting with the second year of service.

Participants' Notes Receivable - Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balances. Loans require repayment within 5 years unless the loan is for the purchase of a primary residence, which allows for a longer repayment term. The loans are secured by the balance in the participant's account and bear interest equal to the prevailing interest rates. Principal and interest must be paid ratably through payroll deductions or otherwise in at least equal quarterly installments.

Note 1 - Description of Plan (Continued):

Payments of Benefits - Upon separation from service including death, disability or normal retirement, a participant or beneficiary generally may elect to rollover benefits into an individual retirement account or another qualified plan or receive a lump sum payment in an amount equal to the value of the participant's vested interest in his or her account as dictated by provisions of the Plan. Upon death, disability or attainment of prescribed retirement requirements, a participant becomes 100% vested in his or her account in full.

Forfeited Accounts - Forfeited balances of terminated participants' non-vested accounts are used first for payment of administrative expenses and then to reduce future Company Safe Harbor contributions. During the year ended December 31, 2015, there were no forfeitures used to reduce Plan administrative expenses and there were new forfeitures of $1,213. As of December 31, 2015, there was $2,270 of forfeitures available to reduce future employer contributions.

Note 2 - Summary of Significant Accounting Policies:

Basis of Accounting - The financial statements of the Plan are prepared using the cash basis of accounting. Consequently, revenue and the related assets are recognized when received rather than when earned and expenses are recognized when paid rather than when the obligation is incurred.

Accounting Estimates - The preparation of financial statements in conformity with the cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Shares/units of the registered investment companies and common collective trust are valued at quoted market prices, which represent the net asset value of shares/units held by the Plan at year-end. Shares of equity securities are valued at quoted closing market prices at year-end. Participant notes receivable are valued at cost which approximates fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received.

Expenses - Professional fees and other administrative expenses are paid by the Plan, unless paid by the Company.

Payments of Benefits - Benefits are recorded when paid.

Accounting for Uncertainty in Income Taxes – Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 740, Subtopic 10 prescribes a comprehensive model for how a plan should measure, recognize, present, and disclose in its financial statements uncertain tax positions that the plan has taken or expects to take on a tax return. The Plan recognizes tax benefits from uncertain tax positions only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. The tax benefits recognized in the financial statements from such positions are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There was no impact to the Plan's financial statements as a result of FASB ASC Topic 740, Subtopic 10.

Subsequent Events - The Company evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure. The accompanying financial statements consider events through October 14, 2016, the date the financial statements were available to be issued.

Note 3 - Fair Value Measurements:

FASB ASC 820, *Fair Value Measurement*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements - The fair value of cash and cash equivalents, mutual funds and self-directed brokerage accounts (which are comprised of U.S. Treasury Securities, corporate bonds, common equities and exchange traded funds) are determined by the closing market prices reported on active markets for identical assets for which the individual underlying investments are traded.

Level 2 Fair Value Measurements - The fair value of the common collective trust is based on estimated fair values of the underlying investments in the trust at year end.

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefit:

		Fair Value Measurements Using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
December 31, 2015			
Cash and Cash Equivalents	$ 378,883	$ 378,883	$ -
Mutual Funds	10,913,663	10,913,663	-
Self-Directed Brokerage Accounts	7,146,831	7,146,831	-
Common Collective Trust	56,530	-	56,530
Total	$ 18,495,907	$ 18,439,377	$ 56,530

Note 3 - Fair Value Measurements (Continued):

	Fair Value Measurements Using:		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
December 31, 2014			
Cash and Cash Equivalents	$ 632,049	$ 632,049	$ -
Mutual Funds	10,436,467	10,436,467	-
Self-Directed Brokerage Accounts	7,040,901	7,040,901	-
Common Collective Trust	83,637	-	83,637
Total	$ 18,193,054	$ 18,109,417	$ 83,637

Note 4 - Plan Termination:

Although it has not expressed any intent to do so, the Company has the right, under the Plan Document, to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note 5 - Tax Status:

The Plan utilizes a prototype plan document and relies on the opinion letter issued to the prototype document sponsor. The prototype document sponsor received an opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since the prototype document sponsor received the opinion letter. However, the Company believes that the Plan is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax exempt as of December 31, 2015. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 6 - Current Vulnerability Due to Concentrations of Risk:

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statement of net assets available for plan benefits.

Note 7 - Information Prepared and Certified by Trustee:
