INDEPENDENT AUDITORS' REPORT

Participants and Administrator
**Peerless Mfg. Co. Retirement
Savings and Trust Plan**

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Peerless Mfg. Co. Retirement Savings and Trust Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2015, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Bank of America, N.A., the trustee of the Plan for the year ended December 31, 2015, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certification from the trustee as of and for the year ended December 31, 2015, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statements, referred to in the first paragraph.

Emphasis of Matter – Plan Merger

As discussed in Note 1, the Plan was merged effective January 1, 2016 into the CECO Environmental 401(K) Savings and Retirement Plan.

Other Matter – Supplemental Schedule

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2015 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Other Matter – 2014 Financial Statements

The financial statements of the Plan as of December 31, 2014, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Bank of America, N.A., the trustee of the Plan. Their report, dated June 30, 2015, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the these financial statements, and (b) the form and content of the information included in these financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2015

The form and content of the information included in the 2015 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Peerless Mfg. Co. Retirement Savings and Trust Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan was established effective January 1, 1984, and is a defined contribution plan covering substantially all employees of Peerless Mfg. Co. (the Company, Plan Sponsor or Employer). The Plan was amended and restated effective February 5, 2009. The Plan is designed to comply with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), and the Internal Revenue Code (IRC). The Plan was adopted to enable eligible employees to defer compensation and share in Employer contributions in order to save and invest those funds for retirement. Bank of America, N.A. (the Trustee) is the Plan’s Trustee and is responsible for asset custody and executing investment transactions and Merrill Lynch, Pierce, Fenner & Smith (Merrill Lynch), a related party to the Trustee, is the record keeper responsible for maintaining participant accounts. The Plan is administered by an investment committee appointed by the Plan Sponsor. The duties of the investment committee are to select and monitor the investment options of the Plan and to oversee the operations of the Plan.

On September 3, 2015, Peerless Manufacturing Company, the former sponsor of the Plan, was acquired by CECO Environmental Corporation (“CECO”).

PLAN MERGER

The Board of directors of CECO on October 22, 2015, approved the merger of the Plan into the CECO Environmental 401(k) Savings and Retirement Plan. Effective January 1, 2016, all the assets of the Plan in the amount of \$12,871,968 were transferred to the CECO Environmental 401(k) Savings and Retirement Plan. Also, in connection with the Plan termination, all participants of the Plan became fully vested in their account balances.

ELIGIBILITY

All employees of the Company who have completed 90 days of service and attained the age of 18 are eligible to participate in the Plan. Entry dates are the first of each month.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS

Participants may contribute up to 70% of their annual compensation as defined in the Plan, but are limited to the maximum dollar amount allowable under the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to IRC limits. Participants may also contribute rollover amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company may make a matching contribution equal to a percentage of the participants' salary deferrals as determined by the Company. For the 2015 Plan year the Company matched 100% of the first 3% and 50% of the next 2% of participants' deferred compensation.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, any Employer contributions, and an allocation of Plan earnings or losses. Participants may direct their account balances into any of the investment options offered by the Plan. Investment earnings or losses applied to a participant's account are based on the units held by the participant in the applicable fund(s). See Administrative expenses below for additional Plan activity impacting participants' accounts.

NOTES RECEIVABLE FROM PARTICIPANTS

Loans may be made to participants at their request subject to certain statutory and Plan limitations on principal and repayment provisions. Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with the prevailing market which is currently at prime plus 2%.

PAYMENT OF BENEFITS

The benefit to which a participant is entitled is the benefit that can be provided from the participant's account balance. Upon death, disability, or retirement, a participant is entitled to receive a single lump-sum payment from the Plan. Upon termination of employment, participants with account balances less than \$1,000 receive a lump sum payment. If the participant's account balance is between \$1,000 and \$5,000 and no election is made by the participant to receive a lump sum payment or roll over the balance to another qualified retirement plan, the Plan will automatically roll over the account balance to an individual

retirement rollover account for the benefit of the participant. If a participant's account balance exceeds \$5,000, the participant may elect to receive a lump-sum distribution for all or a portion of the account balance, stay in the Plan, or roll over to another qualified retirement plan.

VESTING

All participant and Employer contributions and earnings thereon are immediately vested.

FUNDING POLICY

The Company remits employee deferrals and Company matching contributions to the Plan on a bi-weekly basis.

ADMINISTRATIVE EXPENSES

Administrative expenses cover the routine expenses for services of lawyers, accountants, third party administrators, and other advisors. The Plan requires that certain expenses related to the Plan be paid directly by the Employer, but permits certain expenses incurred to administer the Plan to be paid from Plan assets. For the 2015 Plan year, the Plan paid \$2,470 of administrative expenses. Some of the Plan's investments are shares of mutual funds and a common/collective trust managed by affiliates of the Trustee. Additionally, Sub TA and 12b-1 fees charged at the investment fund level are paid as indirect compensation to the Trustee and certain affiliates of the Trustee for investment management and other services. These fees are incorporated into the expense ratios of the Plan's individual funds and paid from fund earnings, thus impacting earnings allocations to participants' accounts. The Trustee may also retain earnings from any funds transferred to a disbursement account for distribution from the Plan or cash awaiting investment (referred to as "float") in the Plan.

NEW ACCOUNTING PRONOUNCEMENTS

In May 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2015-07, "Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or its Equivalent)". The amendments in ASU 2015-07 remove the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. However, sufficient information must be provided to permit reconciliation of the fair value of assets categorized within the fair value hierarchy to the amounts presented in the statements of net assets available for benefits. The amendments also remove the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the net asset value per share practical expedient. The amendments in ASU 2015-07 are effective for the Plan for fiscal years beginning after December 15, 2016, with early adoption permitted. Management elected to early adopt this standard in 2015, and retrospectively present the common/collective trust separately outside of the fair value hierarchy schedule.

In July 2015, the FASB issued ASU 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient. Part I eliminates the requirements to measure the fair value of fully benefit-responsive investment contracts and provide certain disclosures. Contract value is the only required measure for fully benefit-responsive investment contracts. Part II eliminates the requirements to disclose individual investments that represent 5 percent or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type. Part II also simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks. Further, the disclosure of information about fair value measurements shall be provided by general type of plan asset. Part III is not applicable to the Plan. The ASU is effective for fiscal years beginning after December 15, 2015, with early adoption permitted. Parts I and II are to be applied retrospectively. Management has elected to adopt Parts I and II early.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

USE OF ESTIMATES

The presentation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment adviser and custodian. See Note 3 for discussion of fair value measurements.

For purposes of determining realized gains and losses, the Plan uses the average cost method to determine the cost basis of disposed assets. Unrealized appreciation (depreciation) on investments represents the cumulative change in unrealized gains (losses) for the respective years. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

CONTRIBUTIONS

Employer matching and employee salary deferral contributions are included in the income of the Plan in the period for which the contribution is being made. The participants designate what percentage of their contribution, along with the employer match, is allocated to the various funds.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses have been recorded as of December 31, 2015 and 2014.

PAYMENTS OF BENEFITS

Benefits are recorded when paid.

NOTE 3- FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB Accounting Standards Codification ("ASC") 820 are described as follows:

Level 1 Fair Value Measurements

Inputs the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at measurement date.

Level 2 Fair Value Measurements

Inputs other than quoted prices included within Level 1 that are observable for the assets or liabilities, either directly or indirectly such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2015 and 2014:

TRANSFERS BETWEEN LEVELS

For the year ended December 31, 2015, there were no transfers between levels 1 and 2 and no transfers in or out of level 3.

NOTE 3- FAIR VALUE MEASUREMENTS (CONTINUED)

MUTUAL FUNDS

The Plan's mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

COMMON COLLECTIVE TRUST FUND

The common collective trust fund is valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund would sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) could occur daily. Were the plan to initiate a full redemption of the common collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations would be carried out in an orderly business manner.

NOTE 4 - TAX STATUS

The Internal Revenue Service has determined that the prototype 401(k) profit sharing plan sponsored by Merrill Lynch Pierce Fenner & Smith, Inc. is designed in accordance with applicable sections of the IRC and informed the trustee of such in a letter dated March 31, 2008. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC and will take the appropriate action, if any, to ensure that the Plan maintains its qualified status.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, PNC Bank, N.A, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate with respect to investments:

- Investments at fair value
- Notes receivable from participants
- Net depreciation in fair value of investments
- Dividends and interest
- Interest income on notes receivable from participants
