Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Note 1: Description of the Plan

The following description of the Vista Pacifica Enterprises, Inc. 401(k) Profit Sharing Plan I (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement or summary plan description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established October 1, 1993, which was adopted by Vista Pacifica Enterprises, Inc. (the "Company") under the provisions of Section 401(k) of the Internal Revenue Code , and is subject to the requirements of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code of 1986, as amended. On January 1, 2014, Vista Pacifica Enterprises, Inc. 401(k) Profit Sharing Plan II was merged into the Plan.

Eligibility

The purpose of the Plan is to provide retirement benefits for substantially all employees who are a minimum of 21 years of age and have completed one year of service with at least 1,000 hours of service are eligible to participate in the Plan. Employees become eligible to enroll on a semi-annual basis following satisfaction of the eligibility requirements.

Contributions

Participants may elect to contribute up to 100 percent of their annual wages up to a maximum deferral limitation, as defined in the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants may designate their deferrals as Roth deferrals. Participants direct the investment of their contributions into various investment options offered by the Plan.

In accordance with the Plan document, the Company makes safe harbor contributions equal to 3% of Plan compensation. For the Plan year ended December 31, 2015, the Company's safe harbor contributions totaled $116,892. The Plan document also provides for additional discretionary and qualified non-elective contributions. For the Plan year ended December 31, 2015, the Company's discretionary or qualified non-elective contributions totaled $121,416

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1: Description of the Plan (Continued)

Vesting

Participants are immediately vested in their voluntary, rollover, and qualified safe-harbor non-elective contributions plus actual earnings thereon. Vesting in employer discretionary and qualified non-elective contributions plus actual earnings thereon is based on years of continuous service. A participant becomes 100 vested in discretionary and qualified non-elective contributions after three years of service.

Benefit Payments

If a participant's employment ceases as a result of death, or disability, the entire account becomes fully vested and the participant or their beneficiaries are entitled to receive the contents of the account. If participation is terminated for any other reason, the participant is entitled to receive only the vested percentage of the account. Participants or their beneficiaries may elect to receive benefits in a single lump sum, or in installments. All vested account balances not exceeding $5,000 will be immediately distributed in a lump-sum payment. Additionally, upon attaining the age of 60, participants are allowed to withdraw some of their funds from the Plan.

Forfeitures

Forfeitures of the employee's non-vested portion of the Company's discretionary or non-elective contributions are used as directed by the Company. During the year ended December 31, 2015, forfeitures totaling $2,544 were used to pay plan administrative expenses. As of December 31, 2015 and 2014, forfeited non-vested accounts totaled $4,351 and $1,323, respectively, and are included in cash and cash equivalents in the accompanying statements of net assets available for benefits.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee received compensation from the Plan. Investment management fees and operating expenses charged to the Plan for investments in the various funds are deducted from income earned on a daily basis and are reflected as a component of net appreciation (depreciation) on investments.

Note 2: Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). References to the "ASC" hereafter refer to the Accounting Standards Codification established by the Financial Accounting Standards Board ("FASB") as the source of authoritative U.S. GAAP.

Note 2: Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

As further described in Note 9, fair value of the Plan's investments in pooled separate accounts and the stable value fund are measured using the net asset value per share ("NAV") as a practical expedient.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gains and/or losses are reported the day after the trade date.

Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statement of changes in net assets available for benefits as net realized and unrealized losses on investments.

Brokerage fees are added to the acquisition costs of assets purchased and subtracted from the proceeds of assets sold.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The process of preparing financial statements in accordance with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues and gains, and expenses and losses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

New Pronouncements

In May 2015, the FASB issued Accounting Standards Update ("ASU") 2015-07, *"Fair Value Measurement (Topic 820)"*, amending disclosures for investments in certain entities that calculate net asset value per share (or its equivalent). The amendments in this ASU remove the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. The amendments also remove the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the net asset value per share practical expedient. Rather, those disclosures are limited to investments for which the entity has elected to measure the fair value using that practical expedient. The amendments in this ASU are effective for fiscal years beginning after December 15, 2015, and interim periods within those fiscal years. A reporting entity should apply the amendments retrospectively to all periods presented, and early adoption is permitted.

Note 2: Summary of Significant Accounting Policies (Continued)

New Pronouncements (Continued)

The Plan has elected early implementation of ASU 2015-12 and accordingly, has presented these changes retrospectively.

In July 2015, the FASB issued ASU 2015-12, *"Plan Accounting: Defined Benefit Pension Plans (Topic 960); Defined Contribution Pension Plans (Topic 962); and Health and Welfare Benefit Plans (Topic 965)"*, which amends the reporting and disclosure requirements relating to fully benefit-responsive investment contracts; plan investment disclosures; and measurement date practical expedient. This ASU was issued by the FASB to reduce complexity in employee benefit plan accounting and make the investment disclosure requirements under Topics 820, 960, 962 and 965 for employee benefit plans more effective to financial statement users. The amendments in this ASU are effective for fiscal years beginning after December 15, 2015, earlier application is permitted. The Plan has elected early implementation of ASU 2015-12 and accordingly, has presented these changes retrospectively.

Note 3: Concentrations, Risks, and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 4: Information Prepared and Certified by John Hancock

Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2015 and 2014, and net appreciation (depreciation) on investments for the year ended December 31, 2015, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the John Hancock, the custodian of the Plan.

Note 5: Withdrawn Participants

At December 31, 2015 and 2014, there were no amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not been paid.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, all participants would become fully vested in their accounts.

Note 7: Tax Status

The Plan is based on the Prototype Defined Contribution Volume Submitter Plan and Trust with Tru-Retirement Inc. which received a determination letter from the Internal Revenue Service dated November 30, 2014, stating that the Prototype Plan was designed in accordance with the provisions of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. The related trust, therefore, is not subject to tax under present income tax law.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2012.

Note 8: Parties-In-Interest

The investments in pooled separate accounts and the stable value fund are managed by John Hancock which is the custodian, as defined by the Plan, and therefore, these investments qualify as party-in-interest transactions.

Note 9: Net Asset Value per Share (NAV)

The Plan's pooled separate account and stable value fund investments are stated at net asset value at December 31, 2015 and 2014. Each unit in these accounts invests directly in a unit of the mutual fund. Unit values are calculated based on the observable NAV of the underlying investment in the mutual fund.

The following table for December 31, 2015 sets forth a summary of the Plan's investments whose fair value is estimated using NAV (or its equivalent) as a practical expedient:

	Fair Value	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Pooled Separate Accounts	$ 2,499,438	None	Daily	None	None
Stable Value Fund	118,464	None	Daily	None	None

Note 9: Net Asset Value per Share (NAV) (Continued)

The following table for December 31, 2014 sets forth a summary of the Plan's investments whose fair value is estimated using NAV (or its equivalent) as a practical expedient:

	Fair Value	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Pooled Separate Accounts	$2,293,709	None	Daily	None	None
Stable Value Fund	103,660	None	Daily	None	None

Note 11: Reclassifications

Certain reclassifications have been made to the 2014 financial statements in order to conform with the current year presentation.

Note 12: Subsequent Events

Events occurring after December 31, 2015, have been evaluated for possible adjustment to the financial statements or disclosure as of October 17, 2016, which is the date the financial statements were available to be issued.
