NOTE A - DESCRIPTION OF PLAN

The following description of the Phoenix Packaging Operations, LLC 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan, a 401(k) defined contribution plan, was originally adopted in 2010, and is intended to provide participants with future retirement benefits for those who meet the eligibility requirements as defined by the Plan. The Plan covers substantially all employees of Phoenix Packaging Operations, LLC (the "Company") who have attained the age of 21. Employees are eligible to participate immediately upon hire, provided they meet the age requirement, and must work 1,000 hours to earn a year of credited service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective February 1, 2014, the Plan was amended and restated, and the following changes became effective:

- The Plan name was changed from Phoenix Packaging Operations, LLC 401(k) Profit Sharing Plan and Trust, to Phoenix Packaging Operations, LLC 401(k) Profit Sharing Plan.
- John Hancock Life Insurance Company became the Plan's custodian, replacing Mid Atlantic Trust Company.
- Eligible employees must work two consecutive months and at least 1,000 hours.
- The Plan adopted automatic enrollment for employees once they meet the eligibility requirements. The automatic deferral election is 3.00% for participants who do not formally enroll in the Plan.

Plan administration

An administrative committee appointed by Phoenix Packaging Operations, LLC, as Plan Sponsor, administers the Plan. The Plan's assets are currently maintained and managed by John Hancock Life Insurance Company as custodian.

Contributions

Participants in the plan may contribute a percentage of their pre-tax annual compensation, as defined by the Plan, up to an established Internal Revenue Code ("IRC") maximum amount of $18,000 for 2015 and $17,500 for 2014, respectively. Participants are also

allowed to contribute amounts representing distributions from other qualified plans (rollover contributions). Participants who have obtained the age of 50 are eligible for catch-up contributions and may contribute an additional $6,000 in 2015 and $5,500 in 2014, respectively. And lastly, participants are allowed to make Roth contributions.

The employer, at its discretion, may make matching contributions of participant deferrals, or a profit sharing contribution to be allocated to all eligible participants. For the year ended December 31, 2014, the employer's discretionary match was 100% of the employee's first 3.00% of deferrals and 50% of the employee's next 2.00% of deferrals, for a total maximum employer match of 4.00%. The matching formula was the same during the year ended December 31, 2015, except the board at its discretion, discontinued employer matching contributions effective February 1, 2015.

Forfeitures

Forfeitures can only be used to reduce employer contributions. As of December 31, 2015 and 2014, there were $58,730 and $9,790, respectively, in forfeitures available to reduce future employer contributions.

Participant accounts

Each participant's account is credited with the participant's contribution, including rollover contributions, and allocations of (a) the employer's contribution, and (b) Plan earnings, and charged with in-service distributions (as applicable) and an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their own contributions, including rollover contributions, plus actual earnings thereon. Participants become fully vested in employer contributions, and earnings thereon is based on a three-year cliff vesting schedule.

Additionally, participants become 100% vested in their account balance, including employer contributions, upon death or permanent disability.

NOTE A - DESCRIPTION OF PLAN, CONTINUED

Payment of benefits

Termination - Upon termination of service, a participant may elect to receive a lump-sum payment equal to the value of the participant's vested interest in his account.

In-service - Participants may request in-service distributions upon attaining the age of 59 1/2. In-service distributions can only be made from accounts in which the participant is 100% vested. The Plan does not allow hardship distributions.

Death and permanent disability - Participants are eligible to receive a lump-sum distribution immediately upon death or permanent disability.

Additionally, the employer may initiate an involuntary automatic rollover distribution for any participant, who upon termination, has a vested balance under $5,000.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of the plan termination, participants become 100% vested in their account balances.

Normal retirement

A participant is entitled to a benefit at the date of actual retirement and attainment of age 65, as defined, equal to 100% of the balance in the respective participant's account as of the date of distribution. Until a participant actually retires from the employer, the retirement benefit is not to be paid and the participant continues to be treated in all respects as a participant.

Early retirement

Upon reaching age 59 1/2, a participant may apply to the plan administrator (but not more than once during any 12-month period) for a lump-sum distribution of any portion of the participant's accounts to the extent such accounts are fully vested.
