Ladies and Gentlemen:

We are providing this letter in connection with your audit of the financial statements of the DEHCO, Inc. Profit Sharing Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2015, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements. We understand that, at our instruction, you did not perform any audit procedures with respect to information prepared and certified to by Alerus Financial, N.A. and Ascensus as Agent for Ascensus Trust Company, the custodians in accordance with the Department of Labor's ("DOL's") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA") (DOL Regulation 2520.103-8), other than comparing such information to the financial statements and supplemental schedule as of and for the year ended December 31, 2015. Because of the significance of the information that you did not audit, we understand that you will not express an opinion on the Plan's financial statements and supplemental schedule taken as a whole.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, make it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm, to the best of our knowledge and belief, as of the date of this representation letter, as entered on the first page, the following representations made to you during your audit:

- (1) We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated December 8, 2015, for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America. The notes to the Plan's financial statements include all disclosures required by laws and regulations to which the Plan is subject. The Plan's supplemental schedule is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- (2) We acknowledge our responsibility for the presentation of the Schedule of Assets (Held at End of Year) in accordance with the applicable criteria and we believe the supplemental schedule, including its form and content, is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation have not changed from those used in the prior period and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedule.
- (3) We have fulfilled our responsibility, as set out in the terms of the aforementioned audit engagement letter, for the design, implementation, and maintenance of internal control to prevent and detect fraud.
- (4) We have made available to you all:

Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of FASB ASC 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of DEHCO, Inc. Profit Sharing Plan, which comprise the statements of net assets available for benefits as of December 31, 2015, the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Alerus Financial, N.A. from January 1, 2015 to December 31, 2015 and Ascensus as Agent for Ascensus Trust Company from December 1, 2015 to December 31, 2015, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian held the Plan's investment assets and executed investment transactions. The plan administrator has obtained certifications from the custodian as of and for the year ended December 31, 2015, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these 2015 financial statements.

Other Matter - Supplemental Schedule

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2015 is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Other Matter - 2014 Financial Statements

The 2014 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any procedures with respect to the information certified by the custodian. Their report, dated July 29, 2015, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the financial statements, and (b) the form and content of the information included in the financial statements other than that derived from the certified investment information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2015 financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

December 31, 2015 and 2014

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the DEHCO, Inc. Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan agreement for more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering substantially all employees of DEHCO, Inc. (the "Company") who have reached the age of eighteen and have completed at least 6 months of service. It is subject to Section 401(k) of the Internal Revenue Code and the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

CONTRIBUTIONS

Each year, participants may contribute up to the maximum allowed under the Internal Revenue Code ("IRC"), as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also rollover funds from another qualified plan. In addition, the Company contributes a discretionary matching contributions. For the year ended December 31, 2015, the Company match was equal to 100% of the first 3% of employee salary deferrals and 50% of the next 2% of employee salary deferrals. The Company also has the option to make a discretionary profit sharing contribution. No discretionary profit sharing contribution was made for the year ended December 31, 2015. Participants direct the investment of their contributions into various investment options offered by the Plan.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contributions, and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, contributions or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their accounts.

NOTES RECEIVABLE FROM PARTICIPANTS

The Plan provides that participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50 percent of their vested account balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest at rates that are 1% above the prime rate as published by the Wall Street Journal. Principal and interest is paid ratably through payroll deductions.

PAYMENT OF BENEFITS

Upon separation of service for any reason, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or periodic installments. Withdrawals may also be made when a participant attains age 59 1/2 or demonstrates financial hardship.

December 31, 2015 and 2014

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting.

ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 8 for discussion of fair value measurements.

Purchases and sales of the investments within the Plan are reflected on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NEW ACCOUNTING PRONOUNCEMENTS AND RECLASSIFICATIONS

In May 2015, the Financial Standards Accounting Board (FASB) issued Accounting Standards Update (ASU) 2015-07, Fair Value Measurement. ASU 2015-07 amends ASC Topic 820 and removes the requirements to categorize within the fair value hierarchy those investments for which fair value is measured using the net asset value per share as a practical expedient. ASU 2015-07 also removes the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the net asset value per share practical expedient, and limits those disclosures for investments for which the entity has elected to measure the fair value using that practical expedient. The guidance in ASU 2015-07 is effective for the Plan's year ending December 31, 2017; however, the Plan chose to early adopt this new guidance for the year ended December 31, 2015. ASU 2015-07 is applied retrospectively.

In July 2015, the FASB issued ASU 2015-12, Plan Accounting. ASU 2015-12 amends ASC Topic 962 to only measure, present, and disclose fully benefit-responsive contracts at contract value. ASU 2015-12 also removes the requirement to disclose individual investments that represent 5 percent or more of net assets available for benefits, removes the requirement to disclose the net appreciation or depreciation by general type, and requires investments to be grouped only by general type. The guidance in ASU 2015-12 is effective for the Plan's year ending December 31, 2016; however, the Plan chose to early adopt this new guidance for the year ended December 31, 2015. ASU 2015-12 is applied retrospectively.

The adoption of ASU 2015-07 and ASU 2015-12 eliminated the disclosure of the investments that were more than 5 percent of net assets available for benefits and the breakdown of net appreciation (depreciation) in Note 3. Since the collective trust is valued using the practical expedient, the collective trust investment is no longer classified by level within the fair value hierarchy in Note 8. There was no impact to the Statement of Net Assets Available for Benefits or the Statement of Changes in Net Assets Available for Benefits.

NOTES TO FINANCIAL STATEMENTS

December 31, 2015 and 2014

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

OPERATING EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Other fees related to the administration of the Plan are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTE 3 - INVESTMENTS (UNAUDITED)

Alerus Financial, N.A. from January 1, 2015 to December 31, 2015 and Ascensus as Agent for Ascensus Trust Company from December 1, 2015 to December 31, 2015, custodian of the Plan, held the Plan's investments and executed transactions during the plan year. In accordance with the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and regulations for Reporting and Disclosure under ERISA, the plan administrator has obtained certifications from the custodian with respect to the completeness and accuracy of the investment information, notes receivable from participants, and related income prepared and provided by the custodian. This investment information, notes receivable from participants, and related income which is included in the accompanying 2015 and 2014 financial statements and supplementary schedule is based on information provided by the custodians and has not been audited by the independent auditors of the Plan.

NOTE 4 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The Plan is not charged for administrative services performed on its behalf by employees of the Company. Some fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments. The Plan paid other recordkeeping and administration fees in the amount of \$21,498 to the custodians for the year ended December 31, 2015, which also qualify as party-in-interest transactions.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

DEHCO, INC. PROFIT SHARING PLAN

Elkart, Indiana

NOTES TO FINANCIAL STATEMENTS

December 31, 2015 and 2014

NOTE 6 - TAX STATUS

The Plan used a volume submitter plan document sponsored by Alerus Financial, N.A. Alerus Financial, N.A. received an opinion letter from the IRS dated March 31, 2014, which states that the volume submitter document satisfies the applicable provisions of the IRC. Effective, December 1, 2015, the Plan was restated using a plan document sponsored by Ascensus, Ascensus received an opinion letter from the IRS dated March 31, 2014. The Plan itself has not received a determination letter from the IRS, however, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2015, no uncertain positions are taken or are expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2012.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, liquidation, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

DEHCO, INC. PROFIT SHARING PLAN

Elkart, Indiana

NOTES TO FINANCIAL STATEMENTS

December 31, 2015 and 2014

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2015 and 2014.

- *Mutual Funds*. Valued at the published daily net asset value (NAV) of shares held by the Plan at year-end. The mutual funds held by the Plan are deemed to be actively traded.
- *Money Market Fund*. Valued using the amortized cost method as permitted by Rule 2a-7 under the Investment Company Act of 1940, which approximates their fair value.
- *Collective Trust Fund*. Valued at the net asset value of units of a bank collective trust. The NAV, as provided by the trustee of the collective trust, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The collective trust investment objective is stability of principal and high current income. Subject to certain restrictions, participants' transactions (purchases and sales) may occur daily for a benefit payment, for a participant loan, an employee direct transfer to another non competing investment in the plan, or paying company fees. For other purposes a 12 month advance written notice must be provided to Federated Investors Trust Company. The collective trusts primarily invest in guaranteed investment contracts, security-backed investment contracts and separate account products of insurance companies. Certain events may limit the ability of the Plan to transact at NAV with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (3) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at NAV with participants are probable of occurring.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
