Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Charles Schwab Bank, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended January 31, 2016 and 2015, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of assets held for investment purposes as of January 31, 2016 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PROFIT SHARING/401(K) PLAN

Notes to Financial Statements

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Cohen & Company Profit Sharing/401(K) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees of Cohen Sequoia Enterprises, Ltd., (the Plan Sponsor) and affiliated employers including Cohen & Company, Ltd., Sequoia Financial Group, LLC, Sequoia Financial Advisors, LLC, Cohen & Company Marketing Associates, Ltd., and Cohen Fund Audit Services, Ltd. (collectively, the Company). Certain employees covered under similar plans are not eligible. Employees who have three continuous months of employment and are age twenty-one or older may participate in the 401(K) portion of the Plan. All employees are eligible to participate in the profit sharing portion of the Plan from date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The trustees are responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the trustees.

Contributions

Each year 401(K) participants may contribute a percentage of pretax annual compensation as defined in the Plan up to the maximum allowed by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6 percent of eligible compensation and their contributions invested in a designated targeted fund until changed by the participant. The Company contributes a matching contribution equal to one-third of the participant's deferral up to 6% of compensation. Profit sharing amounts may be contributed at the option of the Company.

Participant Accounts

Each participant's account is credited with the participant's contribution, allocation of the Company's contribution and all earnings and losses on the participant's selected investments. Each account is also charged with fees and investment expenses for selected investments and for participant notes receivable, as applicable. Profit sharing contributions are allocated using the grouping method where participants are assigned to a group which will share in the profit sharing contribution (if any) made for that group.

PROFIT SHARING/401(K) PLAN

Notes to Financial Statements

NOTE 1 - DESCRIPTION OF PLAN – (Continued)

Participant Accounts – (Continued)

The profit sharing is cross-tested with a related plan to ensure contributions overall meet requirements. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's matching and discretionary contributions plus actual earnings thereon is based on years of service. A participant is 100 percent vested after six years of credited service. The vesting is based on a 2-20 graded vesting schedule.

Investment Options

Upon enrollment in the Plan, a participant may direct the investment of their contributions in a wide variety of mutual funds or a stable value fund. Participants may change their investment options daily.

Notes Receivable from Participants

Participants may borrow from their fund accounts a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant notes fund. Loan terms range from one to five years or higher for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Interest rates range from 4.25 percent to 7.25 percent. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period not to exceed the participant's life expectancy (or the expectancy of the participant and his or her designated beneficiary). For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Participants who suffer serious financial hardship, as defined by the Plan, may withdraw a portion of their vested account in order to meet their financial needs. Once participants attain age 59-1/2, they may also elect to withdraw from their account, any amount not to exceed their vested portion.

NOTE 1 - DESCRIPTION OF PLAN – (Continued)

Forfeited Accounts

Forfeited non-vested accounts are used to reduce employer contributions or pay expenses of the Plan. Forfeitures for the years ended January 31, 2016 and 2015 were \$44,150 and \$15,114, respectively.

During the years end January 31, 2016 and 2015, accumulated forfeitures were applied as follows:

	<u>2016</u>	<u>2015</u>
Reduce match	\$ 25,893	\$10,972

At year end, the balance in the forfeiture account was \$33,760 and \$15,522 for 2016 and 2015, respectively. Employer contributions receivable are recorded net of the anticipated forfeitures to be applied (for 2016 \$37,275 applied to the match.)

Amounts Allocated to Withdrawing Participants

At January 31, 2016, and 2015 net assets available for benefits included \$8,576 and \$89,634 for withdrawing participants which were distributed in February 2016 and 2015, respectively.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Change in Accounting Principle

During 2016, the Plan adopted Accounting Standards Update (ASU) No. 2015-12 relating to the measurement of fully benefit-responsive investment contracts and investment disclosures. The fully benefit-responsive investment contract was previously measured at fair value with an adjustment to the contract value on the statement of net assets available for benefits. Due to this change in accounting principle being required to be implemented retrospectively, the investment contract is measured at contract value on the statement of net assets available for benefits, effective February 1, 2014.

COHEN & COMPANY
PROFIT SHARING/401(K) PLAN

Notes to Financial Statements

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES – (Continued)

Change in Accounting Principle – (Continued)

The investment disclosures were previously required to include 1) the disaggregation of the fair value of investments by type and class, 2) investment appreciation (depreciation) in fair value by general type, and 3) individual investments with a value equal to or greater than 5% of net assets available for benefits. Due to this change in accounting principles being required to be implemented retrospectively, effective February 1, 2014 the footnotes no longer include the above investment disclosures.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and as assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's mutual funds are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by its investment advisers and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment in Common Collective Trust

The Plan offers as an investment option a stable value fund which is a collective investment trust that is invested entirely in a Met Life Group Annuity contract. The fund is recorded at the estimated contract value, as provided by Met Life.

Notes Receivable from Participants

Participant notes receivable are reported at their unpaid principal balances, plus accrued but unpaid interest, if any. No allowance for credit losses has been recorded as of January 31, 2016 or 2015. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES – (Continued)

Excess Contributions Payable

Amounts payable to participants totaling \$1,997 and \$1,044 for excess matching contributions are recorded as accounts payable and reflected in corrective distributions for 2016 and 2015 respectively. In conjunction with a review and restatement of the Plan, prior years re-testing was completed and resulted in additional corrective distributions (\$10,048 paid by the Plan and included in corrective distributions) and a QNEC (\$19,548 paid by the sponsor and included in other employer contributions) in January 2015.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Date of Management's Review

Subsequent events were evaluated through November 14, 2016, which is the date the financial statements were available to be issued.

NOTE 3 - INVESTMENTS

The January 31, 2016 and 2015 Statements of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the years then ended, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Trustee in accordance with 29 CFR2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of \$20,850,279 and \$20,360,936, and participant notes receivable (exclusive of accrued interest) of \$240,426 and \$230,160 at January 31, 2016 and 2015 respectively, and related cash-basis investment income (loss) of \$(1,182,125) and \$1,490,376 for the years then ended.

	<u>\$ (2,251,312)</u>	<u>\$ 516,112</u>

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value accounting literature establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

COHEN & COMPANY
PROFIT SHARING/401(K) PLAN

Notes to Financial Statements

NOTE 4 - FAIR VALUE MEASUREMENTS – (Continued)

Level 2 Inputs to the valuation methodology include:

- ♦ Quoted prices for similar assets or liabilities in active markets;
- ♦ Quoted prices for identical or similar assets or liabilities in inactive markets;
- ♦ Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at the price. The mutual funds held by the Plan are deemed to be actively traded.

Assets measured at net asset value or at fair value on a recurring basis as of January 31, 2016 and 2015 were as follows:

	2016	2015
	<u>Level 1</u>	<u>Level 1</u>
Mutual funds	\$ 20,850,279	\$ 19,521,778

The preceding method described may produce an amount that may not be indicative of net realizable value or reflective of future fair values. The Investment Committee determines the Plan's valuation policies. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

COHEN & COMPANY
PROFIT SHARING/401(K) PLAN

Notes to Financial Statements

NOTE 5 - STABLE VALUE FUND

The Plan offers as an investment option a stable value fund. The fund is a collective investment trust: The Reliance Trust Stable Value Fund, a common collective trust invested entirely in a Met Life Group Annuity Contract. This fund seeks to provide a stable rate of return with preservation of principal and liquidity as the primary objective, by investing primarily in investment contracts issued by insurance companies, banks and other financial institutions.

Because the contract is fully benefit-responsive, meaning participants ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fund.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting. The average yield and crediting interest rates for funds held at year end and were as follows:

	<u>2016</u>	<u>2015</u>
Average yield	0.9%	5.17%
Crediting interest rate	2.71%	2.49%

Certain events, such as premature termination of underlying contracts by the fund or termination of the Plan, could limit the Plan's ability to transact at contract value with the fund. The fund and plan administrator believe the occurrence of such event that would also limit the Plan's ability to transact at contract value with plan participants is not probable.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants will become 100 percent vested in their accounts.

NOTE 8 - TAX STATUS

The Plan obtained its latest determination letter on July 31, 2012, in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code.

Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan files Form 5500, Annual Return/Report of Employee Benefit Plan, in compliance with DOL and IRS regulations. The returns for the years ending January 31, 2012 and subsequent are subject to examination by the IRS, generally three years after filing. For DOL purposes, the returns are subject to review for six years after filing.

NOTE 9 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain administrative functions are performed by officers or employees of the Company or its affiliates. No such officer or employee receives compensation from the Plan.

The recordkeeper for the Plan is Schwab Retirement Plan Services, Inc., an affiliate of Charles Schwab Bank which is a trustee with respect to the Plan. Schwab fees paid directly by the Plan totaled \$1,270 and \$850 for the years ended January 31, 2016 and 2015, respectively. In addition, Charles Schwab Bank and related affiliate(s) may receive indirect compensation from mutual fund companies.

All these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 10 – TRANSFERS TO ANOTHER PLAN

Effective February 2012 the Plan amended its definition of eligible employees to exclude certain employees to be covered under a separate profit sharing plan also maintained by the sponsor. Assets held for these employees were transferred to the new plan in January 2013. Additionally each year eligible employees may elect to continue participating in the Plan or elect to transfer assets to the other plan maintained by the sponsor. Once an election is made, it is irrevocable and the participant is no longer eligible to participate in this Plan. In accordance with Plan provisions, these employees do not contribute to the Plan during the year.

Approximately \$10 million of assets have been rolled over into the Plan as a result.
