NOTES TO FINANCIAL STATEMENTS

THE YOUNGSTOWN NEWSPAPER GUILD – VINDICATOR PRINTING COMPANY EMPLOYEES' RETIREMENT INCOME PLAN (003)

February 29, 2016 and February 28, 2015

NOTE A - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in accordance with the accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein; disclosure of contingent assets and liabilities; and the actuarial present value of accumulated plan benefits at the date of the financial statement, and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by its investment advisers, custodians, and insurance company. See Note D for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits:

Benefit payments to participants are recorded upon distribution.

Administrative Expenses:

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes of net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Subsequent Events:

The Plan has evaluated subsequent events through December 1, 2016, the date the financial statements were available to be issued.

Reclassifications:

Certain minor reclassifications were made to the February 28, 2015 financial statements in order to conform them to the February 29, 2016 presentation.

NOTES TO FINANCIAL STATEMENTS

THE YOUNGSTOWN NEWSPAPER GUILD – VINDICATOR PRINTING COMPANY EMPLOYEES' RETIREMENT INCOME PLAN (003)

February 29, 2016 and February 28, 2015

NOTE B - DESCRIPTION OF PLAN

General:

The Plan is a defined benefit pension plan incident to a pension agreement and amendments between The Vindicator Printing Company, Inc. and the Youngstown Newspaper Guild, a Local (No. 11) chartered by The Newspaper Guild – Communications Workers of America, AFL-CIO. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Any employment with the Company for which the Company makes contributions to the Plan is "Covered Employment" under the Plan. The Company's contributions to the Plan are governed by the collective bargaining agreement between the Company and the Guild.

Participant's Accounts:

Benefit provisions use "Credited Service" to determine the amount of the pension under the Plan. The service consists of three parts:

1. Credited Service Prior to March 1, 1972, the effective date of the Plan, is granted only if the employee is in the bargaining unit of the Guild on March 1, 1972. This service would be equal to the period of full-time employment with the Company prior to March 1, 1972, determined to the nearest month.
2. Credited Service during the period from March 1, 1972 to March 1, 1976 is counted at the rate of one year for each year of full-time employment while in the bargaining unit of the Guild, determined to the nearest month. During this period, proportionate deductions are made for certain unpaid leaves of absence, layoffs and other disqualifying absences.
3. Credited Service during March 1, 1976 and July 1, 2011 is earned based on the period of periods of covered employment, determined to the nearest month. During this period, proportionate deductions are made for certain leaves of absence, layoffs and other disqualifying absences, but only for that portion of the period of absence which is in excess of one year. Credited service includes the period or periods of any leaves of absence for personal sickness, Guild business, technical training, military service or absence because of Company compensable injuries or sickness.

Funding Policy:

The Plan's funding policy is for the Company to contribute an amount which will meet or exceed the annual ERISA minimum funding requirement. During February 29, 2016 and February 28, 2015, the Company made contributions of \$40,068 and \$41,118, respectively. The Company's contributions for February 29, 2016 and February 28, 2015 have exceeded the minimum funding requirements of ERISA.

NOTE B - DESCRIPTION OF PLAN (CONTINUED)

Pension Benefits:

The benefits of the Pension Plan are provided primarily for the purpose of providing financial security upon retirement. Accordingly, benefits may not be assigned and are not subject to garnishment, attachment or other legal process to creditors. However, under a qualified domestic relations order, all or a portion of the benefits payable to a participant may be assigned to an alternative payee under procedures established by the Plan Administration Committee. These procedures will be available to a participant upon the receipt by the Plan Administration Committee of notification that a domestic relations order is going to be obtained. A domestic relations order is any judgment, decree, or order (including approval of property settlement agreement) that relates to the provision of child support, alimony payments, or marital property rights to a spouse, former spouse, child or other dependent of the participant that is made pursuant to a state domestic relations law.

The Pension Plan benefits consist of 1.3% of the average monthly compensation multiplied by credited service (not in excess of 30 years). The Plan benefit is reduced by any benefit payable from the Equitable Group Annuity Contract (No. 643).

Effective July 2, 2011, the Company has chosen to freeze the accrual of pension benefits and to close participation. While the Company has not expressed any intent to discontinue contributions or terminate the Plan, it has the right to do so under the Plan, the net assets are to be allocated in accordance with the plan documents.

The participant's pension benefits under the Pension Plan are insured by the Pension Benefit Guaranty Corporation (PBGC), a federal insurance agency. If the Pension Plan terminates (ends) without enough money to pay all benefits, the PBGC will step in to pay pension benefits. Most participants receive all of the pension benefits they would have received under the Pension Plan, but some participants may lose certain benefits. The PBGC guarantee generally covers normal and early retirement benefits and certain benefits for the participant's survivors.

For a more detailed explanation of the information listed above, please refer to the Summary Plan Description which has been made available.

NOTE C - FUNDING AND ACTUARIAL DATA (CONTINUED)

Reconciliation of Present Value of Accumulated Benefits

1) Present value of accumulated benefits as of February 28, 2015	\$ 4,842,161
2) Changes during the year due to:	
a. Benefits accumulated	\$ -
b. Actuarial (gains)-losses	(92,030)
c. Decrease in the discount period	349,903
d. Actual benefits paid	(353,584)
e. Assumption changes	174,248
f. Plan amendments	-
g. Net increase-(decrease)	<u>\$ 78,537</u>
3) Present value of accumulated benefits as of February 29, 2016	<u>\$ 4,920,698</u>

The actuarial present values of accumulated plan benefits and the unfunded actuarial liability were calculated by Towers Watson, consulting actuaries, as of March 1, 2016 and 2015, respectively. The actuarial present value of accumulated plan benefits was determined on a "going concern" basis, based on each participant's age, service and estimated average salary at the indicated dates. The actuary's methods and assumptions include: the entry age normal actuarial cost method; life expectancy of participants (1983 Group Annuity Table); assumed retirement age 65, or attained age, if later; interest rates of 6.08% and 6.28%, respectively, to calculate current liability; investment rate of return of 7.50% for each period; and cost value of assets, as reported by SunTrust Bank. If the Plan was terminated, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits.

The pension benefits are fully funded by employer contributions to the pension trust fund. The actuarial valuations indicated that the money contributed to the Plan exceeded ERISA minimum funding requirements.

NOTE D – FAIR VALUE MEASUREMENT

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurements authoritative literature establishes a fair hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There are only Level 1 investments in the Plan.

NOTE E – INVESTMENTS (CONTINUED)

During 2016 and 2015, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by (\$442,274) and (\$111,282), respectfully, as follows:

	February 29 2016	February 28 2015
Equity Securities	\$ 2,470	\$ (227)
Mutual Funds	(444,744)	(111,055)
	<u>\$ (442,274)</u>	<u>\$ (111,282)</u>

NOTE F – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risk, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such change could materially affect the amounts reported in the Statement of Net Assets Available for Benefits.

Plan contributions are made, and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimates and assumptions in the near term would be material to the financial statements.

NOTE G - INCOME TAX STATUS

The Plan has requested a new determination letter on October 5, 2015. The latest obtained determination letter is from September 23, 2002, in which the Internal Revenue Service states that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. The federal tax returns of the Plan for 2012 and subsequent plan years are open for examination by the Department of Labor.

NOTE H – RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

During the plan year ended February 29, 2016, the Plan paid administrative expenses of approximately \$115,656. Of this amount, \$31,626 was paid to SunTrust Bank for the trustee fee. \$37,134 was paid to The Vindicator Printing Company for reimbursement of the PBGC premium that the company paid on the Plan's behalf. \$37,896 was paid to Towers Watson for their actuary fee. \$9,000 was paid to Wm G. Barth & Associates for their auditing fees.

Covered pay	Compensation paid after July 2, 2011 for purposes of determining a participant's Average Monthly Compensation shall be disregarded.
Administrative expenses	The amount included this year for administrative expenses is \$61,449.
