CCH 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2015

NOTE 1 – DESCRIPTION OF PLAN

The following description of CCH 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan open to substantially all employees of CV Healthcare, LLC, HP Healthcare, LLC and CL Healthcare, LLC (collectively the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: To be eligible to participate in the Plan, an employee must be 21 years of age or older. Employees may enter the Plan on the first day of the month following fulfillment of the age requirement.

Contributions: Participants may make voluntary pre-tax or after-tax (Roth) contributions, by means of a salary deferral agreement, of up to 100% of their compensation, subject to IRS limitations. Plan participants over the age of 50 are allowed to make additional pre-tax and Roth catch-up contributions to a maximum of $6,000 in 2015. The Plan also permits rollover contributions from other qualified retirement plans. Participants direct the investment of contributions into various investment options offered by the Plan. The Company may make discretionary matching contributions which are determined annually. There were no discretionary matching contributions made to the Plan during 2015.

Certain participants in the Plan are covered by a collective bargaining agreement (“CBA”) between the Company and the Service Employees International Union District 1199. This CBA requires the Company to make matching contributions for the employees covered by the CBA in an amount equal to 25% of employee deferrals contributed on a pre-tax basis, up to 4% of gross compensation for the year. This agreement expires in June 2019.

Employer matching contributions totaling $857 resulted solely from employees covered by the CBA at December 31, 2015, and have been recorded as a receivable on the statement of net assets available for benefits. The Company made the required employer matching contributions under this collective bargaining agreement in November 2016.

Participant accounts: Each participant’s account is credited with the participant’s contributions and an allocation of (a) the Company’s contributions, if any, and (b) plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting: Participants are immediately vested in their voluntary contributions, plus actual earnings thereon.

Participants become vested in discretionary and CBA employer matching contributions plus actual earnings thereon according to the following schedule:

Years of Service	Vesting
1	20%
2	40%
3	60%
4	80%
5	100%

Additionally, participants are immediately fully vested upon death, disability, or reaching the Normal Retirement Age of 65.

Forfeitures: Matching contributions may be forfeited by participants who terminate employment prior to meeting the years of service requirement described above. These forfeitures may be used by the Plan to pay administrative expenses or to reduce the amount of future employer matching contributions payable to the Plan. There were no forfeitures of Participant balances in the period ending December 31, 2015.

Participant notes receivable: The Plan allows participants to obtain loans from the Plan. These loans are subject to the following general provisions: the maximum amount of loans outstanding is equal to the lesser of $50,000 or 50% of the participant's account balance with a minimum of $1,000. The term of any loan may not exceed five years unless the purpose of the loan is to purchase the participant's primary residence, in which case the loan is limited to a term of fifteen years. The loans are secured by the participant's entire account balance or by other collateral agreed to by the trustee. The interest rate for each loan is based on the bank's prime lending rate on the first day of the month the loan is issued (3.50% at December 31, 2015) plus 1.00%. No loans were issued by the Plan during the period ended December 31, 2015.

If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of benefits: Upon termination of service due to death, disability or retirement, a participant, depending on their age, may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or payment in annual installments not to extend past the lives or life expectancies of the participant and beneficiaries. Lump sum distributions are required if the vested balance is $5,000 or less. The Plan permits in-service withdrawals for participants who have attained age 59½ or have become disabled. In case of hardship, a participant may apply for a distribution as described in the Plan agreement.

Administrative expenses: All third-party administrative expenses are paid by the Plan, unless otherwise paid for by the Company. In 2015, the administrative expenses paid for by the Plan included recordkeeping and investment consulting fees and are included in the statements of changes in net assets available for benefits.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Participant notes receivable: Participant notes receivable are recorded at their unpaid principal balance plus any accrued but unpaid interest.

Benefit payments: Benefit payments to participants are recorded when paid.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3, *Fair Value Measurements*, for discussion of fair value measurements.

Purchases and sales of investments, including gains or losses, are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the period.

New accounting pronouncements: In July 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965): Part (I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient*. This three-part standard simplifies employee benefit plan reporting with respect to fully benefit-responsive investment contracts and plan investment disclosures, and provides for a measurement date practical expedient. Parts I and II are effective for fiscal years beginning after December 15, 2015 and must be applied retrospectively, with early application permitted. Part III is effective for fiscal years beginning after December 15, 2015 and should be applied prospectively, with early application permitted.

Management has elected to adopt Part II for the Plan year ended December 31, 2015. Parts I and III are not applicable to this Plan.

Subsequent events: In preparing these financial statements, Plan management has evaluated events and transactions for potential recognition or disclosure through December 8, 2016, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 **–** inputs to the valuation methodology include:

a) Quoted prices for similar assets or liabilities in active markets;
b) Quoted prices for identical or similar assets or liabilities in inactive markets;
c) Inputs other than quoted prices that are observable for the asset or liability;
d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 **-** inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2015.

1. *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2015. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2015			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 31,301	$ -	$ -	$ 31,301

For the period ended December 31, 2015, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

NOTE 4 – INCOME TAX STATUS

The trust established under the Plan, which holds the Plan's assets, is qualified pursuant to the appropriate section of the Internal Revenue Code, and accordingly, the trust's net investment income is exempt from income taxes. The Plan has adopted an Internal Revenue Service approved prototype plan. The prototype plan has received a favorable opinion letter from the IRS that it qualifies under IRS Code section 401(a), provided all terms of the plan are followed. No amendments were made to the prototype plan during the period ended December 31, 2015. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 5 – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Great-West Trust Company, the trustee of the Plan:

Investments, at fair value	$	31,301
Change in net assets:		
Interest and dividends		1,657
Net depreciation in fair value of investments		(2,283)

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

The Plan may issue notes receivable to participants which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions**.** There were no outstanding loans as of December 31, 2015.

Certain Plan investments consist of mutual funds managed by Great-West Life & Annuity Insurance Company. Great-West Life & Annuity Insurance Company is an affiliate of Great-West Trust Company, the trustee of the Plan, and therefore these investments qualify as party-in-interest transactions.

NOTE 7 – PROHIBITED TRANSACTIONS

During 2015, the Company failed to remit certain participant contributions to the trustee on a timely basis as defined by the Department of Labor's Rules and Regulations under ERISA. Such contributions, which totaled $4,979 for the period from February 27, 2015 (date of Plan inception) to December 31, 2015 were remitted during 2015 and are summarized on the Schedule of Delinquent Participant Contributions. Lost earnings related to the late remittances will be credited to participant accounts in 2016.

In addition, the Company failed to correctly calculate certain participant contributions. Corrective contributions to participants, totaling $1,365, along with the related lost earnings will be remitted during 2016.

NOTE 8 – RISKS AND UNCERTAINTIES

The participants direct the Plan to invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 9 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company reserves the right to terminate the Plan subject to the provisions of ERISA; however each participant would have a nonforfeitable right to his or her total account balance as of the date of termination.

Re: Plan Name: CCH 401(K) Plan # 001

To Whom It May Concern:

Enclosed please find IRS Form 5500 for the plan noted above in connection with the plan year ended December 31, 2015. Please consider the following explanation as to the reason that this form is being submitted past the extended due date of October 17, 2017.

This is our first plan year for the 5500 filing and an extension was requested till October 17, 2017; however due to an administrative oversight the 5500 form was not filed by the extended due date.

Now that we are aware of the filing deadlines and requirements; procedures are in place to prevent a recurrence of this event. I would, therefore, request that you waive the penalty for late filing in this instance.

You time and consideration in this matter are much appreciated. Please forward any correspondence regarding this issue to this office.

Yours truly,

Jay Bloch
