Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fifth Third Bank, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the three months ended March 31, 2016 and as of and for the year ended December 31, 2015, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

As described in Note 2 to the financials statements, the governing body of The Eco-Groupe, Inc. 401(k) Plan approved a plan of liquidation on October 26, 2015, and management determined liquidation is imminent. As a result, the 2016 and 2015 financial statements are presented using the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Other Matter

The supplemental schedule of assets held for investment purposes at end of year is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

THE ECO-GROUPE, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE THREE MONTHS ENDED MARCH 31, 2016 AND YEAR ENDED DECEMBER 31, 2015

1. DESCRIPTION OF PLAN

The following description of The Eco-Groupe, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan with a 401(k) savings feature covering all employees of Encon, Inc., Broadway Companies, Inc., EnKon West, LLC, EnKon, LLC, EnKon Dallas, LLC, and EnKon Hawaii, LLC (the Sponsors or Employers) who have completed three months of continuous service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The governing body of the Plan approved termination of the Plan effective October 26, 2015 subject to the provisions of ERISA. Liquidation of the Plan was determined to be imminent. As a result, participants became fully vested in their accounts. The net assets were distributed to the participants and beneficiaries in proportion to their account balances. Net assets were fully distributed as of March 31, 2016.

Contributions – The Plan allows for employee contributions of up to 90% of pretax annual compensation, as defined in the Plan. The Sponsor matches 100% of the first \$150 of each employee's contribution. The Boards of Directors of the Sponsors may approve additional voluntary contributions to the Plan. The employer matching contributions were \$0 in 2016 and \$8,397 in 2015.

Excess Contributions made by certain active participants are returned to them in order to satisfy the relevant nondiscrimination provisions of the Plan. Excess deferral contributions payable at December 31, 2015 and returned to participants during the three months ended March 31, 2016 were \$3,227.

Participants' Accounts - Each participant's account is credited with its proportionate share of employee elective deferrals, the Plan Sponsors' matching and voluntary contributions, and the Plan's earnings. Allocations of discretionary contributions and Plan earnings are based on participants' compensation or account balances, as provided in the Plan agreement. Each participant is entitled only to the benefits that can be provided from that participant's account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Sponsors' matching and voluntary contributions plus actual earnings thereon is based on years of service. Participants' vested interests in their accounts increase from 20% after the first year of service to 100% after the fifth year. Upon termination of the Plan, participants became fully vested in their accounts.

Notes Receivable From Participants - Participants may borrow from their account a minimum of \$1,000, up to a maximum of 50% of their total vested account balance, not to exceed \$50,000, reduced by their highest outstanding loan balance during the preceding twelve months. Loan transactions are treated as transfers between an investment fund and the loan fund. Loans must be repaid within five years unless the purpose is to acquire, construct or reconstruct a principal residence. Each loan is secured by the balance in the participant's account and bears a fixed rate of interest of the Prime Rate plus 1%. Interest rates on outstanding notes were 4.25% at December 31, 2015. All loans were either deemed as distributions or rolled over into a different qualified retirement plan between January 1 and March 31, 2016.

Payment of Benefits - Upon termination of employment, participants may elect to receive their vested interests either in a lump-sum amount or in installments of substantially equal amounts over a period of time not to extend beyond the participant's life expectancy (or the life expectancy of the participant and his or her designated beneficiary). There were no benefits payable to terminated participants at December 31, 2015.

Forfeiture Accounts - As of March 31, 2016 and December 31, 2015, the forfeiture balances were \$0 and \$2, respectively. Forfeitures of matching contributions are used to pay administrative expenses or to reduce the employer's future matching contributions to the Plan. Forfeitures of nonvested profit sharing contributions are reallocated to remaining participants. Forfeitures of \$2 were refunded to the Sponsor in 2016 and forfeitures of \$3,982 were reallocated to remaining participants subsequent to the termination of the Plan in 2015. Employer matching contributions were reduced by \$0 and \$398 in 2016 and 2015, respectively.

Tax Status - The trust established under the Plan to hold the Plan's assets is qualified pursuant to the applicable section of the Internal Revenue Code and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has been amended since receiving its original acceptance under Section 401 of the Internal Revenue Code. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe the Plan is qualified and the related trust is tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of March 31, 2016 and December 31, 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Tax years 2012 and later remain open and subject to examination.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared using the liquidation method of accounting.

The Plan has evaluated subsequent events through January 11, 2017, the date the financial statements were available to be issued.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures of net assets available for benefits as of the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Investment Contracts - Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully-benefit responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

ASU 2015-12 clarifies that the measurement and presentation requirements of a fully benefit-responsive investment contract apply only to direct investments. The Plan had an indirect investment in a guaranteed investment contract with Goldman Sachs Trust Company as part of its common/collective trust at December 31, 2015. Therefore the statements of net assets available for benefits presents the fair value of the investment contract.

Investment Valuation and Income Recognition - The Plan's investments in securities are stated at fair value determined using year-end market prices which represent the net asset value of shares held by the Plan. Fifth Third Bank provides market prices to the Plan. Unrealized gains or losses are allocated to participants' accounts. Security transactions are recorded on trade dates; the specific-identification method is used in computing gains or losses. Investment income is stated net of investment fees.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Payment of Benefits - Benefits are recorded when paid.

Expenses of the Plan - The Sponsors have elected to pay some of the administrative expenses of the Plan in excess of forfeitures and provide administrative services at no cost to the Plan. If not paid by the Sponsors, administrative expenses become a liability of the Plan. Administrative expenses paid from the Plan are fees charged to each participant for fund management, managed account fees, and distribution processing.

3. INVESTMENTS

The following information included in the Plan's financial statements and supplemental schedule as of and for the three months ended March 31, 2016 and as of and for the year ended December 31, 2015 was obtained from data prepared by Fifth Third Bank, the trustee of the Plan. The plan administrator has obtained certification from the trustee that such information is complete and accurate. The following represents the fair values of the investments in the separate identifiable funds administered by the trustee:

	2016	2015
Investments, at fair value		\$ 3,552,538
Notes receivable from participants		137,323
Interest and dividend income	\$ 1,823	187,949
Net depreciation in fair value of investments	(96,314)	(215,341)

4. FAIR VALUE MEASUREMENTS

The Plan's measurement of fair value for assets and liabilities is based on the framework established in the fair value accounting guidance. The framework is based on the inputs used in valuation, gives the highest priority to quoted prices in active markets, and requires that observable inputs be used in the valuations when available. The three levels of the hierarchy are as follows:

- Level 1: observable inputs such as unadjusted quoted prices in active markets for identical assets or liabilities
- Level 2: inputs other than quoted prices included in active markets that are observable either directly or indirectly
- Level 3: unobservable inputs in which there is little or no market data, which requires the Plan to develop its own assumptions

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2015.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common and Collective Trust: Guaranteed investment contract is valued based on a) issuer ratings as determined by credit ratings which are published by ratings agencies and b) the present value of the change in each contract's replacement cost.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different valuation methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2015:

	Level 1	Level 2	Total
Mutual funds	\$ 3,069,984		\$ 3,069,984
Common and collective trust		<u>\$ 482,554</u>	<u>482,554</u>
Total assets at fair value	<u>\$ 3,069,984</u>	<u>\$ 482,554</u>	<u>\$ 3,552,538</u>
