INDEPENDENT AUDITORS' REPORT

To the Participants and the Board of Trustees
Plumbers & Pipefitters Local No. 189 Retirement Savings Plan
Columbus, OH

Report on the Financial Statements

We have audited the accompanying financial statements of Plumbers & Pipefitters Local No. 189 Retirement Savings Plan, which comprise the statement of net assets available for benefits as of March 31, 2016, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Plumbers & Pipefitters Local No. 189 Retirement Savings Plan as of March 31, 2016, and the change in net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) and the schedule of reportable transactions, together referred to as "supplemental information" are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information requirement by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in our audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Prior Period Financial Statements

The financial statements of the Plan for the year ended March 31, 2015, were audited by other auditors whose report dated July 20, 2015 expressed an unmodified opinion on those financial statements.

INDEPENDENT AUDITORS' REPORT

To the Participants and the Board of Trustees
Plumbers & Pipefitters Local No. 189 Retirement Savings Plan
Columbus, OH

Report on the Financial Statements

We have audited the accompanying financial statements of Plumbers & Pipefitters Local No. 189 Retirement Savings Plan, which comprise the statement of net assets available for benefits as of March 31, 2016, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Plumbers & Pipefitters Local No. 189 Retirement Savings Plan as of March 31, 2016, and the change in net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) and the schedule of reportable transactions, together referred to as "supplemental information" are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information requirement by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in our audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Prior Period Financial Statements

The financial statements of the Plan for the year ended March 31, 2015, were audited by other auditors whose report dated July 20, 2015 expressed an unmodified opinion on those financial statements.

1. DESCRIPTION OF PLAN:

The following description of the Plumbers & Pipefitters Local No. 189 Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution pension plan covering journeymen and 4th and 5th year apprentices of those employers who have agreed to make the required employer contributions to the Plan in accordance with a collective bargaining agreement with the United Association of Journeymen and Apprentices of the Plumbing and Pipefitting Industry of the United States and Canada Local Union No. 189. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The contributing employers are primarily located in Central Ohio. Therefore, the Plan is affected by the economic conditions of the region.

Contributions

In accordance with the collective bargaining agreement, employers are required to make contributions at a fixed dollar amount for each "paid" hour worked by participants. The Plan also accepts voluntary participant contributions, subject to certain limits of the Internal Revenue Code (IRC). Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans.

Participant accounts

The Plan is not participant directed. All investment decisions are made by the Plan's Board of Trustees utilizing the advice of investment advisors. Each participant's account is credited with (a) the employer's contribution, (b) any participant voluntary or rollover contributions and (c) plan investment earnings (loss) reduced by an allocation of administrative expenses. Allocations are made pro rata based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in all contributions plus actual earnings thereon.

Notes receivable from participants

Under the terms of the Plan, participants may borrow from their account balance for medical expenses, to prevent the foreclosure on the mortgage of their principal residence, eviction or to make payments necessary to maintain coverage under the Plumbers & Pipefitters Local No. 189 Welfare Plan. A maximum of one loan for permissible purposes may be outstanding per participant at any time. The maximum term that may be elected for a loan is five years. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at 2 percent above the prime rate, as defined. Repayments are made in quarterly installments of principal and interest.

Payment of benefits

Upon termination of service due to disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's interest in his or her account, or periodic annual or monthly, quarterly or semiannual payments. Upon death of a participant, the balance of the account will pass to the designated beneficiary, who generally may elect the form of payment. Participants may also request a distribution if in the past twelve month period they have fewer than 250 hours credited to any Fund administrated by the Fund office.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The following accounting principles and practices of the Plan are set forth to facilitate the understanding of data presented in the financial statements:

Basis of accounting

The financial statements are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of March 31, 2016 or 2015. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded on the basis of the terms of the Plan agreement.

Payment of benefits

Benefit payments to participants are recorded upon distribution.

Reciprocity contributions

Participants of the Plan and participants of the benefit plans of other affiliated local unions may have temporary employment assignments outside the jurisdiction of their local union. Therefore, the Plan has entered into reciprocity agreements with other affiliated locals to ensure that employer contributions are forwarded to the benefit plans of the participant's local union. Reciprocal contributions received and reciprocal contributions paid are classified with employer contributions in the statements of changes in net assets available for benefits.

Accounting change

The Financial Accounting Standards Board (FASB) recently issued Accounting Standards Update (ASU) 2015-12, "Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part 1) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, and (Part III) Measurement Date – Practical Expedient." ASU 2015-12 simplifies disclosures and reporting by employee benefit plans. ASU 2015-12 is effective for fiscal years beginning after December 15, 2015, with earlier adoption permitted. The Plan has elected to early adopt Part II of ASU 2015-12, applied retrospectively to all periods presented. This change has no impact on net assets available for benefits.

Reclassifications

Certain amounts in the 2015 financial statements have been reclassified to conform to the 2016 presentation.

Subsequent events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The Plan has evaluated subsequent events through January 9, 2017, the date that the financial statements were available to be issued.

3. NONPARTICIPANT-DIRECTED INVESTMENTS:

The plan is not participant directed. Therefore, the statements of net assets available for benefits at March 31, 2015 and 2015 and the statements of changes in net assets available for benefits for the years then ended are classified as nonparticipant-directed.

4. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability; and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at March 31, 2016 and 2015.

- *Registered investment companies:* Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Common/collective trust:* Collective investment trust funds do not have readily determinable values. As permitted by accounting principles generally accepted in the United States of America, the Plan has valued such investments at the net asset value (NAV) per share or unit. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Were the Plan to initiate a full redemption of the collective trust, the issuer reserves the right to temporarily withhold a portion of the withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's Trustees believe that the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date. Investment securities, in general, are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and, that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of March 31, 2016 and 2015:

5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS:

Certain plan investments are units of mutual funds and collective investment trust managed by SEI Private Trust Company, the custodian of the Plan as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. These transactions qualify as party-in-interest transactions. Fees incurred by the plan for the investment management services are included in investment income (loss) in the accompany statements of changes in net assets available for benefits.

Contractors remit one payment for all fringe benefit contributions and dues deductions payable under the collective bargaining agreements. These are remitted to a lockbox controlled by the Administrator's Account, which is included in the financial statements of Plumbers & Steamfitters Local No. 189 Health & Welfare Plan ("Welfare Plan"). The Administrator's Account determines the allocation of the funds and disburses them to the appropriate entities. At March 31, 2016 and 2015, contributions receivable included \$666,934 and \$600,678 held by the related Administrator's Account, respectively.

The Plan is operated independently from the Plumbers & Pipefitters local No. 189 Pension Fund and the Welfare Plan, related benefit plans that utilizes the same administrative personnel and office space. The Administrator's Account of the Welfare Plan generally pays any joint administrative costs and allocates such costs ratably among the plans unless it can be determined that such costs directly benefit one plan. During the year ended March 31, 2016 and 2015, the Plan recognized \$88,715 and \$60,040, respectively, for its portion of joint administrative expenses. At March 31, 2016, the Plan owed the Welfare Plan \$9,715, which is classified as part of accounts payable. At March 31, 2015, the Plan had no payables due to the Administrator's Account.

6. PLAN TERMINATION:

In the event the Plan is terminated, any obligations of the Plan would be paid and all remaining net assets would be distributed to participants in the manner specified in the Plan.

7. CREDIT RISK:

The Plan's cash balance is maintained in a financial institution through a concentration account held by the Administrator's Account which in total held \$2,534,530, of which \$557,560 was allocated to the Plan and is classified as cash in the statement of net assets available for benefits as of March 31, 2016. In addition, the Administrator's Account maintains a separate depository cash account with the same financial institution, which is used to receive employer contributions and distribute the money received to the various benefit plans and funds sponsored by Plumbers and Pipefitters Local Union No. 189. At March 31, 2016, the Administrator's Account held \$2,949,222 in the depository account, of which \$666,934 is classified by the Plan as part of employer contributions receivable. Cash balances are insured by the Federal Deposit Insurance Corporation up to \$250,000 per institution. As of March 31, 2016 and 2015, the Plan has not experienced any losses related to uninsured balances.

8. TAX STATUS:

The IRS has determined and informed the Plan by a letter dated February 19, 2016, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.
