INDEPENDENT AUDITORS' REPORT

To The Procter & Gamble U.S. Business Services Company:

We have audited the accompanying financial statements of The Profit Sharing Retirement Plan of the Procter & Gamble Commercial Company (the "Plan"), which comprise the statements of net assets available for benefits as of June 30, 2016 and 2015, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of June 30, 2016 and 2015, and the changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Schedules

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of June 30, 2016 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This schedule is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such schedule has been subjected to the auditing procedures applied in our audits of the financial statements and certain additional procedures, including comparing and reconciling such schedule directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, such schedule is fairly stated in all material respects in relation to the financial statements as a whole.

THE PROFIT SHARING RETIREMENT PLAN OF THE PROCTER & GAMBLE COMMERCIAL COMPANY

NOTES TO FINANCIAL STATEMENTS AS OF AND FOR THE YEARS ENDED JUNE 30, 2016 AND 2015

1. PLAN DESCRIPTION

The following brief description of The Profit Sharing Retirement Plan of The Procter & Gamble Commercial Company (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General — The Plan is a voluntary defined contribution plan covering substantially all full-time employees of Procter & Gamble Commercial LLC (the “Plan Sponsor”) and Olay LLC (collectively, the “Companies”), subsidiaries of The Procter & Gamble Company (“P&G”). In order to be eligible to participate in the Plan, employees must be employed by the Companies and have completed one year of service. The Procter & Gamble U.S. Business Services Company controls and manages the operation and administration of the Plan. Banco Popular de Puerto Rico serves as the trustee of the Plan. The recordkeeper for the Plan was Empower Retirement through August 28th, 2015. Aon Hewitt became the recordkeeper effective August 29th, 2015. The custodian for the Plan was J.P. Morgan through August 28th, 2015. Northern Trust became the custodian effective August 29th, 2015. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In May 2015, P&G announced the closure of the Cayey Manufacturing Facility, affecting 200-250 employees. This action is expected to reduce plan participation in the future.

Contributions — The Companies make contributions to the Plan each year based upon the amount of compensation and the years of service credited for each Plan participant, as defined by the Plan, up to specified limitations. The Companies’ contributions are calculated by applying the relevant contribution percentage to the total compensation, both as defined by the Plan. Participants are not permitted to make contributions to the Plan.

The following schedule details the contribution percentages by years of service.

Years of Service	Contribution Percentage
1–3	8 %
4–6	9
7–8	10
9–10	11
11–12	12
13–14	13
15 or more	14

Participant Accounts — Individual accounts are maintained for each Plan participant. Each participant account is credited with an allocation of the Companies’ contributions and an allocation of Plan earnings and charged with withdrawals and an allocation of Plan losses and administrative expenses. Allocations of Plan earnings and losses are based on participant earnings or account balances, as defined. The

benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants can allocate their account to one or all of the investment options.

Investments — Participants direct the investment of the Companies' contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and P&G common stock as investment options for participants.

Vesting — Participants are vested 100% upon completion of three years of service. Participants are also 100% vested in their accounts upon termination for disability, early/normal retirement, death, and also upon attainment of 65 years of age, regardless of years of service. Refer to Note 5 for vesting provisions in the event of Plan termination.

Payment of Benefits — On termination of service due to death, disability, termination, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or an amount of the participant's election as often as once per month.

Forfeited Accounts — Participants who terminate service prior to vesting forfeit their account balance. Forfeited amounts are used to reduce the Companies' annual contributions. During the years ended June 30, 2016 and 2015, \$61,310 and \$18,538 forfeitures were used to reduce the Companies' annual contributions, respectively.

Plan Amendment — The Plan Sponsor has the right to amend the Plan at any time. However, no amendment can reduce the amount of any participant's account or the participant's vested percentage of that account.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting — The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates — The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties — The Plan utilizes various investment securities including mutual funds, P&G common stock, and The J.M. Smucker Company ("Smuckers") common stock. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition — The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Quoted market prices, when available, are used to value investments. Fair value of the P&G common stock and Smuckers common stock is determined by published trading prices. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains (losses) on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Administrative Expenses — Investment management expenses are paid by the Plan and are deducted from investment income. Recordkeeping fees of the Plan are paid by participants through a reduction in their investment balances.

Payment of Benefits — Benefit payments to participants are recorded upon distribution. There were 2 participants who elected to withdrawal from the plan, but had not yet been paid at June 30, 2016.

3. FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. There are no Level 2 or Level 3 investments in this plan. Assets are valued in their entirety based on the lowest level of input that is significant to the fair value measurement.

Asset Valuation Methodologies — Valuation methodologies maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2016 and 2015.

Cash — Held primarily in short-term money market funds, which are valued at cost plus accrued interest.

Common Stocks — Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual Funds — Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are actively traded.

Transfers Between Levels — The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. The Plan's policy is to recognize transfers between levels at the actual date of the event or change in circumstances that caused the transfer.

We evaluate the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended, June 30, 2016 and 2015, there were no transfers between levels.

Common Collective Trust Funds - As permitted by accounting principles generally accepted in the United States of America, the Plan uses net asset values as a practical expedient to determine the fair

value of the common collective trust funds. Net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily. Redemption for common collective trusts is permitted daily with no other restrictions or notice periods and there are no unfunded commitments. In accordance with GAAP, the common collective trust funds measured at net asset value have not been classified in the fair value hierarchy. The fair value amounts presented in the table below are intended to permit reconciliation to the amounts presented in the Statement of Net Assets Available for Benefits.

The following tables set forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis at June 30, 2016 and 2015:

4. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of P&G common stock and funds managed by Banco Popular and Northern Trust. Transactions with the recordkeeper, trustee, and custodian qualify as party-in-interest transactions. Fees paid for the investment management services were included as a reduction of the return earned on each fund.

At June 30, 2016 and 2015, the Plan held 329,823 and 386,857 shares, respectively, of P&G common stock with a cost basis of \$18,517,243 and \$20,556,750, respectively. During the years ended June 30, 2016 and 2015, the Companies contributed \$1,617,818 and \$2,582,307, respectively, to the Plan on behalf of participating employees.

During the years ended June 30, 2016 and 2015, the Plan recorded dividend income from P&G common stock of \$983,794 and \$1,035,157, respectively.

During the years ended June 30, 2016 and 2015, the Plan's investment in P&G common stock, including gains and losses on investments bought and sold as well as held during the year, appreciated in value by \$2,102,271 and \$93,515, respectively.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue contributions to the Plan at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become fully vested and the net assets of the Plan will be distributed to the participants in an order of priority determined in accordance with ERISA and its applicable regulations, and the Plan document.

6. FEDERAL INCOME TAX STATUS

The Plan is exempt from Puerto Rico income taxes under the provisions of the Puerto Rican Internal Revenue Code (the “PRIRC”), enacted on January 31, 2011. The 2011 PRIRC replaced the 1994 PRIRC, as amended. The 2011 PRIRC modified rules concerning contribution limits, coverage requirements, non-discrimination testing, and other matters. The 2011 PRIRC also provided for certain changes applicable to plans sponsored by entities under common control. These changes were effective for periods commencing after December 31, 2010, with certain additional requirements beginning January 1, 2012. Also, the Internal Revenue Service has determined and informed the Plan Sponsor by a letter dated October 9, 2012, that the Plan and related trust were designed in accordance with applicable requirements of the Internal Revenue Code (IRC). The Plan is subject to routine audits by taxing jurisdictions at any time. The Plan has been amended since receiving the latest determination letter. The Companies and Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the 2011 PRIRC and the IRC, and the Plan and the related trust continue to be tax-exempt. Therefore, no provision for income taxes has been reflected in the Plan’s financial statements.
