We have audited the accompanying financial statements of the Schlumberger Technology Corporation Profit Sharing Plan for Specified Drilling Group Employees (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2012, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2012, and the changes in net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Schlumberger Technology Corporation Profit Sharing Plan for Specified Drilling Group Employees

Notes to Financial Statements

1. Description of the Plan

The following brief description of the Schlumberger Technology Corporation Profit Sharing Plan for Specified Drilling Group Employees (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was created on January 1, 2012 as a defined contribution plan covering all full-time employees of Schlumberger Technology Corporation (the "Company") who are part of the Company's Drilling Tools and Remediation group and the Company's Smith Bits group and who were eligible to participate in the Smith International, Inc. 401(k) Retirement Plan ("Smith Plan") and have met certain requirements, including length of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan has an allocable interest in the net assets of the Schlumberger Master Profit Sharing Trust (the "Trust"), a master trust arrangement which serves as the investing medium for the Plan and certain other plans of Schlumberger Limited and its affiliates.

The Plan is administered by an Administrative Committee, which is appointed by the Board of Directors of the Company. The Administrative Committee is responsible for general administration of the Plan.

The Finance Committee is appointed by the Board of Directors of Schlumberger Limited. The Finance Committee communicates to The Northern Trust Company (the "Trustee" for the Trust) the funding policies and methods which have been established to carry out the objectives of the Plan and Trust.

In the event of the Plan's withdrawal from the Trust, the Trustee shall set apart that portion or equitable share of the Trust allocated to participants in the Plan pursuant to a valuation and allocation of the Trust by the Trustee, subject to approval by the Finance Committee.

The Due from Affiliated Plan represents the eligible participant balances transferred over from the Smith Plan.

Contributions

The Plan allowed the eligible participants to participate in the Smith Plan for the plan year ended December 31, 2012 for employee elective deferrals and employer matching contributions. Additionally, the Plan provided for an age-weighted employer contribution as well as profit-sharing contribution determined at the discretion of the Company.

Schlumberger Technology Corporation Profit Sharing Plan for Specified Drilling Group Employees

Notes to Financial Statements

For the plan year ending December 31, 2012, the Company contributed profit sharing contributions equal to two percent (2%) of each Participant's Admissible Compensation for the Plan Year. The Employer also contributed an additional amount equal to the percentage of such Participant's Admissible Compensation based upon such Participant's age:

Age	Contribution Percentage
40-44	0.50%
45-49	1.00%
50-54	2.00%
55-59	3.00%
60 or older	4.00%

Vesting

Participants are vested immediately in their contributions to the Smith Plan plus the actual earnings thereon. Matching contributions to the Smith Plan, and age-weighted and profit sharing contributions to the Plan made prior to January 1, 2013 vest according to the following schedule:

Years of Service	Vested Interest
Less than 1 year	0%
1 or more year but less than 2 years	20%
2 or more years but less than 3 years	40%
3 or more years but less than 4 years	60%
4 or more years but less than 5 years	80%
5 or more years	100%

Profit sharing and age-weighted contributions made after January 1, 2013 vest according to the following schedule:

Years of Service	Vested Interest
Less than 2 years	0%
2 or more years but less than 3 years	33 $\frac{1}{3}$ %
3 or more years but less than 4 years	66 $\frac{2}{3}$ %
4 or more years	100%

Participants who reach retirement age, become disabled, or die become vested immediately in all Company contributions.

Participant Accounts

Each participant's account is credited with an allocation of the Company's age-weighted and profit sharing contributions, Plan earnings, and forfeitures of terminated participants' nonvested accounts (if applicable). Allocations are based on admissible compensation or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Schlumberger Technology Corporation Profit Sharing Plan for Specified Drilling Group Employees

Notes to Financial Statements

Distributions

On termination of service due to death, disability, retirement (age 65), resignation or discharge, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account. The form of payment is a lump-sum distribution or an annuity to be paid in monthly, quarterly, or annual installments over a period not to exceed 10 years. Vested balances under \$1,000 shall be automatically distributed as a lump sum at the discretion of the Company.

Forfeitures

Forfeiture amounts may be used to reduce future profit sharing contributions to the Plan, restore participant accounts, pay administrative expenses of the Plan, or will be reallocated among the Plan participants who are entitled to share in the profit sharing contribution for the Plan year in a ratio as specified in the Plan document.

Forfeited accounts for the year ended December 31, 2012 amounted to \$58,485.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

Benefit Payments

Benefits are recorded when paid.

3. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the terms of ERISA. In the event of Plan termination, no contributions would thereafter be made to the Plan and participants would become 100% vested in their employer contributions.

Notes to Financial Statements

4. Tax Status

The Plan has applied for a determination letter. Plan management and Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2012 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Subsequent Events

For purposes of determining the effect of subsequent events on these financial statements, management has evaluated events through February 14, 2017 the date on which the financial statements were available to be issued.
