Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by John Hancock Life Insurance Company (John Hancock), the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of July 14, 2016, and December 31, 2015, and for the period January 1, 2016, through July 14, 2016, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As discussed in Note 2 to the financial statements, the Plan assets were merged into the Wood Group 401(k) Plan on July 14, 2016. Our opinion is not modified with respect to this matter.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America, and in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 – Plan Description

The following description of Swaggart Brothers 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan, as amended, or summary Plan description for a more complete description of the Plan's provisions.

General – The Plan is a 401(k) salary deferral and profit sharing plan covering all eligible employees of Swaggart Brothers, Inc. (Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan's trustee and record keeper responsibilities are performed by John Hancock and third party administrative duties are performed by Randall & Hurley. The Company's human resources and payroll departments manage day-to-day operations of the Plan.

Eligibility – Given the Plan merger as described in Note 2, no new employees are eligible to enroll in the Plan.

Contributions – Given the Plan merger as described in Note 2, no contributions were made to the Plan during 2016.

Participants' accounts – Each participant's account is credited with allocations of Plan earnings, and charged with any fees directly incurred by the participant. Participants may direct the investment of their account balances into various investment options offered by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Given the Plan merger as described in Note 2, all participants are fully vested in their individual account balances.

Payment of benefits – Upon death, disability, or retirement, a participant or the participant's beneficiary is entitled to receive 100% of the participant's account balance. Normal retirement age is 65; however, participants are allowed in-service withdrawal at age 59½. If a participant is terminated for a reason other than retirement, death, or total and permanent disability prior to 100% vesting, the participant retains only the vested portion of their account balance. Benefits are paid as lump-sum or installment payments, either in cash or as a direct rollover to a qualified plan or individual retirement account.

Forfeitures – Forfeitures are the nonvested portion of a participant's account lost upon termination of employment. Forfeitures are retained in the Plan and are used to pay Plan expenses and reduce future Company contributions. As of July 14, 2016, and December 31, 2015, there was no balance in the unused forfeited nonvested accounts and no forfeitures were used to pay Plan expenses in 2016.

Note 2 – Significant Accounting Policies

Plan merger – The Plan was frozen so that contributions were permanently ceased and no employees would become eligible to participate in the Plan after December 31, 2015. Employees became eligible to participate in the Wood Group 401(k) Plan (New Plan) effective January 1, 2016. In June 2016, the Directors of Swaggart Brothers, Inc., and Wood Group U.S. Holdings, Inc., signed an agreement to merge the Plan into the New Plan. The final transfer of assets into the New Plan was made on July 14, 2016.

Basis of accounting – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, using the liquidation method of accounting.

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Administrative expenses – Administrative expenses related to operating and maintaining the Plan are paid by the Company. Certain investment and transaction fees are paid by participants in the Plan.

Investment valuation – The investments are reported at fair value. The Plan's trustee, John Hancock Life Insurance Company, certifies the fair market value of all investments. If available, quoted market prices are used to value investments.

Fair value is the price that would be received to sell an asset or paid to transfer a liability (exit price) in an orderly transaction between market participants at the measurement date.

Income recognition – Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net appreciation in fair value of investments consists of both the realized gains or losses and unrealized appreciation of those investments.

Payment of benefits – Benefits are recorded when paid.

Subsequent events – Subsequent events are events or transactions that occur after the statements of net assets available for benefits date but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statements of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statements of net assets available for benefits but arose after the statements of net assets available for benefits date and before the financial statements are available to be issued.

Note 2 – Significant Accounting Policies (continued)

Subsequent events (continued) – The Plan has evaluated subsequent events through February 3, 2017, which is the date the financial statements were available to be issued.

Note 3 – Investments

Pooled separate accounts – Units held in pooled separate accounts (PSAs) are valued using the net asset value (NAV) practical expedient of the PSA as reported by the account managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the PSA, minus its liabilities, and then divided by the number of units outstanding.

The Plan invests in the various target retirement date funds. These funds invest substantially all of their assets in underlying funds using an asset allocation strategy designed for investors expected to retire in the target year of each respective fund.

There were no Plan assets as of July 14, 2016. Total investments held in PSAs were $1,832,030 as of December 31, 2015.

Note 4 – Information Certified by the Plan's Trustee

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company, the trustee of the Plan, has certified to the completeness and accuracy of:

- Pooled separate accounts reflected on the accompanying statement of net assets available for benefits as of July 14, 2016, and December 31, 2015.
- Net appreciation in fair value of investments reflected on the accompanying statement of changes in net assets available for benefits for the period January 1, 2016, through July 14, 2016.

Note 5 – Party in Interest Transactions

Plan investments include units of pooled separate accounts managed by John Hancock. John Hancock Life Insurance Company, an affiliate of John Hancock, is the trustee of the Plan and, and therefore, transactions with these entities qualify as exempt party in interest transactions.

Note 6 – Tax Status

The Plan document is a volume submitter defined contribution plan that received a favorable opinion letter from the Internal Revenue Service on March 31, 2014, which stated the Plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

In accordance with guidance on accounting for uncertainty in income taxes, management has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. It is reasonably possible, given the level of risk associated with investment securities, that changes in the values of the investments in the near term could materially affect a participant's account balance and the amounts reported in the financial statements.
