To the Participants and Administrator of the
Evergreen Convalescent Hospital and Rehabilitation Center, Inc. 401(k) Plan
Modesto, California

Independent Auditors' Report

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Evergreen Convalescent Hospital and Rehabilitation Center, Inc. 401(k) Plan (the Plan), which comprise the statements of net assets available for plan benefits as of June 30, 2016 (liquidation date) and December 31, 2015, and the related statement of changes in net assets available for plan benefits for the period from January 1, 2016 to June 30, 2016 and year ended December 31, 2015, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by State Street Bank and Trust Company (State Street), the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of June 30, 2016 and December 31, 2015, and for the period from January 1, 2016 to June 30, 2016 and year ended December 31, 2015, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Required Supplemental Schedule

The supplemental Schedule H, line 4i - Schedule of Assets (Held At End of Year) as of December 31, 2015 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Other Matter – Plan Termination

As discussed in Note 1 to the financial statements, the Plan was terminated on June 30, 2016, and all distributions and transfers related to the Plan termination were completed by that date. In accordance with accounting principles generally accepted in the United States of America, the Plan's financial statements have been prepared using the liquidation basis of accounting for the period from January 1, 2016 to June 30, 2016 and for the year ended December 31, 2015. Our opinion is not modified with respect to this matter.

Other Matter – 2014 Financial Statements

The financial statements of the Plan as of December 31, 2014, were audited by other auditors who have ceased operations. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the other auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Principal, the custodian of the Plan. Their report, dated September 17, 2015, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter – Adoption of the New Accounting Guidance

As discussed in Note 2 to the financial statements, in 2015, the Plan adopted new accounting guidance: Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*, and FASB ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965): Part (I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient*. The provisions of ASU 2015-07 and ASU 2015-12 are required to be applied retroactively. As part of our audit of the 2015 financial statements, we also audited the retroactive application of the new guidance to the 2014 financial statements. In our opinion, the provisions of the new authoritative guidance have been properly applied. We were not

engaged to audit, review, or apply any procedures to the 2014 financial statements of the Plan other than with respect to the retroactive application of the new guidance and, accordingly, we do not express an opinion or any other form of assurance on the 2014 financial statements as a whole.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

Plan Termination

On February 1, 2016, operations of Evergreen Convalescent Hospital and Rehabilitation Center, Inc. (the Company) were sold to an unrelated third party. In connection with the sale of the Company's operations, the Evergreen Convalescent Hospital and Rehabilitation Center, Inc. 401(k) Plan (the Plan) has been terminated, and all assets of the Plan were transferred to the buyer on June 30, 2016.

General

The Plan was a defined contribution plan established on January 1, 1998. The Plan covered all employees of the Company. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan was amended at various dates through June 30, 2016 to comply with applicable laws and regulations.

Plan Administration

The Company was the plan administrator and was responsible for managing the day-to-day operations of the Plan. The Plan's trustee, State Street Bank and Trust Company (State Street), was responsible for the management and custody of the Plan's assets. Automatic Data Processing, Inc. (ADP) was the Plan's recordkeeper.

Contributions

Eligible employees were able to contribute from 2% to 15% of their compensation as defined by the Plan, subject to certain limitations under the Internal Revenue Code (IRC). Plan participants over age 50 were able to defer additional catch-up contributions, subject to the IRC limitations. Participants were also able to contribute rollovers representing distributions from other qualified defined benefit or contribution plans. Participants directed the investment of their contributions into various investment options offered by the Plan. The Plan offered a number of investment options in common/collective trust funds and mutual funds managed by State Street.

The Company could elect each year to make a discretionary matching contribution equal to a percentage of total employee savings contributions. The Company made no matching contributions to the Plan for the period from January 1, 2016 to June 30, 2016 and for the year ended December 31, 2015.

CENTER, INC. 401(K) PLAN**

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN – CONTINUED

Contributions – Continued

The Company could also elect each year to make discretionary profit sharing contributions on behalf of all eligible participants. The Company did not elect to make discretionary profit sharing contributions for the period from January 1, 2016 to June 30, 2016 and for the year ended December 31, 2015.

Vesting

Participants were fully vested in their contributions and the earnings thereon. Vesting in the Company's matching and profit sharing contributions portion of their accounts plus earnings thereon was based on years of continuous service as follows:

<u>Years of Service</u>	<u>% Vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more years	100%

Upon Plan termination, participants became fully vested in the Company's matching and profit sharing contributions.

Forfeitures

Forfeitures were created when participants terminated employment before becoming entitled to their full benefits under the Plan. Forfeitures were first applied against administrative expenses of the Plan. Any remaining forfeitures were used to reduce the Company's matching contributions. No forfeitures were available for future use at December 31, 2015 and 2014.

Payment of Benefits

Distributions from the Plan were made in lump-sum payments or annuity payments of the participant's vested account balance. In addition, hardship distributions were permitted if certain criteria were met

CENTER, INC. 401(K) PLAN**

NOTES TO FINANCIAL STATEMENTS

Participant Accounts

Individual accounts were maintained for each of the Plan's participants to reflect the participant's contributions (including those rolled over from another qualifying plan), related matching and profit sharing contributions, as well as the participant's share of the Plan's income and any related administrative expenses. Allocations were based on the proportion that each participant's account balance bore to the total of all participants' account balances.

Notes Receivable from Participants

Participants were permitted to borrow from their fund accounts as defined by the Plan agreement, subject to certain limitations. All notes receivable were adequately secured by the participant's account balance and bore interest as defined in the Plan agreement.

Administrative Expenses

Certain expenses incurred in connection with the general administration of the Plan were paid by the Plan. Audit fees and other administrative expenses were paid by the Company.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

As a result of the sale of the Company's operations and subsequent termination of the Plan (Note 1), the Plan has changed its basis of accounting from the ongoing plan basis used in presenting the 2014 financial statements to the liquidation basis used in presenting the financial statements for the period from January 1, 2016 to June 30, 2016 and the year ended December 31, 2015. There were no material differences in the Plan's financial statements using the liquidation basis of accounting compared with the accrual basis of accounting.

Recently Adopted Accounting Guidance

In May 2015, FASB issued ASU 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*, which exempts investments measured using the net asset value (NAV) practical expedient in Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, from categorization within the fair value hierarchy. The Plan elected to early adopt ASU 2015-07, as permitted, and has applied ASU 2015-07 retrospectively, as required.

**EVERGREEN CONVALESCENT HOSPITAL AND REHABILITATION
CENTER, INC. 401(K) PLAN**

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Recently Adopted Accounting Guidance - Continued

The adoption has been reflected in Note 5 to the financial statements. The adoption had no impact on the statements of net assets available for benefits as of June 30, 2016, December 31, 2015, and December 31, 2014 or the statement of changes in net assets available for benefits for the period from January 1, 2016 to June 1, 2016 and the year ended December 31, 2015.

In July 2015, the FASB issued ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965): Part (I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient*. Part I of ASU 2015-12 eliminates the requirements to measure the fair value of fully benefit-responsive investment contracts and provide certain disclosures. Contract value is the only required measure for fully benefit-responsive investment contracts. Part II of ASU 2015-12 eliminates the requirements to disclose individual investments that represent five percent or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type. It also simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks. Further, the disclosure of information about fair value measurements shall be provided by general type of plan asset. Part III of ASU 2015-12 is not applicable to the Plan. The Plan has elected to adopt Parts I and II early and, accordingly, the presentation of the financial statements and notes herein have been changed to reflect such adoption.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements, and the reported amounts of additions and deductions during the reporting period. Estimates and assumptions were based on the best available information but actual results could be materially different from those estimates.

**EVERGREEN CONVALESCENT HOSPITAL AND REHABILITATION
CENTER, INC. 401(K) PLAN**

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Valuation of Investments

With the exception of stable value fund, investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price).

Plan assets invested in mutual funds are stated at aggregate fair value based upon quoted market prices. Plan assets invested in common/collective trust funds are valued using the NAV provided by State Street. The NAV is quoted on a private market that is not active; however, it's based on the values of underlying investments, which are traded on an active market.

The Plan's investment in stable value fund, which is considered to be fully benefit-responsive, is required to be reported at contract value because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less plan withdrawals and administrative expenses.

Stable Value Fund

The Plan invested in Invesco Stable Asset Fund (the Fund), which was a stable return fund that is a common/collective trust held by State Street. The objective of the Fund was to protect the principal while providing a higher rate of return than shorter maturity investments, such as money market funds or certificates of deposit. This objective was achieved by investing in instruments that were not expected to experience significant price fluctuations in most economic or interest rate environments, such as investment contracts, including traditional guaranteed investment contracts (GICs) and security-backed contracts issued by insurance companies and other financial institutions.

Investments held by the Fund were deemed fully benefit responsive as withdrawals from these investment contracts were made at contract value for qualifying benefit payments, including participant-directed transfers, and reported at contract value. The Plan's management has also determined that the estimated fair values of the Plan's fully benefit-responsive investment contract as of December 31, 2015 and 2014 approximated contract value.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Recognition of Income

Sales and purchases were accounted for on a trade date basis, and interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. The net change in fair value of investments included realized and unrealized gains and losses on investments sold or held during the year.

Notes Receivable from Participants

Notes receivable from participants were reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded when earned.

Payment of Benefits

Benefit payments to participants were recorded when paid.

NOTE 3 - TAX STATUS

The Company adopted a Prototype Profit Sharing Plan (Prototype Plan) that received its latest favorable opinion letter from the Internal Revenue Service (IRS), stating that the Prototype Plan was in compliance with the applicable requirements of the IRC. The plan administrator has determined that it is eligible to and has chosen to rely on the current IRS Prototype Plan opinion letter. Once qualified, the Plan was required to operate in conformity with the IRC to maintain its qualification. The plan administrator believes that the Plan was operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

In accordance with GAAP, the Plan's management was required to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator analyzed the tax positions taken by the Plan and has concluded that as of June 30, 2016 and December 31, 2015 and 2014, there were no uncertain positions taken or expected to be taken. As a result, the Plan did not recognize interest or penalties related to uncertain tax positions.

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee of the Plan has certified to the completeness and accuracy of all investments reflected in the accompanying statements of net assets available for plan benefits as of June 30, 2016, December 31, 2015 and 2014, the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2015, and the related investment activity reflected in the accompanying statements of changes in net assets available for plan benefits for the period from January 1, 2016 to June 30, 2016 and the year ended December 31, 2015.

NOTE 5 - FAIR VALUE MEASUREMENTS

The Plan accounts for its financial assets and liabilities that are carried at fair value on a recurring basis in its financial statements in accordance with ASC 820, *Fair Value Measurements and Disclosures*. ASC 820 establishes a fair value hierarchy that requires assets and liabilities measured at fair value to be categorized into one of three levels based on the inputs used in the valuation, with the highest priority given to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority given to unobservable inputs (Level 3). The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

While the Plan believes its valuation methods were appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain assets could result in a different fair value measurement at the measurement date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis at December 31, 2015 and 2014:
