Independent Auditors' Report

To the Plan Administrator, Trustees, and Participants
Jasmine Vineyards, Inc. Profit Sharing Plan
Delano, California

We have audited the accompanying financial statements of the Jasmine Vineyards, Inc. Profit Sharing Plan, which comprise the statement of net assets available for benefits as of June 30, 2016, and the related statement of changes in net assets available for benefits for the year ended June 30, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Jasmine Vineyards, Inc. Profit Sharing Plan as of June 30, 2016, and the changes in its net assets available for benefits for the year ended June 30, 2016, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year), referred to as "supplemental information," is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Matter

The financial statements of Jasmine Vineyards, Inc. Profit Sharing Plan as of and for the year ended June 30, 2015, were audited by other auditors whose report dated April 5, 2016, expressed an unmodified opinion on those statements.

Independent Auditors' Report

To the Plan Administrator, Trustees, and Participants
Jasmine Vineyards, Inc. Profit Sharing Plan
Delano, California

We have audited the accompanying financial statements of the Jasmine Vineyards, Inc. Profit Sharing Plan, which comprise the statement of net assets available for benefits as of June 30, 2016, and the related statement of changes in net assets available for benefits for the year ended June 30, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Note 1. Plan Description

The following description of the Jasmine Vineyards, Inc. Profit Sharing Plan (the Plan) provides only general information with regard to the Plan. Participants should refer to the Plan document, adoption agreement, or summary plan description for a more complete description of the Plan's provisions.

General:

The Plan is a profit sharing plan covering the employees of Jasmine Vineyards, Inc. (the Company) who have completed 1,000 hours of service within a twelve month period and reached the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan administration:

The Company is the Plan sponsor and Plan administrator. The Plan administrator is responsible for carrying out the duties imposed under ERISA, including oversight of the Plan, appropriateness of investment offerings, and monitoring investment performance.

Contributions:

Company contributions are discretionary and may be made for the Plan year up to 25% of eligible compensation. Contributions are funded annually. Contributions are subject to certain Internal Revenue Service (IRS) limitations. Contributions are allocated to participants who worked at least 1,000 hours during the Plan year and are employed on the last day of the Plan year.

Contributions are calculated using cross-testing methods, testing contributions on an equivalent benefit basis. The contribution formula for the Plan separates participants into two groups: non-owners and owners. For the years ended June 30, 2016, the contribution percentages for non-owners and owners were 5% and 20%, respectively.

Participant accounts:

Each participant's account is credited with the allocation of the Company's contribution, allocation of Plan earnings or losses, and Plan expenses. The allocation of earnings or losses is based on the beginning account balance less distributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

The balance of vesting in the participants' accounts for the payment of benefits is based on years of service as follows:

Years of service	*Years*
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants automatically become 100% vested upon death or termination due to disability.

Benefit payments and withdrawals:

Upon termination of employment or total and permanent disability, participants or their beneficiaries are entitled to a distribution of their vested account balances. When a participant attains normal retirement or dies, a participant or their beneficiaries are entitled to 100% of the participant's account.

On termination of service before retirement age, if the participant's vested account does not exceed $1,000, a lump sum distribution will be made.

At June 30, 2016, there was $15,649 allocated to accounts of persons who have elected to withdraw from the Plan but have not been paid.

Forfeited accounts:

Forfeitures result from non-vested benefit payments remaining in the Plan for all terminated employees. During the year ended June 30, 2016 and 2015, forfeited non-vested accounts totaled $9,353 and $4,871, respectively. Forfeitures are used to reduce employer contributions.

Adoption of recent accounting standard:

In May 2015, the Financial Accounting Standards Board (FASB) issued the *Accounting Standards Update (ASU) 2015-12* related to *Plan Accounting.* The *ASU* amends accounting for fully benefit responsive investment contracts to be shown at contract value, simplifies plan investment disclosures, and provides a measurement date practical expedient. This guidance is effective for entities for the financial statements issued for annual periods beginning after December 15, 2015, with early adoption allowed. The *ASU* should be applied retrospectively to all periods presented. The Company early adopted this guidance during the year ended June 30, 2016 and has applied the changes for all periods presented, which resulted in changes in the fair value and investment disclosures.

Note 2. Significant Accounting Policies

Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash and cash equivalents:

The Plan considers cash equivalents to be highly liquid debt instruments purchased with an original maturity date of three months or less.

Investment valuation and income recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan sponsor's management determines the Plan's valuation policies utilizing information provided by the custodian and investment advisors. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year. All investments in the Plan are nonparticipant directed.

Benefit payments:

Benefits are recorded when paid.

Administrative fees:

Quarterly fees for investment advisor services and brokerage fees are paid by the Plan. Substantially all other administrative expenses of the Plan are paid by the Plan sponsor.

Note 3. Nonparticipant Directed Investments and Fair Value Measurements

The *Fair Value Measurements* topic of the Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC)* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 – Inputs to the valuation methodology that are observable for the asset or liability, either directly or indirectly, include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or by other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis. There have been no changes to the methodologies used at June 30, 2016 and 2015.

Money market, mutual funds and exchange-traded funds (ETFs): Valued at the daily closing price as reported by the fund. Mutual funds and ETFs held by the Plan are open-ended mutual funds and ETFs that are registered with the Securities Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and ETFs held by the Plan are deemed to be actively traded.

Common stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

Classification within the fair value hierarchy table is the lowest level of any input that is significant to the fair value measurement.

The preceding methods described may produce a fair value calculation that may not be indicative of net realized value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level and category, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2016.

	Level 1
Money market funds	$ 798,434
Mutual and exchange-traded funds	3,993,242
Common stock	2,266,469
Total investments at fair value	$ 7,058,145

The following table sets forth by level and category, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2015:

	Level 1
Money market funds	$ 102,420
Mutual and exchange-traded funds	5,862,402
Common stock	729,541
Total investments at fair value	$ 6,694,363

Note 4. Party-in-Interest Transactions

Barbich Hooper King Dill Hoffman Accountancy Corporation is the third-party administrator of the Plan and provides administrative services, which are paid by the Plan sponsor. Wells Fargo Advisors is the custodian of the Plan assets. During the years ended June 30, 2016 and 2015, the Plan paid fees of $54,920 and $53,003 to Wells Fargo Advisors. These transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rule.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 6. Tax Status

The Plan relies on the IRS Opinion Letter dated March 31, 2014 issued to Barbich Hooper King Dill Hoffman Accountancy Corporation, adopter of the Relius Volume Submitted

Profit Sharing Plan, in which the IRS stated that the Plan, and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC; and therefore, the Plan is qualified and the related trust is tax-exempt. As such, no provision for income taxes has been included in the Plan's financial statements. Administration errors, if any, which are insignificant or operational in nature, are handled by the Plan administrator in accordance with applicable IRS correction policies.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan as of June 30, 2016, and is not aware of any uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participant account balances and the amounts reported in the statements of net assets available for benefits.

Note 8. Reconciliation of the Plan Financial Statements to the Form 5500

Certain balances on Schedule H Part I and II on the Annual Return/Report of Employee Benefits Plan (Form 5500) have been grouped differently for purposes of presentation in the financial statements.

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at June 30, 2016.

Net assets available for benefits per the financial statements	$ 7,688,923
Benefits payable paid in Plan year 2017, accrued in Plan year 2016 for Form 5500	(15,649)
Net assets available for benefits per the Form 5500	$ 7,673,274

The net assets available for benefits per the financial statements and Form 5500 at June 30, 2015 agreed. As such, there is no reconciliation.

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the Form 5500 for the year ended June 30, 2016.

Net increase in net assets available for benefits per the financial statements	$	348,978
Benefits payable paid in Plan year 2017, accrued in Plan year 2016 for Form 5500		(15,649)
Net increase in net assets available for benefits per the Form 5500	$	333,329

Note 9. Subsequent Events

The date to which events occurring after June 30, 2016 have been evaluated for possible adjustment to the financial statements or disclosure is February 1, 2017, which is the date on which the financial statements were available to be issued.
