Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of Southwest LTC, Ltd. Employee Benefit Plan as of June 30, 2016 and 2015, and the changes in its financial status for the years then ended in accordance with accounting principles generally accepted in the United States of America.

The Plan provides medical, dental, prescription drug, and death benefits to full-time active employees of Southwest LTC, Ltd. (the "Sponsor") who elect to participate, and their covered dependents. The Plan was established on July 1, 2003, and it is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The Plan adopted a new plan document effective July 1, 2009. The revised plan document restated the plan provisions for previously adopted amendments and did not significantly change benefits, contributions, or other provisions.

Effective July 1, 2014, the Plan adopted an amendment to comply with certain provisions of the Patient Protection and Affordable Care Act (the "Affordable Care Act"). The primary provisions of the amendment eliminated the pre-existing condition language, reduced the eligibility waiting period to 60 days, and expanded benefit offerings to participants under three available Plan options.

Benefits

The Plan provides health benefits (medical, hospital, surgical, major medical, and prescription drugs) and death benefits to employees working at least 30 hours per week after a 60-day eligibility period is satisfied. Dependent coverage is available at the election of the participant. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act ("COBRA").

Health claims of active participants are processed by Meritain Health, Inc., but the responsibility for payments to participants and providers is retained by the Plan.

Stop-Loss Coverage Insurance

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

NOTE 1: DESCRIPTION OF THE PLAN (Continued)

Contributions

Participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. COBRA contribution amounts are determined annually by the Plan's actuary. Employees may contribute specified amounts, determined annually by management in conjunction with the Plan's actuary, to extend coverage to eligible dependents.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, benefit obligations and changes therein, health claims incurred but not reported ("IBNR"), claims payable and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Estimated Health Claims Incurred But Not Reported

Plan obligations for health claims incurred but not reported are estimated by the Plan's management based on information provided by the Plan's actuary. The actuary prepares their estimate in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrator. These amounts are paid by the Plan only if claims are submitted and approved for payment.

Stop-Loss Insurance

Insurance coverage consists of medical specific and aggregate stop-loss. Specific stop-loss insurance provides coverage on individual claims paid in excess of $150,000 in the years of coverage for 2016 and 2015, net of a $100,000 and $55,000 specific aggregate deductible, respectively. The maximum coverage for specific insurance is unlimited for the 2016 and 2015 Plan years, for the covered individual's lifetime for any one person. Aggregate stop-loss insurance provides coverage on aggregate claims paid based on an aggregate monthly factor and the number of covered units. The maximum coverage for aggregate insurance is $1,000,000 for 2016 and 2015.

Premiums for stop-loss insurance are included in Insurance in the accompanying statements of changes in benefit obligations and net assets available for benefits. For the years ended June 30, 2016 and 2015, stop-loss refunds totaling $508,682 and $42,120 respectively, have been netted with claims paid in the accompanying statements of changes in benefit obligations and net assets available for benefits.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Concentration of Credit Risk

Cash consists of demand deposits at a commercial bank. These balances, as reflected in the bank's records, are insured by the Federal Deposit Insurance Corporation ("FDIC") up to $250,000. At June 30, 2016, the Plan had no uninsured cash balances.

NOTE 3: SERVICE FEES

The Plan paid $481,937 and $337,084 for the 2016 and 2015 Plan years, respectively, in third-party administration fees to Meritain Health, Inc. which are included in service fees in the accompanying financial statements.

The Plan paid or accrued $340,819 and $416,725 for the 2016 and 2015 Plan years, respectively, in fees to Precision Benefit Services of LA, Inc. ("PBS") which are included in service fees in the accompanying financial statements. At June 30, 2016 and 2015, the Plan has accrued $51,454 and $129,346, respectively, in service fees payable to PBS which are included in accounts payable in the accompanying financial statements. PBS reviews high dollar claims, negotiates out-of-network claims, and tries to negotiate an in-network discount if they believe it is justified.

The Plan paid $23,777 and $0 for the 2016 and 2015 Plan years, respectively, in fees to AHH Case Management Services. ("AHH") which are included in service fees in the accompanying financial statements.

NOTE 4: TAX STATUS

On June 1, 2007, the Plan Sponsor established a trust which was created for the sole purpose of providing health and welfare benefits to eligible participants of the Plan. The Plan has not applied for tax exempt status pursuant to Section 501(c)(9) of the Internal Revenue Code. Management is continuing the Plan as a taxable trust. The Plan has no taxable income for the years ended June 30, 2016 and 2015; therefore, income tax expense for the years ending June 30, 2016 and 2015, was $0.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the U.S. federal, state, or local tax authorities. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2016 and 2015, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for tax years prior to 2013.

NOTE 5: RISKS AND UNCERTAINTIES

Plan obligations for health claims in process and claims incurred but not reported are estimated by the Plan's management. These amounts are paid by the Plan only if claims are submitted and approved for payment. The reserve was developed using paid claims through December 31, 2016, adjusted by expected completion factors, and then subtracting paid claims and claims expected to be recovered under specific stop-loss contracts from the incurred claims estimate. The expected completion factors were derived from the Plan's claim experience. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

The Plan is involved in litigation arising in the normal course of operations. After consultation with legal counsel, Plan management estimates that these matters will be resolved without material adverse effect on the Plan's future financial position or results from operations.

NOTE 6: TERMINATION OF THE PLAN

Although the Plan has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to, and contributions required of, participants, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits. No assets of the Plan may revert to the Plan Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 7: SUBSEQUENT EVENTS

Effective July 1, 2016, the Sponsor changed the Plan's Third Party Advisor ("TPA") from Meritain Health, Inc. to Interactive Medical Systems ("IMS"). Beginning on that date, health claims of active participants will be processed by IMS, but the responsibility for payments to participants and providers will remain with the Plan.

Also effective July 1, 2016, the Plan, in addition to its existing coverage options, added a minimum essential coverage option to plan participants.

Plan management has evaluated subsequent events through April 14, 2017, the date which financial statements were available to be issued, concluding there are no additional events requiring disclosure.
