INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Springfield, Inc. 401(k) Profit Sharing Plan
Geneseo, Illinois

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Springfield, Inc. 401(k) Profit Sharing Plan (the Plan), which comprise the statements of net assets available for benefits as of September 30, 2016 and 2015, and the related statement of changes in net assets available for benefits for the year ended September 30, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by MG Trust Company, LLC, the custodian of the Plan and Fifth Third Bank, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that MG Trust Company, LLC held the Plan's investment assets and executed investment transactions from October 1, 2015 to June 14, 2016, and that Fifth Third Bank held the Plan's investment assets and executed investment transactions as of September 30, 2016, and for the period June 15, 2016 to September 30, 2016. The Plan Administrator has obtained certifications from the custodian and trustee as of September 30, 2016 and 2015 and for the year ended September 30, 2016, that the information provided to the Plan Administrator by the custodian and trustee is complete and accurate.

To the Plan Administrator of the
Springfield, Inc. 401(k) Profit Sharing Plan

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedules of assets (held for investment purposes at end of year) as of September 30, 2016 and schedule of reportable transactions during the year ended September 30, 2016 are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian and trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Change in Accounting Principle

As discussed in Note 2 to the financial statements, the Plan adopted new accounting guidance which eliminates the requirement to categorize investments for which fair values are measured using the net asset value per share practical expedient and limits related disclosures. The Plan also adopted new accounting guidance related to defined contribution pension plans presentation and disclosure. Our opinion is not modified with respect to this matter.

SPRINGFIELD, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description Of The Plan

The following brief description of the Springfield, Inc. 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined contribution plan that covers all employees of Springfield, Inc. (the "Company") who have six months of service and are age twenty-one or older. Entry into the Plan occurs semi-annually on the first day of the Plan year and the first day of the seventh month of the Plan year following the date an employee meets the eligibility requirement. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA).

Contributions

Each year participants may contribute up to 75 percent of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). There were $1,292 of rollover contributions for the plan year ended September 30, 2016. The Company may make a discretionary matching or profit sharing contribution. The Company made a matching contribution of the participant's elected deferral for the first one and one half percent of the participant's eligible compensation for the year ended September 30, 2016. Profit sharing contributions, if any, shall be allocated to each participant based on compensation, as defined in the Plan. No discretionary profit sharing contributions were made for the year ended September 30, 2016. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (1) the Company's contribution, and (2) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portions of their accounts plus actual earnings thereon occurs at the rate of 20% for each year of service after one year of service. A participant is 100 percent vested after six years of credited service. Vesting of 100 percent of a participant's employer contributions and earnings thereon also occurs upon death, disability of the participant or attainment of age 65 (normal retirement).

Payment Of Benefits

Upon termination of service due to retirement, death, disability, or separation from service, participants may receive benefits in a lump sum or installments, in accordance with the Plan. Also, upon retirement, disability, or separation from service, participants may elect to continue their account as permitted by the Internal Revenue Code. Participants are also allowed to make hardship withdrawals in certain circumstances.

Forfeitures

At September 30, 2016 and September 30, 2015, there was a balance for forfeited non-vested accounts of approximately $2,000 which was used to reduce the employer's receivable for each year.

2. Summary Of Accounting Policies

Basis Of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use Of Estimates

Management uses estimates and assumptions in preparing the financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities and the reported additions and deductions. Actual results could differ from those estimates.

Investment Valuation And Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustee determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Payment Of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

The direct costs of administering the Plan are paid by the Company and are excluded from the financial statements. Management fees are operating expenses charged to the Plan for investments in mutual funds, are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments. Certain investment management fees are rebated back to the Plan by the trustee.

Recently Adopted Accounting Pronouncements

In May 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*, which exempts investments measured using the net asset value ("NAV") practical expedient in Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, from categorization within the fair value hierarchy. The guidance requires retrospective application and is effective for nonpublic business entities for fiscal years, and interim periods within those years, beginning after December 15, 2016. Early adoption is permitted. Management elected to early adopt the provisions of this new standard.

In July 2015, the FASB issued ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965): Part (I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient*. This three-part standard simplifies employee benefit plan reporting with respect to fully benefit-responsive investment contracts and plan investment disclosures, and provides for a measurement-date practical expedient. Parts I and II are effective for fiscal years beginning after December 15, 2015 and should be applied retrospectively, with early application permitted. Part III is effective for fiscal years beginning after December 15, 2015 and should be applied prospectively, with early application permitted. Management has elected to adopt Part II early. Accordingly, the amendments were retrospectively applied. Parts I and III are not applicable to the Plan.

Reclassifications

Certain 2015 amounts have been reclassified, where appropriate, to conform to the presentation in the 2016 financial statements. The reclassification had no effect on the overall financial position or changes in net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through April 6, 2017, the date the financial statements were available to be issued.

3. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at September 30, 2016 and 2015 and dividends and net appreciation in fair value of investments for the year ended September 30, 2016, was obtained or derived from information supplied by the plan administrator and certified as complete and accurate by the trustee of the Plan.

4. Fair Value Measurements

ASC Topic 820 establishes a framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; and • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015.

Registered Investment Companies: Valued at the daily closing price as reported by the fund. Registered Investment Companies held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The Registered Investment Companies held by the Plan are deemed to be actively traded.

Common/Collective Trust: Valued at the NAV of units of the trust. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay the withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy the Plan's assets at fair value:

	September 30, 2016			
	Level 1	**Level 2**	**Level 3**	**Total**
Registered Investment Companies	$ 6,126,936	$ —	$ —	$ 6,126,936
Investments measured at net asset value (a)				635,758
Total Assets At Fair Value				$ 6,762,694

	September 30, 2015			
	Level 1	**Level 2**	**Level 3**	**Total**
Registered Investment Companies	$ 5,916,321	$ —	$ —	$ 5,916,321
Total Assets At Fair Value				$ 5,916,321

(a) In accordance with ASC Topic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Fair Value Of Investments In Certain Entities That Calculate Net Asset Per Share (Or Its Equivalent, Net Unit Value)

	September 30, 2016			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common/collective trust	$ 635,758	$ —	Daily	None

5. Related-Party Transactions

From October 1st, 2015 through June 15, 2016, MG Trust Company, L.L.C. (MG) was the custodian as defined by the Plan and transactions with MG qualify as party-in-interest transactions. CPI Qualified Plan Consultants, Inc. (CPI) was the record keeper and transactions with CPI qualify as party-in-interest transactions.

Beginning June 15, 2016, Fifth Third Institutional Services is the custodian, trustee, and record keeper as defined by the Plan and transactions with Fifth Third qualify as party-in-interest transactions.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

7. Tax Status

The Plan adopted the CPI Qualified Plan Consultants, Inc Defined Contribution Prototype Plan and Trust. CPI received acknowledgement from the Internal Revenue Service in March 2008, indicating the prototype, as designed, was exempt from federal income tax. The Plan has since adopted the IRS Model Amendment relating to several tax law changes.
Effective October 1,2015, the Plan amended and restated the plan document by adopting the 2014 CMFG Life Insurance Company Volume Submitter 401(k) Profit Sharing Plan. CUNA Mutual Insurance Society received acknowledgement from the Internal Revenue Service (IRS) in March 2014, indicating the prototype, as designed, was exempt from federal income tax.

Effective June 15, 2016, the Plan amended and restated the plan document by adopting the 2014 Fifth Third Bank Volume Submitter Profit Sharing Plan. Fifth Third Bank received

acknowledgement from the Internal Revenue Service (IRS) in March 2014, indicating the prototype, as designed, was exempt from federal income tax.

The IRS permits the Plan to rely on their approval of the prototype plans described above. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Service (IRS) in March 2014, indicating the prototype, as designed, was exempt from federal income tax.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan, and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has analyzed tax positions taken by the Plan, and has concluded that as of September 30, 2016, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statement. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risks And Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risk such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Subsequent Events

Effective October 1, 2016, the Plan amended and restated the plan document by adopting the Fifth Third Bank Defined Contribution Volume Submitter Plan and Trust. The plan sponsor adopted a safe harbor nonelective contribution of 3% of a participant's compensation.

10. Reconciliation Of Financial Statements To Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Schedule H of Form 5500:
