# Independent Auditor's Report

The Plan Administrator and Management of the
Intrawest 401(k) Retirement Plan
Denver, CO

**Report on the Financial Statements**
We were engaged to audit the accompanying financial statements of Intrawest 401(k) Retirement Plan (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2015, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**
Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**
Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we are not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

**Basis for Disclaimer of Opinion**
As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management Trust Company and Vanguard Fiduciary Trust Company, the trustees of the Plan, except for comparing such information with the related information included in the 2015 financial statements. We have been informed by the Plan administrator that Vanguard Fiduciary Trust Company held the Plan's investment assets and executed investment transactions on December 31, 2015 and for the period December 30, 2015 to December 31, 2015 and that Fidelity Management Trust Company held the Plan's investment assets and executed investment transactions for the period January 1, 2015 to December 31, 2015. The Plan administrator has obtained a certification from the trustees as of and for the year ended December 31, 2015, that the information provided to the Plan administrator by the trustees is complete and accurate.

**Disclaimer of Opinion**
Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2015 financial statements. Accordingly, we do not express an opinion on the 2015 financial statements.

**Emphasis of Matter**
As discussed in Note 2 to the financial statements, as of December 31, 2015 and 2014 and for the year ended December 31, 2015, the Plan adopted the new accounting guidance in Accounting Standards Update 2015-12 "Plan Accounting (Topics 960, 962 and 965) – (Part II): Plan Investment Disclosures" to simplify the investment disclosure requirements. Our disclaimer of opinion is not modified with respect to this matter.

**Other Matter – Supplementary Information**
The supplemental schedule H, line 4i-schedule of assets held at end of year as of December 31, 2015, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on the supplemental schedule.

**Other Matter – 2014 Financial Statements**
The financial statements of the Plan as of December 31, 2014, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditors not to perform, and they did not perform any auditing procedures with respect to the information certified by Fidelity Management Trust Company, the trustee of the Plan. Their report, dated October 15, 2015, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements taken as a whole and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and regulations for Reporting and Disclosure under ERISA.

As discussed in Note 2 to the financial statements, the Plan has adjusted its 2014 financial statements to retrospectively apply the change in accounting guidance to simplify the investment disclosures. The other auditors reported on the financial statements before the retrospective adjustment.

As part of our audit of the 2015 financial statements, we also audited the adjustments to the 2014 financial statements to retrospectively apply the change in accounting as described in Note 2. In our opinion, such adjustments are appropriate and have been properly applied. We were not engaged to audit, review, or apply any procedures to the Plan's 2014 financial statements other than with respect to the adjustments and, accordingly, we do not express an opinion or any other form of assurance on the 2014 financial statements as a whole.

**Report on Form and Content in Compliance with DOL Rules and Regulations 2015**
The form and content of the information included in the 2015 financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

## Note 1 - Description of Plan

The following brief description of the Intrawest 401(k) Retirement Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

### General

The Plan is a defined contribution plan established by The Stratton Corporation (Stratton) in June 1978. All employees of Stratton, Intrawest U.S. Holdings Inc., Snowshoe Mountain, Inc., Intrawest California Holdings, Inc., Intrawest Retail Group, Inc., Playground Destination Properties, Inc., IRG Restaurant Company, Intrawest Shared Services, Inc., Intrawest U.S. Commercial Property Management, Inc., ICRE, Inc., Intrawest Hospitality Management Inc., Intrawest/Winter Park Operations Corporation, Steamboat Ski & Resort Corporation (Steamboat), and Intrawest Restaurants California, LLC (collectively referred to as "the Company") are able to contribute to the Plan if eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

### Eligibility

Employees are eligible to participate in the Plan if they have completed one year of service and are 21 years of age. A year of service for purposes of eligibility is a consecutive 12-month period during which the employee has 1,000 or more hours of service.

### Entry Date

Employees may enter the Plan on the first day of the subsequent calendar quarter coinciding with or following the date they satisfy the Plan's eligibility requirements.

### Contributions

Each year, participants may contribute up to 100% of their pretax annual compensation, as defined in the Plan. Contributions are subject to certain Internal Revenue Code (IRC) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). The Company contributes 50% of the first 1.5% of eligible compensation that a participant contributes to the Plan. Additional amounts may be contributed at the discretion of the Company's board of directors. No such additional discretionary contributions were made for the year ended December 31, 2015.

### Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's matching contributions, as well as allocations of the Company's discretionary contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant's earnings, account balances or specific participant transactions, as defined by the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Investment Options**

Upon enrollment to the Plan, a participant may direct deferrals and employer contributions in any of the funds offered by the Plan. Participants may change their investment options daily.

**Vesting**

Participants are 100% vested immediately in their contributions, employer contributions, plus actual earnings thereon.

**Forfeitures**

At December 31, 2015 and 2014, forfeited non-vested accounts totaled $-0- and $36,396, respectively. These accounts will be used to reduce future employer contributions or plan expenses. During the year ended December 31, 2015, plan expenses were reduced by $36,396 from forfeited non-vested accounts.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts, a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates at the time funds are borrowed, as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions over a period not to exceed five years, unless the proceeds of the loan were used to acquire the participant's residence, in which case the loan will be 10 years. A participant may have no more than 1 general purpose and 1 home loan outstanding at any one time.

**Payment of Benefits**

Participants may elect to receive either a lump-sum amount equal to the value of their vested interest or annual installments as defined in the Plan Document upon retirement, termination of service, death or disability. A terminated employee with a balance of less than $1,000 may be automatically paid out by the Plan upon termination. Any terminated participants with a balance between $1,000 and $5,000 can still be automatically paid out if their balance is rolled into a qualified Individual Retirement Account. Distributions may be made at the participant's election prior to termination upon attainment of age 59 ½ or hardship as defined in the Plan Document.

**Death Benefits**

The designated beneficiary is entitled to a death benefit distribution equal to the participant's vested account balance.

**Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

## Note 2 - Significant Accounting Policies

### Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

### Recent Accounting Guidance

The Plan adopted the provisions of Accounting Standards Update (ASU) 2015-12 (Part II), "Plan Accounting (Topics 960, 962 and 965): Plan Investment Disclosures". This ASU eliminates the disclosure of individual investments that represent 5 percent or more of net assets available for benefits, eliminates the net appreciation or depreciation for investments by general type, and requires that investments be grouped only by general type, eliminating the need to disaggregate the investments by nature, characteristics, and risks. The Plan has adopted this standard as Plan management believes this presentation is more relevant to the users of the financial statements. Accordingly, the accounting change has been retrospectively applied to the prior period presented, as required.

### Use of Estimates

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

### Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net (depreciation) includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

The classification of investment earnings reported in the statement of changes in net assets available for benefits may differ from the classification of earnings on Form 5500 due to different reporting requirements on Form 5500.

### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivables are reclassified as distributions based upon the terms of the Plan Document. No allowance for credit losses has been recorded as of December 31, 2015 and 2014.

### Payments of Benefits

Benefit payments to participants are recorded upon distribution.

**Administrative Expenses**

The Plan's expenses are paid by either the Plan or the Company, as provided by the Plan Document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net asset available for benefits. In addition, certain investment related expenses are included in net depreciation in fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

## Note 3 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2015 and 2014.

Mutual funds – Valued at fair value based on the quoted net asset value (NAV) of shares held by the Plan at year end.

Money market mutual funds – Valued at the quoted NAV of shares held by the Plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2015 and 2014:

| | 2015 | | | |
|---|---|---|---|---|
| | (Level 1) | (Level 2) | (Level 3) | Total |
| Mutual funds | $ 18,252,197 | $ - | $ - | $ 18,252,197 |
| Securities in transit | 45,323,883 | $ - | $ - | $ 45,323,883 |
| Investments at fair value | $ 63,576,080 | $ - | $ - | $ 63,576,080 |

| | 2014 | | | |
|---|---|---|---|---|
| | (Level 1) | (Level 2) | (Level 3) | Total |
| Mutual funds | $ 66,707,433 | $ - | $ - | $ 66,707,433 |
| Money market mutual funds | 3,567,449 | - | - | 3,567,449 |
| Investments at fair value | $ 70,274,882 | $ - | $ - | $ 70,274,882 |

**Transfers Between Levels**

The availability of observable market data is monitored to assess the appropriate classifications of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

Plan management evaluated the transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2015, there were no transfers in or out of levels 1, 2, or 3.

## Note 4 - Information Certified by the Plan Trustees

The Plan administrator has elected the method of compliance permitted by the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, as permitted under such election, no independent auditing procedures were performed with respect to the information certified as complete and accurate by Fidelity Management Trust Company and Vanguard Fiduciary Trust Company.

The Plan trustees have certified their statement of accounts as of December 31, 2015, and for the period December 30, 2015 to December 31, 2015 for Vanguard Fiduciary Trust Company and as of December 31, 2015 and 2014, and for the period January 31, 2015 to December 31, 2015 for Fidelity Management Trust Company. The statement of accounts includes beginning and ending balances of investments held, notes receivable from participants, and detail of all transactions during the period, including investment earnings and interest income on notes receivable from participants.

## Note 5 - Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated June 15, 2012, that the Plan and related trust were designed in accordance with the applicable regulations of the IRC. Subsequent to this issuance of the determination letter, the Plan was amended. However, the Company and Plan management believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and the Plan and related trust continue to be tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## Note 6 - Related Party and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Vanguard Fiduciary Trust Company, the trustee as defined by the Plan. As described in Note 2, the Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are exempt party-in- interest transactions under ERISA.

## Note 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

## Note 8 - Plan Amendments

The Plan was amended during the year ended December 31, 2015 to allow terminated employees to pay off their Plan loans within 6 months of termination.

## Note 9 - Excess Contributions Payable

Amounts payable to participants for contributions in excess for contributions in excess of nondiscrimination provisions are recorded as a liability with a corresponding reduction to contributions. The amount of excess contributions was $71,401 and $55,571 for the years ended December 31, 2015 and 2014, respectively.

## Note 10 - Subsequent Events

Effective December 31, 2015, the Plan changed its trustee and record keeper from Fidelity Management Trust Company to Vanguard Fiduciary Trust Company. As of December 31, 2015, $45,323,883 was in-transit with Vanguard Fiduciary Trust Company. The assets were deposited into comparable investments at Vanguard Fiduciary Trust Company on January 4, 2016.

Effective January 1, 2015 the Plan adopted a new Adoption Agreement and Trust Agreement with Vanguard Fiduciary Trust Company.

The Plan sponsor has evaluated subsequent events through October 10, 2016, the date which the financial statements were available to be issued.
