Independent Auditor's Report

To the Participants and Administrator of the
Evolution Health 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Evolution Health 401(k) Plan (formerly Guardian Healthcare Holding, Inc. 401(k) & Profit Sharing Plan) ("Plan"), which comprise the statement of net assets in liquidation available for benefits as of July 31, 2016 and December 31, 2015, and the related statement of changes in net assets in liquidation available for benefits for the period ended July 31, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Charles Schwab Bank ("Schwab"), the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the trustee as of July 31, 2016 and December 31, 2015 and for the period ended July 31, 2016, that the information provided to the plan administrator by the trustee is complete and accurate.

Emphasis of Matter

As further discussed in Note 8 to the financial statements, the Plan was merged with the Employee 401(k) Plan in July 2016. In accordance with accounting principles generally accepted in the United States of America, the Plan adopted the liquidation basis of accounting used in presenting the 2015 financial statements. Our opinion is not modified with respect to this matter.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Evolution Health 401(k) Plan
(formerly Guardian Healthcare Holding, Inc. 401(k) & Profit Sharing Plan)
Notes to Financial Statements
July 31, 2016 and December 31, 2015

1. Description of the Plan

The following description of the Evolution Health 401(k) Plan (formerly Guardian Healthcare Holding, Inc. 401(k) & Profit Sharing Plan) (the “Plan”) provides only general information. The Plan is currently sponsored by Evolution Health, LLC (the “Company”). The former sponsor, Guardian Healthcare Holdings, Inc. (“Guardian”), was acquired by the Company in 2013. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all Guardian employees who have attained age 18 or older and who have completed two months of service. The Plan’s trustee, Charles Schwab Bank (“Schwab”) is responsible for the investing, safekeeping and accounting for the Plan’s assets and valuation of the individual participant’s accounts. In addition, effective December 1, 2014, the Plan adopted The Charles Schwab Defined Contribution Plan and Trust, a non-standardized prototype plan.

In July 2016, the Plan was merged into the Employee 401(k) Plan, and the Company employees were eligible for enrollment in the Employee 401(k) Plan. In July 2016, the Plan assets were transferred to the Employee 401(k) Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Plan participants may contribute up to 100% of their annual compensation, as defined by the Plan document, on a pre-tax basis, subject to the maximum allowed by section 402(g) of the Internal Revenue Code as indexed by the Internal Revenue Service (the “IRS”). The contribution limit for 2016 was \$18,000. In addition, eligible employees age 50 or over may contribute “catch-up” contributions of \$6,000 in 2016. Eligible participants may also make a rollover contribution to the Plan.

Discretionary contributions may be made by the Company as determined annually by its Board of Directors. Participants must have completed two months of service to be eligible for the discretionary contribution. Additionally, the Plan allows for the Company to provide discretionary profit sharing contributions which are determined annually by its Board of Directors. Participants must be: (1) employed on the last day of the period and complete 1,000 hours of service during the period; or (2) have died, retired, or suffered disability during such period to be eligible to share in the discretionary profit sharing contributions. The Company made discretionary contributions totaling \$1,210,855 in 2016.

Participants’ Accounts

Participant accounts are adjusted periodically to reflect the fair market value of the assets allocated to the accounts. Each account balance is increased (decreased) by the amount of contributions, income, gains and losses allocable to such account since the prior valuation date. Income, expense, gains and losses generated by a particular investment are allocated to accounts based on each account’s proportionate share of the investment. Any expenses relating solely to a specific account, such as loan origination fees and distribution fees, are charged to such account.

Vesting and Forfeitures

Participant contributions and the earnings thereon are fully vested at all times. Participants terminating employment as a result of disability or death will be 100% vested in the employer portion of their account balances.

Vesting in the Company's discretionary profit sharing and matching contributions, plus actual earnings thereon is as follows:

<u>Periods of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 year	25%
2 years	50%
3 years	75%
4 years or more	100%

Forfeited amounts are used to restore the account balances of former Plan participants who are rehired within five years, to pay Plan administrative expenses, or to be allocated to Plan participants, as defined by the Plan. At July 31, 2016, forfeited non-vested accounts totaled \$0.

Investment Options

Upon enrollment in the Plan, participants may direct their salary deferrals in 1% increments into any of the Plan's available investment options.

Payment of Benefits

Normal retirement age is 65. Upon retirement, death, disability or termination of employment, the vested benefits, as defined, are paid to the participant or their beneficiaries, either in a lump sum or a rollover. If withdrawing participants are not entitled to their entire account balance, the amounts not received are forfeited. The Plan required all benefit payments less than or equal to \$5,000 to be paid in the form of a lump sum; however, for accounts of terminated participants that range from \$1,000 to \$5,000, the vested account balance can be automatically rolled over to an individual retirement account on behalf of the participant. Benefit payments greater than \$5,000 may be deferred. In addition, hardship distributions are permitted if certain criteria are met and are subject to certain penalties imposed by the IRS.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan terms range from 1 to 5 years except for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined monthly by the Plan administrator. The interest rate from December 31, 2015 through July 31, 2016 was 5.25%. Principal and interest are paid ratably through payroll deductions.

Administrative Expenses

Employees of the Company perform certain administrative functions of the Plan with no compensation from the Plan. Under the terms of the Plan, administrative expenses may be paid out of the Plan, unless paid by the Company. Any such amounts paid by the Company are not included in the accompanying financial statements. Plan administrative expenses for the period ended July 31, 2016 related to investment advisor and trustee fees.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Use of Estimates

The preparation of the financial statements in conformity with US GAAP requires the Plan's management to make significant estimates and assumptions that affect reported amounts of net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options in registered investment companies and a common/collective trusts which are exposed to various risks, such as interest rate, market and credit risks.

Valuation of Investments Held and Income Recognition

The Plan's investments in mutual funds are stated at fair value as determined by quoted market prices, which represents the net asset value of shares held by the plan at period end. The Plan's interest in the common/collective trust is based on the fair value of the underlying investments as based on information reported by the investment advisor using the audited financial statements of the trust at period-end.

Purchases and sales of securities are recorded on a trade date basis. Investment income is recorded when earned, and dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan document.

Net Appreciation in the Fair Value of Investments

The Plan presents in the Statement of Changes in Net Assets in Liquidation Available for Benefits, the net change in appreciation in fair value of investments, which consists of the net realized gains and losses and the net unrealized appreciation or depreciation on these investments.

Contributions

Contributions from Plan participants are made through payroll deductions. Contributions from the Company are accrued based upon amounts required to be funded under the provisions of the Plan.

Payment of Benefits

Benefits are recorded when paid. No amounts are owed at July 31, 2016 or December 31, 2015 to participants who have elected to withdraw from the plan, but have not yet been paid.

3. Fair Value Measurements:

Financial Accounting Standards Board Accounting Standards Codification section 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2015.

Investments in cash equivalents and registered investment companies: Valued at quoted market prices which represent the net asset value of shares held by the Plan at period end.

Investment in common/collective trusts: Valued at the quoted market price of the underlying investments held by the Plan at period end.

Notes to Financial Statements

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2015:

	<u>Assets at Fair Value at December 31, 2015</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ 2,530,808	\$ —	\$ —	\$ 2,530,808
Cash equivalents	46,992	—	—	46,992
Total assets in the fair value hierarchy	2,577,800	—	—	2,577,800
Investments measured at net asset value ⁽¹⁾	—	—	—	17,635,363
Investments at fair value	<u>\$ 2,577,800</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$ 20,213,163</u>

⁽¹⁾ In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets in liquidation available for benefits.

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2015, respectively.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption frequency</u>	<u>Redemption notice period</u>
Common collective trusts	\$17,635,363	n/a	Daily	n/a

5. Tax Status of the Plan

The IRS has determined by a letter dated March 31, 2008 that The Charles Schwab Defined Contribution Plan and Trust are designated in accordance with Section 401(a) of the Internal Revenue Code (IRC) and, therefore, the fund established as part of the Plan is not subject to federal income tax under provisions of Section 401(a) of the IRC. As long as the Plan is qualified under the tax laws, participants will not be taxed currently on Company contributions and before tax 401(k) participant contributions to the Plan or on income earned thereon. The Plan has been amended since receiving the determination letter. However, it is the opinion of the plan administrator that the Plan as presently amended, is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service ("IRS"). The Plan administrator has analyzed the tax positions taken by the plan and has concluded that as of July 31, 2016, there are no uncertain

positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax years in progress. The Plan administrator believes it is no longer subject to income tax examinations for the years prior to 2013.

6. Information Certified by the Trustee

The following unaudited information at July 31, 2016 and December 31, 2015 and for the period ended July 31, 2016, regarding the Plan's financial statements was certified to be complete and accurate by the trustee within the meaning of Section 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA:

Statement of net assets in liquidation available for benefits:

- Investments at fair value and notes receivable from participants

Statement of changes in net assets in liquidation available for benefits:

- Net appreciation in fair value of investments
- Interest and dividends
- Interest income on notes receivable from participants

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

7. Related Party Transactions

Certain Plan investments are shares of mutual funds managed by the trustee of the Plan as defined by the Plan. These transactions qualify as party-in-interest.

8. Subsequent event

The Company has evaluated events subsequent to July 31, 2016 through May 15, 2017, which is the date the financial statements were available to be issued. There has been no material events noted in this period which would impact the results reflected in this report, the Plan's results going forward or require additional disclosure.
