Report of Independent Auditors

Reorganized Debtor Manager of the HOVENSA Employees' Savings Plan

We have audited the accompanying financial statements of HOVENSA Employees' Savings Plan, which comprise the statements of net assets available for benefits in liquidation as of October 7, 2016 and December 31, 2015, and the related statement of changes in net assets available for benefits in liquidation for the period ended October 7, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in conformity with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits in liquidation of HOVENSA Employees' Savings Plan at October 7, 2016 and December 31, 2015, and the changes in its net assets available for benefits in liquidation for the period ended October 7, 2016, in conformity with U.S. generally accepted accounting principles applied on the basis described in Note 1 to the financial statements.

Notes to Financial Statements (continued)

1. HOVENSA Bankruptcy and HOVENSA Employees' Savings Plan Liquidation

On September 15, 2015, HOVENSA L.L.C. (the "Company" or "HOVENSA") filed a voluntary petition for relief under Chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code") in the United States District Court of the Virgin Islands – Bankruptcy Division (the "Bankruptcy Court") and commenced a court-supervised sale of substantially all of its assets pursuant to section 363 of the Bankruptcy Code. On December 1, 2015, the Bankruptcy Court entered an order approving the sale of HOVENSA's assets, which was subsequently approved by the Senate of the U.S. Virgin Islands on December 29, 2015. The sale closed on January 4, 2016. The Bankruptcy Court entered an order confirming HOVENSA's Chapter 11 plan of liquidation on January 19, 2016.

In December 2015, the Executive Committee of HOVENSA approved a resolution to terminate the HOVENSA Employees' Savings Plan (the "Plan") and appointed the Chief Restructuring Officer of HOVENSA, to effectuate the termination of the Plan. The Plan remained in effect until all assets were distributed to participants. As a result of termination, liquidation was determined to be imminent as of December 31, 2015. The Plan financial statements have been prepared in accordance with the liquidation basis of accounting. The effective date for HOVENSA's Chapter 11 plan of liquidation was February 17, 2016, at which point the responsibility for the wind down of the HOVENSA Employees' Savings Plan was transferred to the Reorganized Debtor Manager.

The Plan was terminated by amendment effective February 5, 2016, with all assets to be distributed as soon as administratively feasible. All participants were fully vested upon termination of the Plan. The Reorganized Debtor Manager oversaw the winding down of the plan with the assistance of consultants and legal counsel. Participant accounts were distributed as follows based on the value of the participant accounts and/or the individual participant election: (i) roll over benefits into another qualified employer plan or a traditional individual retirement account, (ii) receive a cash distribution, or (iii) to the extent any whole shares of Hess Corporation were held in an account, obtain an in-kind distribution of any such whole shares of common stock of Hess Corporation. The Plan completed distribution of all plan assets on October 7, 2016.

Employees' Savings Plan

Notes to Financial Statements (continued)

2. Description of Plan

The following description of the Plan represents the Plan provisions in effect prior to liquidation. For more information, refer to the plan document and summary plan description.

General

The Plan was a defined contribution plan covering eligible employees of the Company. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). JPMorgan Chase NA was the Trustee and Xerox HR Solutions LLC was the plan record-keeper for the Plan. Xerox HR Solutions LLC is now known as Conduent Business Services, LLC.

Hess Corporation Common Stock Fund

Certain participants held Hess Corporation Common Stock Fund in their participant accounts which originated from their prior participation in the Hess Corporation Employees' Savings Plan (the "Hess Plan"). This fund invested in shares of common stock of Hess Corporation, which is traded on the New York Stock Exchange (NYSE) under the ticker symbol HES.

Participants sold 37,432 shares (fair value \$1,958,042) of Hess Corporation common stock during 2016. The remaining shares in the Hess Corporation common stock fund were distributed to participants as part of the liquidation of the Plan.

Payment of Benefits

Upon a withdrawal or distribution, an employee's investments in the mutual funds were paid in cash, reduced for any outstanding loan balances. The employee's investments in the Hess Corporation Common Stock Fund were distributed either in whole shares of Hess Corporation stock (plus the cash equivalent of any fractional shares) or in cash, depending upon the employee's election.

Employees could elect direct rollovers of the taxable portion of their distributions to an individual retirement account, individual retirement annuity or a qualified plan of another employer. Eligible distributions that were not rolled over were subject to federal income tax withholding at 20% and could be subject to an additional 10% tax.

Expenses

The Plan's expenses are costs of the general administration of the Plan and include recordkeeping, legal and accounting services. Plan expenses accrued under the liquidation basis of accounting at December 31, 2015, were paid by the Plan.

3. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on a liquidation basis of accounting. Assets were measured at the amount the Plan expected to collect upon settlement or disposition of those assets. The liquidation value approximated fair value, as the related dispositions were conducted in an orderly manner. All estimated costs of liquidation were accrued in the prior year, as the Plan had a reasonable basis for estimating the amounts.

Valuation of Investments

The Plan's investments as of December 31, 2015, were stated at fair value in accordance with the provisions of the accounting standard on fair value measurements, Accounting Standards Codification (ASC) Topic 820, Fair Value Measurement (ASC 820). See Note 4, Fair Value Measurements, for further disclosure.

Mutual funds were valued at the quoted market price, which represents the net asset value of shares held by the Plan at year-end. Hess Corporation common stock value was based on the year-end closing market price on the New York Stock Exchange.

Investment Income

Purchases and sales of securities were recorded on a trade-date basis. Dividends were recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Gains or losses on sales of Hess Corporation common stock and mutual funds in the Plan were based on average cost.

Benefit Payments

Distributions of benefits to participants were recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

HOVENSA

Employees' Savings Plan

Notes to Financial Statements (continued)

Risks and Uncertainties

The Plan had investments in various mutual funds and Hess Corporation common stock. Investment securities were exposed to various risks, such as overall market volatility, commodity prices, interest rates, foreign exchange rates and credit risks.

4. Fair Value Measurements

The provisions of ASC 820 establish a hierarchy for the inputs used to measure fair value based on the source of the input, which generally range from quoted prices for identical instruments in a principal trading market (Level 1) to estimates determined using related market data (Level 3). Multiple inputs may be used to measure fair value; however, the level of fair value for each financial asset presented below is based on the lowest significant input level within the fair value hierarchy. Mutual funds were valued at quoted market prices, which represent the net asset value of shares held by the Plan. Hess Corporation common stock values were based on the closing market prices on the New York Stock Exchange, which is the primary exchange on which the stock is traded. The following table provides the fair value hierarchy of the Plan's financial assets as of December 31, 2015:

December 31, 2015 in liquidation				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 60,813,252	\$ —	\$ —	\$ 60,813,252
Hess Corporation Common Stock Fund	3,542,648	—	—	3,542,648
Total assets at fair value	<u>\$ 64,355,900</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$ 64,355,900</u>

5. Tax Status

The Plan received its most recent determination letter from the Internal Revenue Service dated May 27, 2016, stating that the Plan was qualified under Section 401(a) of the Internal Revenue Code (the "Code") and, therefore, the related trust was exempt from taxation. Once qualified, the Plan was required to operate in conformity with the Code to maintain its qualification. The plan administrator believes the Plan was operated in compliance with the applicable requirements of the Code through October 7, 2016 and, therefore, believes the Plan is qualified and the related trust is tax exempt through October 7, 2016.

Employees' Savings Plan

Notes to Financial Statements (continued)

6. Related Party Transactions

The Plan held shares of mutual funds managed by JP Morgan Chase NA, the trustee for the Plan. The Plan also invested in the common stock of Hess Corporation. These transactions qualified as party-in-interest transactions; however, these transactions were exempt from the prohibited transactions rules under ERISA.

7. Subsequent Events

Subsequent events have been evaluated through May 9, 2017, the date the financial statements were available to be issued.
