INDEPENDENT AUDITORS' REPORT

To the Trustees of
Edison Home Health Care Welfare Plan
Brooklyn, New York

Report on the Financial Statements

We have audited the accompanying financial statements of Edison Home Health Care Welfare Plan (the "Plan"), which comprise the statements of net assets available for benefits and of plan benefit obligations as of January 31, 2016 and 2015, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended January 31, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

1. DESCRIPTION OF PLAN:

The following description of the Edison Home Health Care Welfare Plan (the "Plan") provides only general information about the Plan's provisions. Participants should refer to the plan agreement for a complete description of the Plan's provisions, copies of which may be obtained from the Plan sponsor.

General

The Plan is available to regular full-time employees of Edison Home Health Care and Preferred Home Care of New York, two affiliated companies which share common ownership (collectively known as the "Participating Companies"). The Participating Companies provide a wide range of home health services in the New York metropolitan area.

The Plan provides health benefits to eligible employees of the Participating Companies and covered dependents. Certain Plan assets are held in a trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

At each annual enrollment, provisions, such as participant contribution rates, coverage, deductibles, copays, and out-of-pocket maximums, may change.

Benefits

The Plan provides health benefits including coverage for medical, dental and prescription drugs. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Self-Insured Benefits

All Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants using funds received from the Plan's trust or the general assets of the Participating Companies. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Contributions

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respected benefit elections. The Participating Companies pay the full cost of stop-loss insurance. Additionally, they make contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Participating Companies on a pay-as-you-go basis.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting and Use of Estimates
The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits
Premiums paid by either the Participating Companies or the Plan trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as operating payables in the accompanying statement of net assets available for benefits. Plan obligations at year end for health claims incurred by active participants but not reported at that date are reported in the accompanying statement of benefit obligations.

Stop-Loss
Premiums for stop-loss insurance are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Refunds
Refunds due from the Plan's PBM are recorded when earned. Refunds due as of the financial statement date have been reported as a receivable, with the offset being netted against claims paid. Pharmacy rebates totaling $56,807 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the year ended January 31, 2016.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies and procedures and reports to the Plan's trustees.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Subsequent Events
Management has evaluated subsequent events through July 6, 2017, the date which the financial statements were available to be issued.

3. CLAIMS INCURRED BUT NOT REPORTED:

Plan obligations at January 31 for claims incurred but not reported are estimated by the plan administrator based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment.

4. ADMINISTRATIVE EXPENSES: The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Participating Companies on behalf of the Plan.

5. TAX STATUS: The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code (IRC) and, accordingly, is exempt from income taxes. However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded during the year for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain tax position that more likely than not would not be sustained upon examination by the relevant taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. TERMINATION OF THE PLAN: Although it has not expressed any intent to do so, the Participating Companies have the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Participating Companies or be used for purposes other than for the exclusive benefit of the Plan's participants.

7. RELATED-PARTY TRANSACTIONS: Edison Home Health Care provides to the Plan certain accounting and administrative services for which no fees are charged.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500: The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	January 31, 2016	January 31, 2015
Net assets available for benefits per the financial statements	$12,337,486	$1,267,353
Benefit obligations currently payable	(6,826,171)	(733,790)
Net assets available for benefits per the Form 5500	$ 5,511,315	$ 533,563

RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (continued):

The following is a reconciliation of claims paid per the financial statements to the Form 5500:

	Year Ended January 31, 2016
Claims paid per the financial statements	$1,045,781
Add: Amounts currently payable at January 31, 2016	130,108
Less: Amounts currently payable at January 31, 2015	(252,145)
Claims paid per the Form 5500	$ 923,744

The following is a reconciliation of premiums paid per the financial statements to the Form 5500:

	Year Ended January 31, 2016
Premiums paid per the financial statements	$ 151,955
Add: Amounts currently payable at January 31, 2016	6,696,063
Less: Amounts currently payable at January 31, 2015	(481,645)
Premiums paid per the Form 5500	$6,366,373

9. CONCENTRATIONS OF CREDIT RISK: At times, the Plan maintains cash balances in excess of the Federal Deposit Insurance Corporation's insured limits. Financial instruments that subject the Plan to concentrations of credit risk include cash on deposit with a financial institution that is not federally insured or otherwise collateralized. Therefore, the Plan may be exposed to credit losses in the event of non-performance by the financial institution. The Plan has not experienced such losses.

10. RISKS AND UNCERTAINTIES: On occasion, the Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

The present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.
