Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information described in Note 7, which was certified by Great West Life & Annuity Insurance Company, the trustee, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2016, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2016 financial statements. Accordingly, we do not express an opinion on the 2016 financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedule

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2016 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2015 Financial Statements

The financial statements of the Plan as of and for the year ended December 31, 2015, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by BMO Harris Bank N.A, the former trustee of the Plan. Their report, dated September 19, 2016, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

(1) DESCRIPTION OF THE PLAN

The following description of the Investment Corporation of Palm Beach 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

(a) General – The Plan is a defined contribution plan covering all employees of Investment Corporation of Palm Beach (the "Company") who have completed one year of service, as defined in the Plan, and have attained the age of twenty-one. Participants are eligible to enter the plan and begin making salary deferrals on the first day of the month following their eligibility date. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2016, the Plan switched trustee and recordkeeping duties from BMO Harris Bank N.A. to Great West Life & Annuity Insurance Company (trustee) and Empower Retirement (record-keeper).

(b) Employee Contributions – Participants may contribute up to 85% of eligible compensation as defined in the Plan, limited to a maximum amount as periodically set by the Internal Revenue Service (IRS). Participants who have attained the age of 50 before the end of the plan year may contribute an additional amount set by the IRS. Participants may also contribute amounts representing rollovers from other qualified defined benefit or contribution plans.

Eligible compensation is defined as taxable earnings on Form W-2, including salary reduction contributions the participant made to an employer sponsored cafeteria or 401(k) plan.

(c) Employer 401(k) Matching Contribution – The Company makes a matching contribution each payroll period for each employee who enters into a salary reduction agreement. The match was 50% of the first 3% deferred from January 1, 2015 to August 7, 2015 and then 50% up to the first 6% from August 8, 2015 to December 31, 2016.

(d) Employer Discretionary Contributions – The Company may contribute a discretionary contribution for each employee as defined by the Plan, without regard to current or accumulated net profits of the Company. The Company has never made such a contribution.

(e) Participant Accounts – Each participant's account is credited with the participant's contributions, the Company's matching contribution and allocation of (a) the Company's additional discretionary contribution, (b) Plan earnings, and (c) forfeitures of terminated participant's non-vested account balances. Allocations are based on participant's eligible compensation relative to total eligible compensation, deferred contribution amounts or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant determines the investment strategy of his or her account as provided by the Plan.

DESCRIPTION OF THE PLAN (continued)

(f) Vesting – Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contribution portion of the participant's account plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after two years of credited service, with an additional 20% per year thereafter until fully vested. Upon normal retirement age, 65 years old, death or disability, a participant becomes fully vested.

(g) Payments of Benefits – On termination of service due to death, disability or retirement, a participant may elect to receive distributions equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or leave the funds in the Plan until retirement age or transfer to a trustee of another qualified plan or individual retirement account. If the terminating employee's non-forfeitable account balance is less than $5,000, excluding rollovers, it is mandatory that the Plan distribute the entire account balance, less forfeitures, if any, as soon as administratively practical.

The Plan also allows hardship distributions under Federal rules, withdrawals at the age of 59.5 and qualified reservist distributions.

(h) Forfeited Accounts – Forfeitures represent amounts, which could not be paid to terminated participants due to failure to meet vesting requirements. Forfeitures are used to reduce the Company's contributions. There were no forfeitures used during 2016. Forfeitures available at December 31, 2016 and 2015 were $7 and $5,011, respectively.

(i) Notes Receivable – The Plan does not allow any loans.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting – The accompanying financial statements are prepared on the accrual basis of accounting.

Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for fully-benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(b) Investment Valuation and Income Recognition – The Plan's investments are stated at fair value except for fully benefit responsive investment contracts which are reported at contract value. If available, quoted market prices are used to value investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(d) Administrative Expenses – In general, all plan expenses, except certain recordkeeping fees, are paid for by the Company.

(e) Benefit Payments – Benefits are recorded when paid.

(f) Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reductions to contributions.

(g) New Accounting Pronouncement – The FASB issued ASU 2015-12, Plan Accounting: Defined Contributions Plans ("ASU 2015-12"). ASU 2015-12 removes (1) the requirement that plans disclose investments that represent 5 percent or more of net assets available for plan benefits; and (2) the net appreciation or depreciation for investments by general type; and (3) removes the requirement to present classes of assets grouped and disclosed on the basis of nature, characteristics, and risks, or general type. The ASU is effective for fiscal years beginning after December 15, 2015, with early adoption permitted. The Plan will implement the provisions of the ASU retrospectively for all periods presented.

(h) Subsequent Events – The Company has evaluated subsequent events through June 1, 2017, which is the date that the financial statements were available to be issued.

(3) PLAN AMENDMENT AND TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue contributions or terminate the Plan at any time, subject to provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Additionally, the Company may amend the Plan at any time without the consent of any participant or any beneficiary, provided that no amendment deprives any participant of the participant's non-forfeitable accrued benefit.

(4) TAX STATUS

The Plan is based on a prototype plan that received a favorable tax determination letter from the IRS dated March 31, 2014, indicating that the prototype plan, as designed, was in compliance with the applicable requirements of the IRC, and was, therefore, exempt from federal income taxes. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2013.

(5) WITHDRAWING PARTICIPANTS

There were no participant distributions requested in 2016, but not paid until 2017.

(6) RELATED PARTY TRANSACTIONS

The Plan has a number of service providers. Such parties are parties-in-interest under ERISA.

(7) INFORMATION PREPARED AND CERTIFIED BY TRUSTEES

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustees of the Plan, have certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2016 and 2015, the schedule of assets held for investment purposes as of December 31, 2016 and the related investment activity reflected in the statements of changes in net assets available for plan benefits for the years ended December 31, 2016 and 2015.

(8) FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification 820, *Fair Value Measurements* (ASC 820), establishes a framework for measuring fair value. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC.

Fixed income funds – Valued daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2016 and 2015:

	Assets at Fair Value as of December 31, 2016			
	(Level 1)	(Level 2)	(Level 3)	Total
