(the Company), a wholly owned subsidiary of Emerson Electric (Emerson). An employee is eligible to participate in the Plan on the first entry date after he or she has met the Plan's service requirements. An employee must meet the minimum age requirement of 18 years of age and be considered an employee as defined by the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

The Company makes contributions in an amount equal to 1.5% of participants' eligible compensation on behalf of active participants who have completed at least 501 hours of service during the Plan year. Participants who were hired prior to April 1, 2002, receive an additional 2.5% contribution based on eligible compensation, for a total contribution equal to 4% of compensation. In addition, participants hired prior to April 1, 2002, receive a contribution equal to 2% of eligible compensation earned in excess of the Social Security Wage Base in effect at the beginning of the Plan year. Company contributions are allocated to participants' accounts following the end of the Plan year.

Participant Accounts

Participants may direct the investment of their account balances into various investment options offered by the Plan. Each participant's account is credited with Company contributions and earnings thereon. Earnings are allocated pro rata based on the value of the participant's account in an investment fund related to the total assets in the fund as of the earnings determination date.

Notes Receivable from Participants

Loans to participants are currently not allowed in the Plan.

Vesting

Participants vest in Company contributions after completing three years of service. For purposes of vesting service, a year is defined as each consecutive 12-month period ending on the anniversary of a participant's hire date during which the participant completes at least 501 hours of service.

Payment of Benefits

Participants are eligible for benefit distributions upon retirement, disability, death or termination of employment. Upon termination due to normal retirement, death or total and permanent disability, the entire balance in a participant's account becomes 100% vested. The normal form of distribution per the terms of the Plan is a life insurance contract containing an automatic survivor benefit. The normal benefit form is a joint

and survivor annuity for married participants and a single annuity for non-married participants. Participants may also elect to receive a lump-sum payment.

Forfeitures

Forfeitures of a terminated participant's accounts and earnings thereon are held in a suspense account until the terminated participant has completed five one-year breaks in service. Forfeitures are then used to reduce future Company contributions. The balance in the forfeiture account at September 30, 2016 and 2015, was \$14,172 and \$2,790, respectively. No forfeited participant account funds were used to offset 2016 Company contributions receivable in 2016.

Administration and Expenses

The Plan is administered by a Management Review Committee (MRC) appointed by authority of the Company's board of directors. The MRC, with the approval of the board of directors, has appointed a trustee to manage and maintain the Plan's assets in accordance with a trust agreement. The costs incurred in administering the Plan, including expenses of the Plan administrator, custodian and counsel, are paid by the Company. Investment expenses are paid by the Plan.

Investment Options

Participants designate, in increments of 1%, the percentage of their total contribution to be invested in any of the Plan's investment funds.

The Plan utilizes Vanguard Group, Inc. (Vanguard) as administrator and record keeper, and Vanguard Trust Company is the trustee of the Plan. The Plan, through its participation in the Emerson Electric Co. Master Trust (the Master Trust), currently offers the Emerson common stock fund, which invests in Emerson's common stock, the Emerson Stable Value Fund, which consists mainly of investment contracts or similar investments issued by insurance companies, banks and similar financial institutions, various mutual funds and commingled funds.

All funds may invest in cash equivalents as temporary investments and to maintain liquidity. Participants may change their investment options at any time. Participants may transfer (subject to certain restrictions on transfers into or out of the Emerson common stock fund by the Company's executive officers), in 1% increments, all or part of an existing account balance in a fund among the other investment funds to the extent permitted by the underlying investment contracts. Transfers may be made up to six times per quarter.

New Accounting Pronouncements

In May 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*, which exempts investments measured using the net asset value (NAV) practical expedient in Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, from categorization within the fair value hierarchy. The guidance requires retrospective application and is effective for public business entities for fiscal years, and interim periods within those years, beginning after December 15, 2015. For all other entities, the guidance is effective for fiscal years, and interim periods within those years, beginning after December 15, 2016. Early adoption is permitted. The Plan's administrator is currently evaluating the impact the updated guidance will have on the Plan's financial statement disclosures.

In July 2015, the FASB issued ASU No. 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965): Part (I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient*. This three-part standard simplifies employee benefit plan reporting with respect to fully benefit-responsive investment contracts and plan investment disclosures, and provides for a measurement-date practical expedient. Parts I and II are effective for fiscal years beginning after December 15, 2015, and should be applied retrospectively, with early application permitted. Part III is effective for fiscal years beginning after December 15, 2015, and should be applied prospectively, with early application permitted.

Part I and III are not applicable to the Plan, but management has elected to adopt Part II. Accordingly, the amendment was retrospectively applied. The disclosures of individual investments that represent 5% or more of net assets available for benefits, the net appreciation or depreciation in fair value of investments by general type and the level of disaggregation of investments that are measured at fair value has been simplified by disaggregating investments by general type versus disaggregating by nature, characteristics and risks.

In February 2017, the FASB issued ASU No. 2017-06, *Plan Accounting: Defined Benefit Pension Plans (Topic 960); Defined Contribution Pension Plans (Topic 962); Health and Welfare Benefit Plans (Topic 965): Employee Benefit Plan Master Trust Reporting*. This Update changes reporting and disclosure requirements for plans with a master trusts and eliminates redundant disclosures for plans with 401(h) accounts. This Update is effective for the fiscal periods beginning after December 15, 2018. Early adoption is permitted. On adoption, the amendments shall be applied retrospectively to all periods presented. Plan management is currently evaluating the impact this update will have on the Plan's financial statements.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the use of estimates and assumptions that affect the reported amounts in the financial statements. Actual results could differ from those estimates.

Investment Valuation

The Plan's investments, through its participation in the Master Trust, are stated at fair value. See notes C and D regarding investments in the Master Trust.

Risks and Uncertainties

The Master Trust utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Benefit Payments

Benefit payments to participants are recorded upon distribution.

NOTE C - INVESTMENT IN MASTER TRUST (UNAUDITED)

All of the Plan's investments are held in a Master Trust, consisting of the Plan and other defined contribution plans of Emerson Electric Co. and subsidiaries. All Plan income or loss is derived from Master Trust investment appreciation or depreciation.

Each participating plan's interest in the assets of the Master Trust is based on participant account balances. Additionally, loans to Plan participants are included in the Master Trust. At September 30, 2016 and 2015, the Plan's interest in the net assets of the Master Trust was approximately 0.30% and 0.30%, respectively. Master Trust investment income and expenses are allocated to participating plans based on respective balances.

The Plan's investments in the Master Trust are stated at fair value. The fair values of mutual funds and Emerson common stock are based on quoted market prices in active markets. Money market funds are stated at cost, which approximates fair value. Shares of collective trust funds are valued from either broker/dealer quotation or market-observed pricing for the underlying assets held. There are no restrictions on the redemption of these investments. The cost basis of investments held under the Plan is determined using the average cost method of accounting. The Company has no unfunded commitments related to these assets.

The investments of the Master Trust are summarized as follows at September 30:

	2016	2015
Mutual funds	\$1,708,829,524	\$1,578,629,361

NOTE D - FAIR VALUE MEASUREMENTS

Under ASC 820, *Fair Value Measurements and Disclosures*, there exists a formal hierarchy and framework for measuring fair value and making disclosures about fair value measurements and the reliability of valuation inputs. Measurement assumes the transaction to sell an asset or transfer a liability occurs in the principal or at least the most advantageous market for that asset or liability. Within the hierarchy, Level 1 instruments use observable market prices for the identical item in active markets and have the most reliable valuations. Level 2 instruments are valued through broker/dealer quotation or through market-observable inputs for similar items in active markets, including forward and spot prices, interest rates and volatilities. Level 3 instruments are valued using inputs not observable in an active market, such as entity-developed future cash flow estimates, and are considered the least reliable.

The tables below categorize the Master Trust's investments by level, within the fair value hierarchy, as of September 30:

	2016			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$1,708,829,524	\$ -	\$ -	\$1,708,829,524

NOTE E - TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated May 6, 2016, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Company believes that the plan continues to qualify and to operate as designed.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of September 30, 2016 and 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to amend and terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become fully vested.

NOTE G - INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee of the Plan has certified that the following data included in the accompanying financial statements is complete and accurate:

NOTE H - RELATED-PARTY TRANSACTIONS AND PARTIES-IN-INTEREST

Certain investments in the Master Trust are shares of mutual funds and collective trust funds that are managed by Vanguard, the Plan's record keeper, and Vanguard Trust Company, the Plan's trustee.

Additionally, Plan investment options include shares of Emerson common stock. Emerson is the parent company of the Plan sponsor. These transactions qualify as party-in-interest transactions and are allowable under ERISA regulations.

NOTE I - SUBSEQUENT EVENTS

On December 1, 2016, Emerson announced that it has completed the sale of the Company to Platinum Equity and a group of co-investors. The Company is rebranding as Vertiv Co. and will operate as a stand-alone global enterprise in Platinum Equity's portfolio. Vertiv Co. has assumed sponsorship of the Plan. Effective January 1, 2017, the Plan was amended to allow the merger of the Plan into the Vertiv Co. Employee Retirement Savings Plan (formerly Emerson Electric Co. Profit Sharing Plan).

In connection with the preparation of the Plan's financial statements, Plan management evaluated the Plan's September 30, 2016, financial statements for subsequent events through July 14, 2017, the date the financial statements were available to be issued. Management is not aware of any subsequent events that would require recognition or disclosure in the accompanying financial statements other than as noted above.
