NOTES TO FINANCIAL STATEMENTS

APRIL 29, 2016 AND DECEMBER 31, 2015

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the Employees' 401(k) Profit Sharing Plan of R.W. Lyall & Company, Inc. (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

Plan Termination: The Plan was terminated on April 29, 2016. All assets of the Plan were transferred to Hubbell Incorporated Employee Savings & Investment Plan as of April 29, 2016.

General: The Plan was a defined contribution plan covering substantially all employees of R.W. Lyall & Company, Inc. (the Plan Sponsor). The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees of the Plan Sponsor who met the eligibility requirements as defined by the Plan qualified to become participants in the Plan.

Contributions: Each year, participants could contribute up to 100% of their eligible compensation as defined by the Plan. Participants could direct the investment of their contributions into various investment options offered by the Plan. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan Sponsor could make matching and/or profit sharing contributions as determined each year by the Plan Sponsor's Board of Directors. Participants were eligible to receive a matching contribution following the completion of one year of service with a minimum of 1,000 hours worked. For the period ended April 29, 2016, the Plan Sponsor matched 50% of the participant's deferral, up to the first 4% of compensation deferred. For the period ended April 29, 2016, the Plan Sponsor made no discretionary profit sharing contributions.

Participant Accounts: Each participant's account was credited with the participant's contributions, employer matching contributions and allocations of (a) the Plan Sponsor's profit sharing contributions and (b) the Plan's earnings (losses) and charged with an allocation of administrative expenses (as defined). Allocations were based on the participant's eligible compensation, participant contributions, investment elections and/or account balances, as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Notes Receivable from Participants: Participants could borrow from their fund accounts a minimum of \$1,000, up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms ranged from one to five years or within a reasonable period of time longer than five years for the purchase of a primary residence. The loans were secured by the balance in the participant's account and generally bore interest at rates commensurate with the rates that a bank or other professional lender would charge for granting a loan in similar circumstances. Principal and interest were paid ratably through payroll deductions.

Interest income was recorded on the accrual basis. Related fees were charged directly to the borrowing participant's account and included in administrative expenses when incurred. As of April 29, 2016 and December 31, 2015, no allowance for credit losses was recorded. If a participant did not make loan repayments and the Plan Administrator considered the participant loan to be in default, the loan balance was reduced and the delinquent participant note receivable was recorded as a benefit payment based on the terms specified in the Plan Document.

NOTES TO FINANCIAL STATEMENTS

APRIL 29, 2016 AND DECEMBER 31, 2015

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Vesting: Participant contributions were immediately fully vested. Participants became fully vested in their matching contributions effective with the acquisition of the Plan Sponsor by Bundy LLC, an affiliate of Hubbell, Inc.

Investment Options: Before the termination of the plan, participants could direct both employee and employer contributions to be invested among various investment options as made available and determined by the Plan Administrator, which were more fully described in the plan literature.

Payment of Benefits: Upon termination of service due to death, disability, retirement or other reasons, a participant could elect to receive a lump-sum amount equal to the value of the vested interest in his or her account or partial payments in amounts requested by the participant from time to time. Participants could also elect to roll over their accounts to another tax-deferred account or remain in the Plan until they were legally required to begin taking distributions. All vested account balances exceeding \$1,000, but not exceeding \$5,000, could be rolled into an Individual Retirement Account. All vested account balances not exceeding \$1,000 could be immediately distributed in a lump-sum payment. With the Plan Administrator's approval, participants could withdraw all or part of their aggregate contributions in the event of financial hardship.

Forfeited Accounts: The unvested portions of terminated participants' accounts were forfeited and used to reduce future Plan Sponsor contributions or to pay expenses of the Plan. During 2016, \$792 was paid from forfeitures for employer contribution. As of April 29, 2016 and December 31, 2015, forfeitures had no outstanding balance.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following were the significant accounting policies followed by the Plan.

Basis of Accounting: For the period from January 1, 2016 to April 29, 2016, the Plan's basis of accounting was the liquidation basis. There were no material differences in the Plan's financial statements using the liquidation basis of accounting compared with the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments were stated at fair value, except for fully benefit-responsive investment contracts, which were reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for additional information regarding fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis, and dividends were recorded on the ex-dividend date. Net appreciation included the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS

APRIL 29, 2016 AND DECEMBER 31, 2015

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurement: Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, provides a framework for measuring fair value that requires an entity to determine fair value based on the exit price in the principal market for the asset or liability being measured. Fair value is defined as the exchange price that would be received on the measurement date to sell an asset or the price paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The guidance also establishes a three-level fair value hierarchy that describes the inputs used to measure assets and liabilities.

- Level 1 asset and liability fair values were based on quoted prices in active markets for identical assets and liabilities.
- Level 2 asset and liability fair values were based on observable inputs that included quoted market prices for similar assets or liabilities, quoted market prices that were not in an active market, or other inputs that were observable in the market and could be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 assets and liabilities were financial instruments whose value was calculated by the use of pricing models and/or discounted cash flow methodologies, as well as financial instruments for which the determination of fair value requires significant management judgment or estimation. The fair value of the Plan's Level 3 assets was primarily determined using an income approach.

There were no changes in the methodologies used for assets measured at fair value as of April 29, 2016 and December 31, 2015.

A summary of the Plan's investments subject to fair value measurement and/or disclosure is presented in Note 3.

Notes Receivable from Participants: Notes receivable from participants were measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were charged directly to the borrowing participant's account and included in administrative expenses when incurred. As of April 29, 2016 and December 31, 2015, no allowance for credit losses was recorded. If a participant did not make loan repayments and the Plan Administrator considered the participant loan to be in default, the loan balance was reduced and the delinquent participant note receivable was recorded as a benefit payment based on the terms of the plan document.

Payment of Benefits: Benefits were recorded when paid.

Administrative Expenses: Plan fees and administrative expenses were generally paid by the Plan, unless paid by the Plan Sponsor.

Subsequent Events: The Plan evaluated subsequent events through July 20, 2017, the date the financial statements were available to be issued.

EMPLOYEES' 401(K) PROFIT SHARING PLAN OF R.W. LYALL & COMPANY, INC.

NOTES TO FINANCIAL STATEMENTS

APRIL 29, 2016 AND DECEMBER 31, 2015

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan's investments at fair value, by level within the fair value hierarchy as of December 31, 2015, were as follows:

	Fair Value	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2015				
Pooled separate accounts	\$ 3,875,467	\$ -	\$ 3,875,467	\$ -
Registered investment companies	1,286,011	1,286,011	-	-
Total investments at fair value	<u>\$ 5,161,478</u>	<u>\$ 1,286,011</u>	<u>\$ 3,875,467</u>	<u>\$ -</u>

NOTE 4 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

During the year 2016 until the liquidation date at April 29, 2016, the Plan held assets in a benefit-responsive investment contract with Principal. Principal maintained the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract was included in the financial statements at contract value as reported to the Plan by Principal. Contract value represented contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer was contractually obligated to repay the principal at a specified interest rate that was guaranteed to the Plan.

As described in Note 2, because the guaranteed investment contract was fully benefit responsive, contract value was the relevant measurement attribute for that portion of the net assets available for plan benefits attributable to the guaranteed investment contract. Contract value as reported to the Plan by Principal represented contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There were no reserves against the contract value for credit risk of the contract issuer or otherwise. The fair values of the investment contract at April 29, 2016 and December 31, 2015 were \$0 and \$1,250,400, respectively. The crediting interest rate was based on a formula agreed upon with the issuer but could not be less than 0%. Such interest rates were reviewed on a semiannual basis for resetting.

Certain events limited the Plan's ability to transact at contract value with Principal. Such events included (a) amendments to the plan document, including complete or partial termination of the Plan or merger with another plan, (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other plan sponsor events (e.g., divestitures or spin-offs of a subsidiary) that caused a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator did not believe any events that would limit the Plan's ability to transact at contract value with the Plan's participants were likely to occur.

The guaranteed investment contract did not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTES TO FINANCIAL STATEMENTS

APRIL 29, 2016 AND DECEMBER 31, 2015

NOTE 5 – RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

The Plan allowed for transactions with certain parties who could perform services or have fiduciary responsibilities to the Plan. Certain investments of the Plan were managed by Principal, the custodian and recordkeeper of the Plan. The Plan issued loans to participants, which were secured by the balances in the participants' accounts. The Plan Sponsor paid certain administrative expenses of the Plan, including recordkeeping and audit fees. These transactions qualified as party-in-interest transactions for which a statutory exemption existed.

NOTE 6 – PLAN TERMINATION

In January 2016, the Plan Sponsor was purchased by Burndy LLC, an affiliate of Hubbell, Inc and, as mentioned in Note 1, the Plan was terminated effective April 29, 2016 and all assets of the Plan, totaling \$6,144,132, were transferred to Hubbell Incorporated Employee Savings & Investment Plan.

NOTE 7 – TAX STATUS

The Plan obtained its latest determination letter on June 4, 2004, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan was later amended and restated. However, the Plan Administrator believed that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC and that the Plan was qualified and the related trust was tax-exempt. Therefore, no provision for income taxes was included in the Plan's financial statements.

GAAP required plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator analyzed the tax positions taken by the Plan and concluded that, as of April 29, 2016, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan was subject to routine audits by taxing jurisdictions; however, there were no audits for any tax periods in progress. The Plan Administrator believed it was no longer subject to income tax examinations for years prior to 2013.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invested in various investment securities, which were exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of the investment securities would occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE 9 – CUSTODIAN CERTIFICATION

The investment information, notes receivable from participants and related income information included in the financial statements, accompanying notes and supplemental schedule, summarized below, were derived from statements certified by Principal as complete and accurate in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

To whom it may concern:

Please be advised that R.W. Lyall & Company, Inc. was acquired by Hubbell Inc. on 1/19/16. As a result, the Employee 401(k) Profit Sharing Plan of R.W. Lyall and Company, Inc. (FEIN 95-2669215) was merged into the Hubbell Incorporated Employee Savings and Investment Plan (FEIN 06-0397030) effective 4/30/16.

This created a stub period of 1/1/16 to 4/29/16 for the Lyall 401(k) plan and under the date guidelines of the software of the Lyall 401(k) plan administrator, it flagged the stub period return with a due date of 11/30/16. However, we feel that due to the merging of the Lyall 401(k) plan assets into the Hubbell plan, the due date for the stub period is interpreted to be the same as the Plan it merged into (7/31/17). Additionally, we needed to file the 2015 Lyall 401(k) plan form 5500 by its extended due date (10/15/16) to ensure proper beginning balances for the following audit of the stub period 2016 amounts. The requirement and coordination of an outside audit to occur after the timely filing of the 2015 return, would have made it impossible to meet an 11/30/16 filing date for the stub 2016 return.

Please accept our petition to waive any applicable late filing fees associated with Lyall's 2016 stub period return for reasonable cause. If you have any questions or need any more information, please contact me at 951-270-1500.

Sincerely,
