To be eligible for employer contributions full time employees are required to work more than six months in a plan year. To be eligible for employer contributions part-time employees are required to work more than one thousand hour in a given plan year. The plan excludes temporary or seasonal employees who work only up to six months in a plan year. The plan also provides automatic employee enrollment upon eligibility. The Plan adopted IRC Safe Harbor Provisions. Effective July 1, 2016, the plan terminated its IRC Safe Harbor election. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Eligible participants can elect to contribute a percentage of their annual compensation, as defined in the Plan, up to the maximum allowed under the applicable provision of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Effective January 1, 2017, eligible participants will be able to elect to make Roth deferrals to the plan. Participants may also contribute amounts representing distributions from other qualified plans and certain IRAs. Effective July 1, 2016, the plan was amended to include an automatic deferral provision, which provides employees with an automatic deferral of 4% of compensation, the automatic deferral percentage will increase annually by 1% of compensation up to a maximum of 15% of compensation. However, participants can elect exclusion from the automatic deferral provision. Participants may direct contributions and related earnings to a general asset fund or other mutual fund accounts selected by the 401(k) Plan Trustees. The Plan presently maintains 31 investment fund options that are classified by the Plan as stable, conservative, moderate, dynamic, or aggressive in nature.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

The Voya fixed account is a guaranteed interest account which is supported by investments in public bonds, private placement bonds and commercial mortgages. Participants may elect to revise investment allocations at any time using on-line access. Through June 30, 2016, Boat America Corporation matched 100% of the participant's elected deferred contribution, up to a maximum of 4% of the participant's compensation each paid period. Effective July 1, 2016, Boat America Corporation terminated its Safe Harbor election. Accordingly, the plan as amended provides annual profit sharing contributions. To discharge fiduciary liability for investment losses, the Plan sponsor qualified the Plan as a 404(c) plan under the Employee Retirement Security Act of 1974 (ERISA).

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) Boat America Corporation's contribution and, (b) Plan earnings or losses, and charged with an allocation of administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and related earnings. Through June 30, 2016, participants vested in Boat America Corporation's safe harbor contributions and profit sharing contributions immediately. Effective July 1 2016, participants vest in employer profit sharing contributions based on the years of service as follows:

<u>Years of Service</u>	<u>Percentage Vesting</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

The Plan also includes a loan provision allowing participants to borrow money from their individual accounts at amounts between \$1,000 and the lesser of \$50,000 or 50% of the participant's vested balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.5%, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid through payroll deductions each pay period.

Payment of Benefits

Upon separation of service, participants whose vested accounts that are below \$5,000 will receive an immediate lump sum distribution, while all others may elect to withdraw balances in lump sum or installments or may let the balances remain in the Plan until the participant has reached age 70½. The Plan also offers hardship withdrawals for those in need who qualify.

Forfeited Accounts

When termination occurs before the matching contribution is fully vested, the forfeited amount is used to reduce employer matching contributions. During the year ended December 31, 2016 forfeited amounts of \$6,040 were used to reduce employer matching contributions.

Upon complete or partial termination of the Plan, or in the event of complete discontinuance of contributions, the rights of all affected participants to benefits accrued through the date of termination or discontinuance shall become non-forfeitable.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared using the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2016 and 2015, no allowance for credit losses has been recorded. The plan administrator will consider a participant note receivable to be in default if any scheduled note repayment is not made by the end of the calendar quarter in which the missed payment was due. If a participant note receivable is considered to be in default, the note balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment.

Investment Valuation and Income Recognition

Investments of the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for further details of fair value measurements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

All expenses of maintaining the Plan are paid by Boat America Corporation.

Federal Income Tax Status

The IRS provided the Plan with a favorable determination letter dated September 1, 2014. Therefore, it is exempt from Federal income taxes under Section 401(k) of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Evaluation of Subsequent Events

Subsequent events were evaluated through June 9, 2017, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2016 and 2015:

	Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>December 31, 2016</u>	
Mutual funds	<u>\$ 40,459,888</u>
<u>December 31, 2015</u>	
Mutual funds	<u>\$ 43,368,269</u>

Gains and losses included in changes in net assets available for benefits are reported in net appreciation in fair value of investments.

**BOAT AMERICA CORPORATION EMPLOYEES'
PENSION AND SAVINGS PLAN**
Notes to Financial Statements (Continued)
December 31, 2016

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2016, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 4 - UNAUDITED INFORMATION CERTIFIED BY THE PLAN TRUSTEE

The Statements of Net Assets at December 31, 2016 and 2015, the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2016 and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information includes total investments of \$63,170,357 and \$63,440,527 at December 31, 2016 and 2015, respectively, investment income of \$3,102,767 and interest income of \$45,545 for the year ended December 31, 2016.

NOTE 5 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 1999, the Plan entered into a fully benefit-responsive guaranteed investment contract with Voya Institutional Trust Company (Voya). Voya maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by National, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2016 and 2015, was \$22,710,469 and \$20,072,258, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 3%. Such interest rates are reviewed on a quarterly basis for resetting.

PENSION AND SAVINGS PLAN**

**NOTE 5 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE
COMPANY (Continued)**

Certain events limit the Plan's ability to transact at contract value with Voya. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

**NOTE 6 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST
TRANSACTIONS**

During 2013, a loan from the Plan was issued to a plan trustee in the amount of \$35,000. The loan interest rate is 4.25% and will be repaid over a period of five years. The transaction was compliant with the provisions of the Plan, but considered a related party transaction due to his position as a trustee of the Plan. As of December 31, 2016, all scheduled payments have been made.

During 2014, a loan from the Plan was issued to a plan trustee in the amount of \$6,000. The loan interest rate is 4.25% and will be repaid over a period of one year. The transaction was compliant with the provisions of the Plan, but considered a related party transaction due to his position as a trustee of the Plan. As of December 31, 2016, all scheduled payments have been made.

Certain Plan investments are investment funds and a guaranteed investment contract managed by Voya Institutional Trust Company. Voya Institutional Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$3,818 for the year ended December 31, 2016.

TRANSACTIONS** (Continued)

Boat America Corporation incurs certain administrative fees on behalf of the Plan. The total administrative fees incurred by Boat America Corporation on behalf of the Plan for the year ended December 31, 2016 was \$13,250.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, Boat America Corporation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
