INDEPENDENT AUDITORS' REPORT

To the Administrator of the
GESC 401(k) Plan
12 Greenway Plaza Suite 250
Houston, Texas 77046

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of GESC 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits (cash basis) as of January 3, 2012 and December 31, 2011, and the related statement of changes in net assets available for benefits (cash basis) for the three days ended January 3, 2012, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting as described in Note 2; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis of Disclaimer of Opinion paragraph, however, we were unable to obtain sufficient appropriate evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management Trust Company ("Fidelity") the custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian held the Plan's investment assets and executed investment transactions. The plan administrator has obtained certifications from the custodian as of and for the three days ended January 3, 2012 and as of December 31, 2011, that the information provided to the plan administrator by the custodian is complete and accurate. Effective January 3, 2012 the Plan merged into the Direct Energy US 401(k) Plan (Direct Energy Plan).

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on a cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Other Matters

The Plan's statement of changes in net assets available for benefits does not present investment income separate from the net change in fair value of investments. In our opinion, disclosure of that information is required to conform to accounting principles generally accepted in the United States of America; however, Plan management believes it is impracticable to develop the information.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified by the custodians, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.
