** - Base commissions paid on your contract or policy.

*** - Other commissions paid on your contract or policy such as General Agent commissions.

**** - Special programs and/or bonuses that are paid based on a broker/consultant's total volume. To calculate the proportion of the bonus allocated to your contract or policy, your eligible volume is divided by the broker/consultant's total volume. The amounts shown in section 4b and 4c do not directly impact your overall premium and administrative fees.

RE:	Supplemental Information You May Need To Complete your ERISA Form 5500
Reporting Period:	2016
Account Number:	153982

Note: The Supplement to the 2016 ERISA Form 5500 Information Report regarding non-monetary compensation paid by HCSC* is attached. This information is being forwarded to the main account contact identified in our records for your account. You may find it appropriate to pass all of this information along to the person or department responsible for completing your company's tax information.

In accordance with the requirements of the Employee Retirement Income Security Act of 1974 (ERISA) and regulations published by the Department of Labor, Department of the Treasury, and the Pension Benefit Guaranty Corporation on November 16, 2007 effective beginning with the 2009 Plan year, attached is the calendar year information you may need to complete the ERISA Form 5500 for the 2016 Plan year for the account number referenced above.

The attached Form 5500 Supplemental Information Report contains information regarding non-monetary compensation from HCSC including Dental Network of America, Inc. to the identified service providers and is based on the expanded definition of indirect non-monetary compensation included in the ERISA regulations issued in 2007.

HCSC elected to use an estimation method that is allowed under the ERISA Form 5500 regulation to allocate indirect non-monetary compensation for gifts, meals, entertainment and meetings to the Group Customer and Producer by account number. This estimation method is described on the attached Supplement. The allocated amount may be more or less than the amount actually provided and, in fact, the amount of indirect non-monetary compensation actually provided to the Group Customer or Producer could be as little as $0.00.

This transmittal does not include all information that may be needed if the Plan Administrator deems it necessary to prepare Schedule C with its ERISA Form 5500 report it submits to the government. A 2016 ERISA Disclosure Information Report that discusses certain indirect monetary compensation that we believe meets the criteria for Eligible Indirect Compensation under the ERISA regulations is available upon request.

The ERISA Form 5500 Information Report(s), the Form 5500 Supplemental Information Report and the 2016 ERISA Disclosure Information Report may all need to be referenced for purposes of completing the ERISA Form 5500 and Schedules submitted by you to the government. It is the Plan Administrator's responsibility to determine which information is required to be included on the Plan's ERISA Form 5500. Please consult your own advisors and legal counsel to determine how the new reporting requirements apply to your specific organization.

If you have any questions or need additional information, including the ERISA 2016 Disclosure Information Reports, please contact your Blue Cross and Blue Shield of Illinois Account Representative.

* The non-monetary compensation in the form of meals, entertainment, gifts and meetings provided by Health Care Service Corporation including Dental Network of America, Inc. to Group Customers and Producers in relation to Group Customer business was estimated as the sum of:

1) The 2016 calendar year expenses provided by Dental Network of America to that Group Customer or a Producer associated with that Group Customer. Producer expenses that relate to the Producer's total Group Customer business were allocated based on the weighted amount that the Group Customer's number of subscribers represented to the Producer's total Group Customer business number of subscribers. Any amounts provided by Dental Networks of America, Inc. were added to the HCSC estimate described below.

2) The 2016 calendar year expenses provided by HCSC. Expenses with unit values greater than or equal to $10 for meals, entertainment, gifts, and meetings were allocated to Group Customers and Producers based on the type of recipient and split by line of business (small group, large group, national accounts, government, etc.). For each line of business the expense amount was divided by the total number of subscribers to develop a Group Customer and Producer estimate factor. The estimate factor was then multiplied by the number of subscribers for each Group Customer to determine the estimated non-monetary compensation provided by HCSC to the Group Customer and the Producers associated with that Group Customer. In the event that more than one Producer was associated with the Group Customer during the calendar year, the Producer estimate amount was equally allocated to each Producer when the producers were active for the same number of subscriber months. For expenses where the recipient type was unknown, they were prorated between Group Customer and Producer based on the resulting allocation of expenses where the recipient type was known.

Meetings with a unit value per attendee that exceeded $500 for Group Customers were considered of high value and evaluated separately for purposes of the estimate factors. These expenses were reviewed to determine the specific Group Customer to which the expense related and added to that specific Group Customer's estimate. Meals, entertainment, and gifts with a unit value per recipient that exceeded $350 for Group Customers were considered of high value and evaluated separately for purposes of the estimate factors. These expenses were reviewed to determine the specific Group Customer to which the expense related and was added to that specific Group Customer's estimate.

PLEASE NOTE: The amounts allocated above may be more or less than the amount actually provided and, in fact, the amount of indirect non-monetary compensation actually provided to the Group Customer or Producer could be as little as $0.00.

Re: Schedule A (Form 5500) Insurance Information
Group Policy Number: 237580

Dear Valued Customer:

We are sending you the enclosed information to assist you in completing Schedule A of IRS/DOL/PBGC Form 5500. The enclosed information includes for your Schedule A all the premiums we received, plus all commissions we paid to your broker.

The commission information includes:

- Base commissions and special commissions (sometimes referred to as override payments, or program management fees).
  Base commissions are policy specific and are included in the policy rate(s). These will appear in the box labeled "Amount of commissions paid". If there is more than one broker splitting the base commission amount these will appear in separate boxes labeled "Amount of commissions paid".
  Special commissions (sometimes referred to as override payments or program management fees), are also policy specific but generally are not included in the policy rate(s). If a policy has both base commissions and special commissions for the same broker, these are combined and shown as one payment in the "Amount of commissions paid" box.
- Bonus commission and producer conference fees.
  Bonus payments are not policy specific and are paid based upon the anticipated annual premiums of all your broker's or administrator's policies with us. The amount of the bonus that is paid to your broker and attributable to your policy is determined by allocating the total bonus amount for the calendar year in proportion to the anticipated annual premium associated with each policy used in the calculation of the total bonus amount. Bonus payments are a company operating expense and, thus, are not directly reflected in the policy rate(s). Bonus payments appear in the "Bonus and additional payments paid" box.
  During the course of the year, Sun Life sales and other personnel may engage in various activities with the insurance producers connected with your ERISA plan, such as "lunch and learn" meetings, restaurant meals, attending sporting events, and/or playing golf. Generally, these activities are intended to establish or strengthen the business relationship between the Sun Life sales personnel and the insurance producers and are not provided as a compensatory payment attributable to the plan's insurance contract or to the non-insurance services being provided to the plan. Accordingly, we are not reporting such expenses unless we have determined both that a particular expense is in fact a compensatory payment and exceeds the insubstantial value reporting threshold described in the Form 5500 instructions.

Please let us know if you do not file a Schedule A of Form 5500 and you do not wish to receive this information in the future. If you have any questions concerning this letter or enclosed information, please call us at 1-800-440-1311.

Sincerely,
Group Compensation Services
