HOTT ASSOCIATES, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2016

1. DESCRIPTION OF PLAN

The following description of the HOTT Associates, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering substantially all employees of HOTT Associates, Inc. (the "Company") who have worked one year and at least 1,000 hours, attained the age of 21 within the Plan year, and met certain other eligibility requirements. It is subject to the provision of the Employer Retirement Income Security Act (ERISA).

Participants' Account – Each participant's account is credited with an allocation of (a) his or her elective deferral, (b) the Company's contribution, if applicable, (c) Plan earnings, (d) forfeitures of terminated participants' non-vested accounts, and (e) is charged with an allocation of administrative expenses, if any. Upon enrollment in the Plan, participants may direct contributions among investment choices and may change their investment options on any normal business day. Allocations by the Plan are based on participant earnings or account balances as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Funding Policy – The Company's funding policy is to make the contributions to the Plan as soon as administratively feasible.

Investments – All investments of the Plan are participant-directed and held in shares of pooled separate accounts. Participants may choose their investment option on any normal business day.

Contributions – Participants may make pre-tax and Roth post-tax contributions in 1% increments up to the maximum amount set by the law. The Company may make discretionary matching, profit sharing, and "safe harbor" matching contributions. For 2016 and 2015, the Company made a discretionary "safe harbor" matching contribution equal to 100% of participants' pre-tax contribution up to 3% of participant's compensation. Contributions are subject to maximum annual limits as defined by various laws and regulations.

Payment of Benefits – Benefits will be paid from the Plan upon the occurrence of any of the following events:

Retirement -- A participant, upon retirement from employment with the Company at either normal retirement date (age 65) or at any time thereafter, shall be entitled to receive the entire balance in his or her account.

Disability -- In the event a participant becomes totally disabled, the participant shall be entitled to receive the entire balance in his or her account.

Death -- Upon death of a participant, the beneficiary of the participant shall be entitled to receive the entire balance in his or her account remaining at death.

Termination of Employment -- Upon termination of employment with the Company for any reason other than death, retirement, or total disability, a participant shall be entitled to the vested balance in his or her account.

Hardship – A participant shall be entitled to a hardship withdrawal of the participant's share of salary deferrals after maximum participant loans have been withdrawn, the participant will not be allowed to make salary deferral contributions for a period of twelve months after receiving a hardship distribution.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Vesting – Each participant has a 100% non-forfeitable vested interest in his or her elective deferral contributions and Company "safe harbor" matching contributions. Vesting in the participant's share of the Company's matching and profit sharing contributions is based upon years of continuous service according to a six-year graduated scale. The participant will be 20% vested after two years of service and will vest an additional 20% for each year thereafter. A participant is 100% vested after six years of credited service or in the event of death, disability, or retirement.

Forfeitures – The Company has the option to use forfeited non-vested unallocated accounts to reduce the employer's discretionary contribution or to reallocate these funds to participants in the same manner as Company's contributions immediately following the Plan year in which the forfeitures occur. At December 31, 2016 and 2015, there were \$0 and \$1,017, respectively, in forfeited unallocated accounts. All 2016 forfeitures were used to pay Plan expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value (see Note 5) which is based on the pooled separate accounts market values on the last business day of the Plan year. The change in the difference between fair value and the cost of investments and gain or loss on the sale of investments is reflected in the statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments. The cost of investments sold is based on the average cost of the investments.

Benefit Payments – Benefits are recorded when paid.

Accounting Estimates – Management uses estimates and assumptions in preparing financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets, liabilities, and the reported amounts of changes in net assets. Actual results could vary from the estimates that were used.

3. INVESTMENTS

During 2016, the Plan's pooled separate accounts (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$22,756.

4. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

John Hancock Life Insurance Company, current trustee of the Plan, held the Plan's investment assets and executed transactions therein as of and for the years ended December 31, 2016 and 2014. The following is a summary of the Plan's financial information certified by the Trustee as complete and accurate in accordance with section 2520.103-8 of the Department of Labor's rules and regulations for reporting and disclosure under the Employee Retirement Income Security Act of 1974.

Also, the information included in the supplementary schedule, Schedule of Assets (Held at End of Year) was certified by John Hancock Life Insurance Company.

	<u>12/31/16</u>	<u>12/31/15</u>
Value of interest in pooled separate accounts	\$353,197	\$221,937

Changes in net assets for the year ended December 31, 2016, not audited, included the following:

Net investment gain from pooled separate accounts	\$ 22,756
--	-----------

5. VALUATION OF INVESTMENTS

FASB ASC 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in active market;
- Inputs other than quoted prices that are observable for assets or liabilities;
- Inputs that are derived principally from or corroborated by observable inputs for substantially the full term of the asset or liability.

If the assets or liabilities has a specified (contractual term), the Level 2 inputs must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016.

Pooled Separate Accounts – Valued at the fair market value as certified by John Hancock Life Insurance Company, third party administrator and holder of the Plan assets, at year-end.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurement at the reporting date.

A summary of the Plan's investments showing their year-end valuations and valuation source is as follows:

		Fair Value Measurements Using:		
		Significant		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	Fair Value			
<u>December 31, 2016</u>				
Pooled Separate Accounts	\$ 353,197	\$ -	\$ 353,197	\$ -
Total	<u>\$ 353,197</u>	<u>\$ -</u>	<u>\$ 353,197</u>	<u>\$ -</u>
<u>December 31, 2015</u>				
Pooled Separate Accounts	\$ 221,937	\$ -	\$ 221,937	\$ -
Total	<u>\$ 221,937</u>	<u>\$ -</u>	<u>\$ 221,937</u>	<u>\$ -</u>

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in net appreciation in fair value of investments in the Statement of Changes in Net Assets Available for Benefits.

6. PLAN TERMINATION

Although they have not expressed an intent to do so, the Company has the right, at any time, to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain Plan investments were managed by Trinity Pension Consultants. John Hancock Life Insurance Company was the trustee and custodian of the Plan as defined by the Plan agreement. These transactions qualify as party-in-interest. Administrative fees related to the administration of the Plan are paid by the Plan. Other administrative fees are paid by the Plan Sponsor on behalf of the Plan.

9. TAX MATTERS

John Hancock Life Insurance Company obtained a determination letter from the Internal Revenue Service dated March 31, 2014 stating that their prototype Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan itself has not received a determination letter from the IRS. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date. The Summary Plan Description as amended, has been submitted to ERISA for their review and filing.

Accounting principles generally accepted in the United State of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has determined that the Plan does not have any uncertain tax positions and the associated unrecognized benefits that materially impact the financial statements or related disclosures. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2014 as this was the first year for the Plan.

10. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets per the financial statements to the Form 5500 for the years ended December 31, 2016 and 2015, respectively:

	<u>2016</u>	<u>2015</u>
Net assets available for benefits per the financial statements	\$ 393,923	\$ 228,319
Less: Employer safe harbor contribution receivable	<u>(40,726)</u>	<u>(6,382)</u>
Net assets available for benefits per the Form 5500	<u>\$ 353,197</u>	<u>\$ 221,937</u>

11. SUBSEQUENT EVENTS

Subsequent events are those events or transactions that occur following the Statement of Net Assets Available for Benefit date, but before the financial statements are issued, or are available to be issued. ASC Section 855, *Subsequent Events*, requires disclosure regarding the date through which subsequent events have been evaluated and the basis for determining that date. Subsequent events have been evaluated through July 25, 2017, which is the date the financial statement were available to be issued.
