Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Blackbird Technologies, Inc. 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 9, 2016 (in liquidation) and December 31, 2015 (ongoing), and the related statement of changes in net assets available for benefits for the period ended December 9, 2016 (in liquidation), and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Empower Retirement, the "custodian" of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedules. The Plan administrator has obtained a certification from the custodian as of December 9, 2016 (in liquidation) and December 31, 2015 (ongoing), and for the period ended December 9, 2016, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As described in Notes 1, 2, and 4, of the financial statements, effective January 1, 2016, Raytheon Blackbird Technologies, Inc., the Plan Sponsor, was approved as an adopting employer into the Raytheon Savings and Investment Plan. As a result, the Board of Directors elected to merge the Plan. Effective January 1, 2016, the Plan was frozen and no participants were eligible to make contributions to the Plan. On December 9, 2016, the Plan was merged and all assets were transferred. On this date, the Plan was fully liquidated. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the ongoing plan basis in presenting the 2015 financial statements to the liquidation basis used in presenting the 2016 financial statements. Our opinion is not modified with respect to this matter.

Report on Form and Content in Compliance with DOL's Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Effective January 1, 2016, the Plan Sponsor was approved as an adopting employer into the Raytheon Savings and Investment Plan. As a result, the Board of Directors elected to merge the Plan. Effective January 1, 2016, the Plan was frozen and no participants were eligible to make contributions to the Plan. On December 9, 2016, the Plan was merged and all assets were transferred. On this date, the Plan was fully liquidated. See Notes 2 and 4 for further information.

Plan Administration and Administrative Expenses – The Plan’s assets are held in the custody of Empower Retirement (“Empower”), the custodian. The Plan is administered by the Plan Sponsor. Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Substantially all administrative expenses are paid directly by the Plan Sponsor.

Participant Contributions – As disclosed previously, the Plan was frozen effective January 1, 2016 and no elective deferrals were allowed to be contributed to the Plan for the period ended December 9, 2016.

Plan Sponsor Contributions – The Plan Sponsor may make a discretionary matching contribution to the Plan, with the amounts determined annually and contributed to the Plan in the subsequent Plan year. Plan Sponsor discretionary contributions and forfeitures are allocated to participants based on total compensation of all participants. A participant must be employed on the last day of the Plan year in order to share in the allocation of Plan Sponsor contributions. The discretionary matching contribution for 2015, made during the period ended December 9, 2016, was \$1,343,629. The Company may also make a qualified nonelective contribution (“QNEC”), to be allocated to non-highly compensated eligible employees. There were no qualified nonelective contributions made during the period ended December 9, 2016. Contributions are subject to certain limitations.

Vesting – Participants are immediately vested in their salary deferral contributions, rollover contributions, and qualified nonelective contributions, plus actual earnings thereon. Participants may direct the investment of contributions on a daily basis into various investment options offered by the Plan. A participant also becomes 100% vested upon death, becoming disabled, or reaching retirement age, as defined by the Plan. Participants also became fully vested in their account balances effective December 9, 2016 upon the merging of the Plan.

Prior to December 9, 2016, Plan Sponsor discretionary matching contributions vested as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 3	0%
3 or more	100%

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 9, 2016 (IN LIQUIDATION) AND DECEMBER 31, 2015 (ONGOING)

Note 1—Description of the Plan (continued)

Participant Accounts – Individual accounts are maintained for each participant and include participants' salary deferral contribution and rollover contributions, plus an allocation of the Plan Sponsor's discretionary matching contribution, QNEC contribution (if any) and plan earnings (losses), including realized and unrealized gains and losses on investments, and Plan expenses. Allocations are based on participant earnings or account balances, as defined.

Forfeitures – Terminating participants forfeit nonvested Plan Sponsor discretionary matching contributions. Remaining forfeitures are applied against Plan Sponsor contributions in accordance with specific Plan provisions.

At December 9, 2016 and December 31, 2015, forfeited nonvested accounts totaled \$0 and \$777,328, respectively. During the period ended December 9, 2016, no forfeitures were used to reduce Plan Sponsor contributions.

Payment of Benefits – On termination of service, a participant (or designated beneficiary) may elect to receive an amount equal to the value of the participant's vested interest in his or her account. The Plan allows for distributions upon termination of service, death, disability, attainment of age 59½, or in certain hardship situations. A participant may elect to receive a lump-sum payment, an annuity, or may roll over the value of their account into another qualified plan. In the event a participant terminates or retires and the participant's vested account balance is less than \$1,000, the balance will either be rolled into an individual retirement account ("IRA") or paid out as a lump-sum distribution at the discretion of the Company.

The Plan also allows participants, in certain hardship situations as defined in the Plan, to withdraw from their account balances while actively employed. These hardship withdrawals are subject to IRC restrictions and penalties.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their eligible account balance, reduced by any outstanding note balance. Participants may have up to two notes outstanding during a period of 12 consecutive months. Notes must be repaid within 5 years unless it is for the purchase of a primary residence. The notes are secured by the balance in the participant's account and bear interest at a rate, as determined by the Plan administrator. At December 9, 2016, all outstanding loans were transferred to the Raytheon Savings and Investment Plan.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes receivable are reclassified as distributions based upon the terms of the Plan document.

Investment Options – Participants may direct Empower as to the investment of their account balances in accordance with guidelines established by the Plan. Participants may change their investment elections at any time. Transfers of account balances between elected investment options may also be made at any time.

Note 2—Summary of significant accounting policies

Basis of Accounting – The accompanying financial statements of the Plan have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP") as of and for the year ended December 31, 2015.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 9, 2016 (IN LIQUIDATION) AND DECEMBER 31, 2015 (ONGOING)

Note 2—Summary of significant accounting policies (continued)

The liquidation basis of accounting was as of December 9, 2016, which is considered GAAP for entities in liquidation.

Use of Estimates – The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Such estimates include those regarding fair value. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Benefits Paid to Participants – Benefits paid to participants are recorded when paid.

Risks and Uncertainties – The Plan provides for various investment fund options. Investments are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Fair Value Measurements – GAAP provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

NOTES TO THE FINANCIAL STATEMENTS

Note 2—Summary of significant accounting policies (continued)

Mutual Funds – These investments are public investment vehicles valued using the NAV provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market and is classified within Level 1 of the valuation hierarchy.

Common / Collective Trust – This investment is a public investment vehicle valued using the NAV as a practical expedient to estimating fair value provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. As part of the adoption of Financial Accounting Standards Board (“FASB”) Accounting Standards Update (“ASU”) 2015-07, the investment has not been classified under the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3—Tax status

The prototype plan adopted by the Plan obtained its latest determination letter on May 18, 2011, in which the Internal Revenue Service (“IRS”) stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter, and has not received a determination letter specific to the Plan itself. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to business income tax and therefore, the Plan continues to be tax-exempt.

GAAP requires Plan management to evaluate the tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 9, 2016 (in liquidation) and December 31, 2015 (ongoing), there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 4—Plan termination

As noted in Notes 1 and 2, the Plan Sponsor merged the Plan on December 9, 2016. On this date, the Plan was fully liquidated and \$45,898,945 was transferred to the Raytheon Savings and Investment Plan.

Note 6—Parties-in-interest

Certain Plan investments are shares of mutual funds or a common/collective trust managed by Empower and, therefore, these transactions qualify as parties-in-interest transactions for which a statutory exemption exists under DOL rules and regulation. Fees paid by the Plan to the custodian totaled \$4,812 for the period ended December 9, 2016.

Note 7—Fair value measurements

Below are the Plan’s financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels described in Note 2, as of December 31, 2015.

Investments				
Mutual funds	\$ 43,214,914	\$ -	\$ -	\$ 43,214,914
Common/collective trust (*)				2,572,619

* In accordance with ASU 2015-07, certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy.
