## Notes to Financial Statements December 31, 2016 and 2015

### Note 1 - Plan Description

The following brief description of ThyssenKrupp Materials NA, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

**General** - The Plan is a defined contribution plan covering all eligible employees of thyssenkrupp Materials NA, Inc., thyssenkrupp Industrial Services NA, Inc., thyssenkrupp Online Metals, LLC, thyssenkrupp Steel North America, Inc., thyssenkrupp Materials, LLC, and thyssenkrupp Logistics, Inc. (collectively, the "Companies"). All employees who have attained age 21 and are not covered by a collective bargaining agreement (unless the agreement specifically provides for participation in the Plan) are eligible to participate in the Plan. Participation is voluntary and effective after the participant's date of hire. The Plan's investments are managed by the trustee of the Plan, John Hancock Trust Company LLC (John Hancock or the "Trustee") and disbursed to specific investment option offerings in proportions directed by each participant. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions** - Employee contributions represent a percentage of each eligible participant's pretax earnings as defined in the plan agreement and are subject to limits imposed by the Internal Revenue Code. The Plan also provides for an after-tax Roth deferral option for participants. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

The Plan allows for the Companies to make discretionary contributions equal to 50 percent of each participant's pretax contributions up to the first 6 percent of compensation deferred, with the exception of eligible participants employed by thyssenkrupp Industrial Services NA, Inc., who shall receive discretionary contributions equal to 50 percent of each participant's pretax contributions up to the first 3 percent of compensation deferred. Participants employed by the former Thyssen Steel Group as of December 31, 1997 who are also participants in ThyssenKrupp Materials NA, Inc. Pension Plan (formerly Thyssen, Inc. Pension Plan) are limited to a maximum \$500 matching contribution per year. Discretionary matching contributions made to participants employed by thyssenkrupp Online Metals, LLC are limited to 4 percent of each participant's compensation for the period during which elective deferrals are made. Any participant covered by a collective bargaining agreement between the Companies and Teamster's Local Union No. 600 is not eligible for discretionary matching contributions.

## **Notes to Financial Statements December 31, 2016 and 2015**

### **Note 1 - Plan Description (Continued)**

In addition, the Companies may determine to make discretionary contributions that shall be deemed profit-sharing contributions. The profit-sharing contribution is allocated to each participant's account in the same proportion as his or her compensation bears to the total compensation of all participants of the Companies, except that participants employed by Copper and Brass Sales, (a division of thyssenkrupp Materials NA, Inc.), thyssenkrupp Materials, LLC, and thyssenkrupp Logistics, Inc. shall have their profit-sharing contributions separately determined in accordance with the plan agreement. The Companies' discretionary profit-sharing contribution approximated \$410,000 and \$611,000 in 2016 and 2015, respectively.

**Participant Accounts** - Each participant's account is credited with the participant's contributions and allocations of the Companies' contributions and plan earnings and charged with an allocation of certain administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

**Vesting** - Participants are immediately 100 percent vested in their contributions and rollovers plus actual earnings thereon. Vesting in the Companies' discretionary matching and profit-sharing contribution portion of their accounts plus actual earnings thereon is based on the following: (1) participants with an existing account balance as of December 31, 1996 are 100 percent vested as of that date or (2) participants who entered the Plan on or after January 1, 1997 have the vested portion of their accounts determined according to years of service, whereby participants with less than three years of service have a vesting percentage of 0 percent and participants with three or more years of service have a vesting percentage of 100 percent.

**Payment of Benefits** - Upon termination of service due to death, disability, or retirement, a participant or his or her beneficiary may elect to receive his or her benefit in the form of an annuity option, an installment option, or a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of services for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

**Participant Notes Receivable** - Participants may borrow from their accounts subject to a maximum equal to the lesser of \$50,000, which amount shall be reduced by the highest outstanding loan balance during the preceding 12-month period, or 50 percent of their account balance at the issue date. Borrowings may not exceed five years, unless used for purchase of a primary residence. Notes receivable are collateralized by the participant's account balance and bear interest equal to the prime lending rate plus 1 percent. Principal and interest are paid ratably, with payments to be made at least quarterly.

## Notes to Financial Statements December 31, 2016 and 2015

### Note 1 - Plan Description (Continued)

**Hardship Withdrawals** - Participants may request that all or a portion of their accounts be distributed in the case of severe financial hardship, as defined in the plan agreement. The Companies must approve any such hardship withdrawals.

**Forfeitures** - If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. Forfeitures are used to pay plan administrative expenses or to reduce future employer contributions.

**Termination** - While they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions set forth in the plan document and ERISA. Upon termination of the Plan, participants become 100 percent vested in their account balances.

**Party-in-interest Transactions** - Certain plan assets are in investment funds managed by John Hancock Trust Company LLC or its affiliates. John Hancock Trust Company LLC is the trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions as defined under ERISA guidelines.

Certain administrative expenses of the Plan are paid by the Companies, which qualify as party-in-interest transactions as well.

### Note 2 - Summary of Significant Accounting Policies

**Benefit Payments** - Benefits are recorded when paid.

**Participant Notes Receivable** - Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

**Risks and Uncertainties** - The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

**Use of Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

**Investment Valuation** - The Plan's investments are stated at fair value, except as noted below.

## **Notes to Financial Statements December 31, 2016 and 2015**

### **Note 2 - Summary of Significant Accounting Policies (Continued)**

The common collective trust fund is valued at net asset value per share or its equivalent of the fund, which is based on the fair value of the fund's underlying assets. There are no redemption restrictions or unfunded commitments on these investments. All other investments are valued based on quoted market prices. See Note 4 for additional information.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Subsequent Events** - The financial statements and related disclosures include evaluation of events up through and including August 16, 2017, which is the date the financial statements were issued.

### **Note 3 - Unaudited Information**

John Hancock Trust Company LLC (the "Trustee") holds the Plan's investments and participant notes receivable and executes all related transactions. The investment and participant notes receivable balances and related income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information provided by the Trustee.

### **Note 4 - Fair Value Measurements**

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the inputs and valuation techniques used to measure fair value.

The following tables present information about the Plan's assets measured at fair value on a recurring basis at December 31, 2016 and 2015.

**Level 1** - Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

**Level 2** - Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

# ThyssenKrupp Materials NA, Inc. 401(k) Plan

## Notes to Financial Statements December 31, 2016 and 2015

### Note 4 - Fair Value Measurements (Continued)

**Level 3** - Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset.

In instances whereby inputs used to measure fair value fall into different levels in the above fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

The Plan's policy is to recognize transfers between levels of the fair value hierarchy as of the actual date of the event of change in circumstances that caused the transfer.

### Note 5 - Tax Status

The Plan has received a determination letter from the Internal Revenue Service (IRS) indicating that the Plan, as designed, is qualified for tax-exempt treatment under the applicable section of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.
