We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

## BASIS FOR DISCLAIMER OF OPINION

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of November 30, 2015, and for the year ended November 30, 2015, that the information provided to the Plan administrator by the trustee is complete and accurate.

## Note 1. Description of Plan

The following description of the Direct Travel 401(k) Plan (the Plan) (formerly the VTS Travel Enterprises, Inc. 401(k) Plan), provides only general information. Participants should refer to the Plan agreement, as amended, for a more complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan established December 1, 1997 and most recently amended in July 2015. The Plan is sponsored by Direct Travel, Inc. (the Company or Plan Sponsor) covering substantially all eligible employees of the following employers, which are wholly owned subsidiaries of the Company:

VTS Travel Enterprises, Inc.
Corporate Travel Management, LLC
Caldwell Travel, Inc.
Travel Destinations Management Group, Inc.
Hurley Travel Experts, Inc.
Child Travel Services, Inc.
Child Travel New York, Inc.
Best Travel & Tours, Inc.
Suzi Davis Travel, Ltd.
Hobson Travel Ltd.

The Company administers the Plan. Automatic Data Processing Inc.'s Retirement Services (ADP) maintains the Plan's records and provides administrative services to the Plan. Reliance Trust Company (Reliance or Trustee) serves as trustee and manages Plan assets. Reliance offers Plan participants a variety of investment options through various mutual funds. Individual accounts are invested in the various investment options at the direction of the participant.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Eligibility:** Employees age 18 or older are eligible to become participants in the Plan the first day of the month after they have completed three consecutive months of service. The Plan excludes union and leased employees.

**Contributions:** New participants under the Plan are automatically enrolled at a deferral rate of 3% of eligible compensation following the date the participant becomes eligible to participate unless the participant affirmatively elects otherwise. Participants may elect to contribute, through payroll deductions, any amount up to 75% of eligible compensation, or maximum limits as determined by Internal Revenue Service (IRS) regulations. Elective contributions may be designated as pre-tax or after-tax Roth 401(k) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make a catch-up contribution. The Plan, at its discretion, will accept into participants' rollover accounts cash received by participants from a qualified plan within the time prescribed by applicable law (rollover contributions).

The Company may elect to make discretionary matching contributions on behalf of the employees based on a defined percentage of the employees' eligible compensation, as determined by the Board of Directors. The Company may also elect to make discretionary profit-sharing contributions on behalf of the employees for a Plan year. There were no profit-sharing contributions made during 2015. The Company match was funded per pay period and was 20% of the first 5% of the participant's contribution, up to a maximum of 1% of the participant's salary.

**Note 1. Description of Plan (continued)**

**Payment of benefits:** Upon retirement (age 65), in-service withdrawal upon attainment of age 59½, death, disability or termination of employment, the participant or his or her beneficiary may elect to receive the value of his or her vested account. In accordance with the Plan provisions, participants may receive their participating interest in the following ways: (a) a lump sum equal to the value of their account or (b) substantially equal installments or (c) partial withdrawals. Hardship distributions are also permitted under the Plan agreement. Accounts with balances less than $5,000 may be immediately distributed upon a distribution event, but require participant consent for balances greater than $5,000.

**Vesting:** Participants' accrued benefits derived from their contributions are immediately vested. The Company's contributions, including the earnings or losses thereon, if any, vest based on the employees' years of completed service as follows:

| Years of Service | Vested Percentage |
|---|---|
| 1 | 25% |
| 2 | 50% |
| 3 | 75% |
| 4 | 100% |

A participant's account becomes 100% vested upon death, total and permanent disability, attaining normal retirement age (65), or if the Plan is terminated.

**Participant accounts:** Each participant's account is credited and debited with the participant's contributions and withdrawals, as applicable, and an allocation of (a) the Company's matching contributions and (b) Plan earnings or losses. Allocations are based on participant earnings or losses and account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Promissory notes receivable from participants:** Participants may borrow from their fund accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of the value of the vested portion of the participant's account balance. Participants may have two loans outstanding at any time. The maximum repayment terms are 5 years for general purpose loans and 30 years for principal residence loans. The amounts borrowed are transferred from the investment funds in which the participant's accounts are currently vested. The promissory notes bear interest at rates equal to the prime rate plus one percentage point at note inception, and mature at various times through 2025. At November 30, 2015 and 2014, interest rates ranged from 4.25% to 5.25%, respectively.

**Plan amendments:** The Plan was amended as follows:

- Effective December 1, 2014, the Plan was amended to provide for the forced individual retirement account rollover distributions for terminated participants with account balances between $1,000 and $5,000.

- Effective January 1, 2015, the Plan was amended to change the vesting schedule for the Company's contributions, including earnings.

- Effective February 27, 2015, the Plan was amended to exclude bonuses from Plan compensation.

- During the year ended November 30, 2015, the Plan was amended to allow participation in the Plan by eligible employees of Child Travel Services, Inc.; Child Travel New York, Inc.; and Hobson Travel, Inc., which are wholly owned subsidiaries of the Company.

## Note 1. Description of Plan (continued)

**Plan amendments: (continued)**

- During the year ended November 30, 2015, the Plan was amended to approve the mergers of the Hurley Travel Experts, Inc. Profit Sharing Plan; Travel Management Destinations Management Group, Inc. 401(k) Plan; Suzi Davis Travel, Ltd. 401(k) Savings Plan & Trust; and Best Travel 401(k) Retirement Plan into the Plan.

Except for Plan mergers, none of these amendments adopted during the year ended November 30, 2015 had a significant effect on net assets of the Plan either individually or in the aggregate.

## Note 2. Summary of Significant Accounting Policies

**Basis of accounting:** The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

**Payment of benefits:** Benefit payments are recorded when paid.

**Use of estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

**Valuation of investment and income recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Promissory notes receivable from participants:** Promissory notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as deemed distributions based upon the terms of the Plan agreement.

**Expenses:** Certain administrative expenses incurred by the Plan are paid by the Plan. In addition, fees related to the processing of certain participant-directed transactions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

**Recent accounting pronouncements:** In May 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or Its Equivalent)*. The update applies to reporting entities that elect to measure the fair value of an investment using the net asset value (NAV) per share (or its equivalent) practical expedient. The update removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using NAV as a practical expedient. The update also removes the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using NAV as a practical expedient. The update is effective for all plan years beginning after December 15, 2015. Earlier application is permitted. Entities should apply the update retrospectively to all periods presented. The Plan administrator is currently evaluating the effect that the adoption of this update will have and does not expect that it will have a material impact on the Plan's financial statements.

### Note 2. Summary of Significant Accounting Policies (continued)

**Recent accounting pronouncements: (continued)**

In July 2015, the FASB issued ASU No. 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, and (Part III) Measurement Date Practical Expedient*. Part I requires fully benefit-responsive investment contracts to be measured, presented, and disclosed only at contract value. Part II eliminates the current general requirements for plans to disclose: individual investments that represent 5% or more of net assets available for benefits, the net appreciation or depreciation for investments by general type, the need to disaggregate the investments in multiple ways, and disclosure regarding investment strategies for investments measured at NAV that are direct filing entities. Part III provides a practical expedient to permit plans to measure investments and investment-related accounts as of a month-end date that is closest to the plan's fiscal year-end when the fiscal period does not coincide with a month-end. The amendments are effective for all plan years beginning after December 15, 2015. Earlier application of any or all of the three parts is permitted. The Plan administrator is currently evaluating the effect that the adoption of this update will have and does not expect that it will have a material impact on the Plan's financial statements.

### Note 3. Information Certified or Provided by the Plan's Trustee

The Plan administrator has obtained certification from its trustee that information provided to the Plan administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the investment information certified by the trustee, except for comparing the information contained therein to information included in the financial statements and the supplemental schedule of assets (held at end of year).

The following table presents the fair value of the investments in the Plan that was certified by Reliance Trust Company. Single investments representing more than 5% of the Plan's net assets as of November 30, 2015 and 2014, are separately identified.

| | November 30, | | |

| Total investments | $ 21,882,405 | $ 9,547,005 | |
| Promissory notes receivable from participants | $ 542,867 | $ 269,771 | |

* Represented less than 5% of the Plan's net assets.

### Note 3. Information Certified or Provided by the Plan's Trustee (continued)

The Plan's investments are subject to market volatility and, accordingly, changes in market value may impact the financial statements.

Reliance Trust Company also certified to the completeness and accuracy of $924,717 of net depreciation in fair value of investments related to the money market fund and mutual funds, $514,924 of dividends, and $18,194 of interest income from promissory notes receivable from participants for the year ended November 30, 2015.

### Note 4. Fair Value Measurements

FASB Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements and Disclosures,* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially for the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used as of November 30, 2015 and 2014.

*Money market fund*: Valued at amortized cost of the underlying money market investments that mature within a relatively short period. The carrying amount approximates fair value because the instrument is liquid in nature.

*Mutual funds (registered investment companies):* Assets primarily include mutual funds. Prices are obtained from readily available sources for market transactions involving identical assets or liabilities and these are classified as Level 1 investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes that its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Note 4. Fair Value Measurements (continued)**

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of November 30, 2015 and 2014:

| | Assets at Fair Value as of November 30, 2015 | | | |

## Note 5. Plan Mergers

During the year ended November 30, 2015, the Plan was amended to approve the mergers of four plans into the Direct Travel 401(k) Plan. Affected participants became eligible to participate in the Plan subject to the provisions of the Plan agreement. The mergers did not impact participant benefits as the benefit provisions were incorporated in the Plan. The mergers were as follows:

| | Effective Date of Merger | Net Assets Transferred |
|---|---|---|
| Hurley Travel Experts, Inc. Profit Sharing Plan | January 1, 2015 | $ 1,438,350 |
| Travel Management Destinations Management Group, Inc. 401(k) Plan | January 15, 2015 | 2,643,229 |
| Suzi Davis Travel, Ltd. 401(k) Savings Plan & Trust | May 1, 2015 | 1,309,806 |
| Best Travel 401(k) Retirement Plan | June 12, 2015 | 7,399,332 |
| | | $ 12,790,717 |

## Note 6. Tax Status

The Plan adopted a non-standardized form of a prototype plan sponsored by ADP. The prototype plan has received an opinion letter from the IRS dated July 16, 2014, as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

The Plan Sponsor's management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustments to the financial statements. Therefore, no provision or liability for income taxes have been included in the financial statements as of November 30, 2015 and 2014, and for the year ended November 30, 2015.

## Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth by ERISA. Upon such termination, all participants become 100% vested in their accounts, and the Plan administrator is to distribute each participant's interest to the participant or the participant's beneficiaries

## Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Additionally, some investments held by the Plan are invested in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. companies.

### Note 9. Exempt Party-in-Interest and Related Party Transactions

The Plan is administered by ADP Retirement Services as the recordkeeper and, accordingly, transactions with ADP Retirement Services qualify as party-in-interest transactions. For the year ended November 30, 2015, fees in the amount of $3,991 were paid to ADP Retirement Services for processing of certain participant-directed transactions. In addition, the Plan permits loans of Plan assets to Plan participants. Such participant loans are designed and administered to be exempt prohibited transactions.

### Note 10. Subsequent Events

Subsequent to November 30, 2015, the Plan was amended to:

- Approve the merger of the Creative Group, Inc. 401(k) and Profit Sharing Plan;
- Allow participation in the Plan by eligible employees of Emergency Travel Services, LLC, which is a wholly owned subsidiary of the Company;
- Approve the merger of the Peak Travel Group 401(k) Plan;
- Restate the Plan to bring it into compliance with the Pension Protection Act of 2006 and other legislative and regulatory changes; and
- Increase the Company match to 30% of the first 6% of the participant's contribution, up to a maximum of 1.8% of the participant's eligible compensation.

The Plan administrator has evaluated all subsequent events through the auditors' report date, which is the date the financial statements were available for issuance. There were no additional material subsequent events that required recognition or disclosure in the financial statements.
