PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS**

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the GCGA Physicians, Inc. (the Company) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Document and the summary plan description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company except employees who are designated as P.R.N. employees. For the purpose of making employee deferrals, an employee will become a participant in the Plan on the first entry date following the day on which one year of service is completed (including 1,000 hours of service) and age twenty-one is attained. Entry dates are January 1st, April 1st, July 1st, and October 1st. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendment

Effective February 1, 2016, the Plan was amended so that participants direct the investment of their accounts into any combination of several investment options offered by the Plan. The Plan also changed both its custodian and third-party plan administrator in 2016.

Prior to this amendment, the Plan included both self-directed accounts as well as nonparticipant-directed investments. Participants were permitted to direct the investment of their rollover accounts as well as amounts transferred into the Plan from certain other plans as described in the Plan document. The trustees of the Plan had complete control over how the remaining assets of the Plan were invested. As of December 31, 2015, the nonparticipant-directed investments were in cash and cash equivalents and mutual funds. Due to the amendment described above, there were no nonparticipant-directed investments as of December 31, 2016.

Employee Contributions

Each year, participants may contribute up to limits as defined in the Plan, not to exceed amounts determined by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from certain other retirement plans as described in the Plan document. As described above, effective in February, 2016, participants direct the investment of their contributions into any combination of several investment options offered by the Plan.

Employer Contributions

The Company's Board of Directors determines the profit sharing contribution it will make to the Plan on an annual basis. All eligible participants who have completed one or more hours of service during the Plan year are eligible to share in the allocation of the employer profit sharing contribution. Each employee will be assigned to a group as described in the Plan Document and will receive an allocation of the profit sharing contribution based on their compensation for the Plan year. The total profit sharing contribution for 2016 was \$1,082,936 of which \$1,035,506 was paid by the Company and the remaining \$47,430 was paid using the balance in the forfeitures account. For 2015, the total profit sharing contribution was \$1,076,526 of which \$1,052,927 was paid by the Company and the remaining \$23,599 was paid using the balance in the forfeitures account. Contributions are subject to certain statutory limitations.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Each participant's account is credited with the employee's elective deferrals and allocations of (a) Plan earnings (losses), including a charge for an allocation of administrative expenses paid by the Plan, and (b) employer profit sharing contributions. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Notes receivable from participants are not allowed under this Plan.

Vesting

Participants are immediately vested in their 401(k) elective deferrals and rollover contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of service as defined in the Plan. Vesting begins upon the completion of the second year of service, and a participant is 100% vested after six years of credited service.

Forfeitures

Forfeitures on non-vested account balances will be used to reduce future employer contributions or to pay Plan expenses.

Payment of Benefits

On termination of service due to death, disability, retirement or termination of employment from the Company, a participant may elect to receive either a lump sum amount equal to the vested portion of the value of their account or any other form of payment included in the Plan document. However, participants with a vested benefit of \$1,000 or less will automatically receive a lump sum amount equal to the vested portion of their account. If a participant's vested benefit is greater than \$1,000 but does not exceed \$5,000, and the participant does not elect to receive a distribution, the Plan administrator automatically transfers the benefit to an IRA established in the name of the participant. Participants with a vested balance in excess of \$5,000 may remain in the Plan, but they may not make additional contributions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan prepares its financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The process of preparing financial statements in conformity with U.S. GAAP requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues and expenses. Certain estimates relate to unsettled transactions and events as of the date of the financial statements. Other estimates relate to assumptions about the ongoing operations and may impact future periods. Accordingly, upon settlement, actual results may differ from estimated amounts.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee (see the Fair Value Measurements note).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Payments of benefits are recorded when paid.

Net Assets Available for Plan Benefits

Net assets available for Plan benefits included \$-0- at both December 31, 2016 and 2015 allocated to the accounts of persons who, prior to that date, had withdrawn from participating in the earnings and operations of the Plan.

Tax Status

The Plan is currently operating under a prototype plan document that has been accepted under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. This prototype document received a favorable opinion letter from the Internal Revenue Service dated March 1, 2014. The Plan has been amended since receiving this opinion letter. A determination letter has not been received specific to the GCGA Physicians, Inc. Profit Sharing Plan. However, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more than likely would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of both December 31, 2016 and 2015, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. Currently, the prior three years are open under Federal statutes of limitations and remain subject to review and change. The Plan is not currently under audit nor has it been contacted by any taxing authority.

Subsequent Events

The Plan has evaluated subsequent events through August 29, 2017, which is the date the financial statements were available to be issued.

NOTE 3 – NONPARTICIPANT-DIRECTED INVESTMENTS

Certain assets of the Plan were nonparticipant-directed through February, 2016. Information about the net assets and the significant components of the changes in net assets related to the nonparticipant-directed investments is as follows:

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

LEVEL 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

LEVEL 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

LEVEL 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at either December 31, 2016 or 2015.

Mutual Funds – Valued at the quoted Net Asset Value (NAV) of shares held by the Plan at year end as reported by the fund.

Common Collective Trust – The Plan owns units of participation in the fair value of the trust's underlying assets. The trust is comprised primarily of fully benefit-responsive investment contracts that are valued at the net asset value (NAV) of the units. The NAV is based on the fair value of the underlying investments held less liabilities.

The preceding methods described may provide a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2016:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 23,591,365	\$ -	\$ -	\$ 23,591,365
Common Collective Trust	-	1,003,793	-	1,003,793
Total Assets at Fair Value	\$ 23,591,365	\$ 1,003,793	\$ -	\$ 24,595,158

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2015:

Cash and Cash Equivalents	\$ 160,967	\$ -	\$ -	\$ 160,967
Mutual Funds	23,400,143	-	-	23,400,143
Total Assets at Fair Value	\$ 23,561,110	\$ -	\$ -	\$ 23,561,110

For both the years ended December 31, 2016 and 2015, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The following tables summarize investments for which fair value is measured using the net asset value per share as of December 31, 2016 and 2015. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2016</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
Value of Interest in Common Collective Trust	\$ 1,003,793	N/A	Daily	12 Months

<u>December 31, 2015</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
Value of Interest in Common Collective Trust	\$ -	N/A	Daily	12 Months

NOTE 5 – LIMITED SCOPE AUDIT FOR 2016 FINANCIAL STATEMENTS

Certain information related to investments disclosed in the accompanying 2016 financial statements and supplementary schedules, including investments held at December 31, 2016, and the net appreciation in fair value of investments, interest, and dividends for the period of February 18, 2016 through December 31, 2016, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Newport Trust Company, the trustee of the Plan. The net depreciation in fair value of investments, interest, and dividends for the period of January 1, 2016 through February 17, 2016, which totaled \$(877,747), was not certified as complete and accurate as that is the time period when the Plan's assets were held by a custodian that was not eligible to certify the assets for limited scope audit purposes.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 – FORFEITURES

For the years ended December 31, 2016 and 2015, the amount of forfeitures that went to reduce employer contributions totaled \$47,430 and \$23,599, respectively. No forfeitures were used to offset Plan expenses for either year. As of both December 31, 2016 and 2015, there were no unallocated forfeitures.

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

Newport Trust Company is the trustee and record-keeper for the Plan. There are amounts paid by the Plan to Newport Trust Company and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 9 – RECONCILIATION OF NET ASSETS WITH PARTICIPANTS' ACCOUNTS

	December 31,	
	2016	2015
Balance of Participants' Accounts	\$ 24,595,158	\$ 23,561,110
Contributions Receivable	1,035,506	61,960
Net Assets Available for Benefits	\$ 25,630,664	\$ 23,623,070

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Management and Plan Trustees
GCGA Physicians, Inc. Profit Sharing Plan
2925 Vernon Place, Ste. 100
Cincinnati, OH 45219

We have conducted a DOL limited-scope audit of the financial statements of GCGA Physicians, Inc. Profit Sharing Plan (the Plan) for the year ended December 31, 2016 and have issued our report thereon dated August 29, 2017. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in the Limited Scope Audit note to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplementary schedules as a whole. We did, however, audit the form and content of the information included in the financial statements and supplementary schedules, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 14, 2017. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by GCGA Physicians, Inc. Profit Sharing Plan are described in the Summary of Significant Accounting Policies note to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2016. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Management's estimate of the fair value of investments is based on quoted market prices.
We evaluated the key factors and assumptions used to develop the estimate in determining that it is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. The attached Schedule of Adjusting Journal Entries summarizes misstatements detected as a result of audit procedures and corrected by management.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated August 29, 2017.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Plan Trustees, the Plan Administrator, and management of GCGA Physicians, Inc. Profit Sharing Plan and is not intended to be, and should not be, used by anyone other than these specified parties.
