REPORT OF INDEPENDENT AUDITORS

Administrative Committee

Dorel Juvenile Group, Inc. Thrift and Savings Plan for Columbus Bargaining Unit Employees
Columbus, Indiana

Report on the Financial Statements

We were engaged to audit the accompanying financial statements (modified cash basis) of Dorel Juvenile Group, Inc. Thrift and Savings Plan for Columbus Bargaining Unit Employees (the "Plan") which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2016 and 2015, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Plan management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by T. Rowe Price Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of

and for the years ended December 31, 2016 and 2015, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Other Matter

The supplemental schedule of assets (held at end of year) is required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

1. DESCRIPTION OF THE PLAN

The following brief description of the Dorel Juvenile Group, Inc. Thrift and Savings Plan for Columbus Bargaining Unit Employees (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan sponsored by Dorel Juvenile Group, Inc., (the "Company") primarily for the benefit of its bargaining unit employees. The governing body for administration of the Plan and trust, the Defined Contribution Pension Plan Retirement Committee (the "Committee"), consists of six members appointed by the Company and the bargaining unit. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

The Company makes matching contributions of 50% of participants 401(k) contributions not to exceed 2% of compensation on behalf of all participants who make salary deferral contributions to the Plan during the plan year. The Company also makes non-elective contributions to the Plan equal to at least 2 percent of the compensation of all eligible participants. The Employer contributed \$484,687 for the year ended December 31, 2016. The Plan allows participants to contribute up to 75% of their compensation on a pre-tax basis, not to exceed the maximum amount allowed by law.

Participant Accounts

Each participant's account is credited with the participant's contributions plus actual earnings thereon. Participants are immediately vested in both employee and employer contributions plus actual earnings thereon.

Notes Receivable from Participants

Each participant can obtain a loan between \$1,000 and the lesser of 50% of the participant's account balance or \$50,000. A participant may only receive one loan during a period of 24 consecutive months and may only have one loan outstanding at any given time. Loans bear interest at prime plus 1% and range in maturity from six months to five years, unless the loan is for the purchase of a primary residence, which can have a maturity date of up to 15 years.

Benefit Payments

Upon reaching the age of 59-1/2, a participant is entitled to receive a lump-sum payment equal to the value of the participant's account. A participant that retires, becomes disabled, terminates employment, or passes away is entitled to receive a lump-sum payment, as described in the plan agreement, equal to the value of the participant's account. A participant may make a hardship withdrawal, as defined in the plan agreement, prior to age 59-1/2.

Administrative Expenses

Investment fees are paid by the Plan and accounted for as a reduction of earnings on investments. Trustee and some administrative fees are paid by the Company. Loan fees are paid by the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time, subject to the provisions of ERISA.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared on the modified cash basis of accounting. As such, benefit payments to participants and expenses are accounted for on the cash basis. The modified cash basis differs from the cash basis in that receivables are recognized for amounts due from broker. Investment income is recorded when received.

Although the modified cash basis of accounting represents a departure from accounting principles generally accepted in the United States of America, it is an allowable method of accounting for employee benefit plans under the reporting requirements of ERISA.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in investment contracts through a common/collective trust. Contract value for this common/collective trust is based on the net asset value of the fund as reported by the investment advisor.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income and dividends is recorded when earned. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded when received. Related fees are recorded as administrative expenses and are expensed when they are paid. Delinquent notes receivable are recorded as a distribution based upon the terms of the plan document.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Subsequent Events

The Plan has evaluated events or transactions occurring subsequent to the statement of net assets available for benefits date for recognition and disclosure in the accompanying financial statements through the date the financial statements are available to be issued, which is September 14, 2017.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

In January 2017, the Plan changed its investment options and moved custodial services from T. Rowe Price Trust Company ("T. Rowe") to Massachusetts Mutual Life Insurance Company ("Mass Mutual"). The Plan terminated its custodial services with T. Rowe effective after December 31, 2016, when all assets were liquidated. The liquidated assets were received by Mass Mutual on January 3, 2017. All participants in the Plan were sent a Blackout Notice in November 2016, notifying them that the Plan was changing investment options and custodians, and that they would temporarily be unable to direct their investments or obtain a distribution. This blackout period began December 27, 2016 and ended on January 23, 2017.

3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, T. Rowe Price Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits and the schedule of assets (held at end of year) as of December 31, 2016 and 2015, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2016.

During 2016, the Plan's investments in registered investment companies (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by \$67,430.

4. INCOME TAX STATUS

The Plan is based on a prototype plan which has received a favorable opinion letter dated January 31, 2006 from the Internal Revenue Service that the prototype plan is designed to qualify as being exempt from Federal income taxes. The Plan administrator has not separately applied for a determination letter from the Internal Revenue Service. However, the Plan administrator believes that the Plan was designed and is currently being operated as a tax-exempt plan in compliance with the applicable requirements of the Internal Revenue Code and, therefore, no income taxes have been provided.

The Plan is subject to routine audits by taxing jurisdictions. However, as of the date the financial statements were available to be issued, there were no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for years prior to 2014.

5. PARTY-IN-INTEREST TRANSACTIONS AND RELATED PARTY TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. Trustee fees and other administration expenses of the Plan were paid by the Company.

The Plan invests in T. Rowe Price Registered Investment Company Funds. T. Rowe Price is the trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions. As described in Note 1, the Plan made direct payment to the trustee of the Plan. Blue & Co., LLC is the independent auditor of the Plan and receives payment from the Company for this service.

6. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The Plan's policy is to recognize transfers, if any, between levels as of the actual date of the event or change in circumstances. There were no transfers between levels during 2016 or 2015. The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015.

- *Registered investment companies:* Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.
- *Common/collective trust:* Valued at the net asset value (NAV) of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2016 and 2015:

	2016		2015	
	Level 1	Total	Level 1	Total
Registered investment companies	\$ -0-	\$ -0-	\$ 3,362,861	\$ 3,362,861
Total assets in fair value hierarchy	-0-	-0-	3,362,861	3,362,861
Common/collective trust*	-0-	-0-	-0-	2,018,928
Investments at fair value	<u>\$ -0-</u>	<u>\$ -0-</u>	<u>\$ 3,362,861</u>	<u>\$ 5,381,789</u>

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented at fair value in the statement of net assets available for benefits.
