Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Elgin Fastener Group, LLC Master Savings and Profit Sharing Plan, which comprise the statement of net assets available for benefits as of December 31, 2016, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by State Street Bank and Trust Company, the Trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Trustee as of and for the year ended December 31, 2016, that the information provided to the Plan Administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2016 financial statements. Accordingly, we do not express an opinion on the 2016 financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedules

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2016 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2016, are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Other Matter – 2015 Financial Statements

The financial statements of the Plan as of December 31, 2015, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by State Street Bank and Trust Company. Their report, dated July 29, 2016, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2016 financial statements and supplemental schedules, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Note 1. Plan Description

The following description of Elgin Fastener Group, LLC Master Savings and Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General:

The Plan is a defined contribution plan covering all employees of Elgin Fastener Group, LLC and affiliates (the “Company”), except non-resident aliens, union employees, leased employees, and independent contractors, as defined. The Plan provides for dual eligibility with respect to participant deferrals and employer matching contributions. Employees are eligible to participate and receive employer matching contributions upon completion of 90 days of service.

The Plan was restated effective January 1, 2016 to a volume submitter plan document to comply with recent regulatory changes and remove the provision for employer discretionary and non-elective contributions.

Amendment:

The Plan was amended effective May 1, 2016 to merge Telefast Industries, Inc. Employee 401(k) Plan & Trust and Holbrook Mfg., Inc. Employees Savings Trust into the Plan and transfer the merged plans’ assets (including outstanding notes receivable from participants) to the Plan. In addition, the Plan amendment added a provision to allow the use of forfeitures to reduce future matching contributions.

Contributions:

Each year, participants may contribute up to 90% of their eligible compensation, subject to the maximum allowable under *Internal Revenue Code*. Participants who attain age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain limitations.

The Plan includes an auto-enrollment provision whereby eligible employees are automatically enrolled and deferrals of 3% of eligible compensation commence. These automatic deferrals are set to increase by 1% each year, to a maximum of 6%. Employees may decline participation in the Plan.

The Company makes safe-harbor matching contributions under a Qualified Automatic Contribution Arrangement (QACA) equal to 100% of the first 2% of compensation plus 50% of the next 4% of compensation, up to a maximum of 6%. Until the Plan restatement effective January 1, 2016, the Company could also elect to make discretionary or non-elective contributions to the Plan. No Company discretionary or non-elective contributions were made to the Plan in 2015.

Note 1. Plan Description (Continued)

Participant accounts:

Each participant's account is credited with the participant's contribution, the Company's safe-harbor matching contributions, an allocation of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their contributions plus earnings thereon. Vesting in the Company's matching and additional discretionary contribution portions of their accounts plus earnings thereon is based on years of continuous service. A participant is 100% vested in Company matching and profit sharing contributions after two years of credited service.

Forfeitures:

Forfeited balances of terminated participants' non-vested accounts may be used to restore participant accounts or offset plan expenses. Effective May 1, 2016, forfeitures may also be used to reduce future matching contributions. At December 31, 2016 and 2015, forfeited non-vested accounts of terminated participants totaled \$614 and \$38,128, respectively. During the year ended December 31, 2016, forfeited non-vested amounts of \$77,494 were used to reduce employer contributions.

Notes from participants:

Participants may borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Note terms range from one to five years unless the note is for purchase of a primary residence, in which case the term may exceed five years. Notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. The interest rate ranged from 4.25% to 5.12% at December 31, 2016. Principal and interest are paid ratably through payroll deductions.

Payment of benefits:

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump-sum distribution, installment payments, or partial payments equal to the value of the participant's vested interest in his or her account.

Administrative costs:

Plan administrative expenses may be paid by the Company or the Plan on a discretionary basis.

Note 2. Significant Accounting Policies

Basis of accounting:

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Interest-bearing cash:

For purposes of preparing the statements of net assets available for benefits, the State Street Bank and Trust Cash Reserve Account is considered interest-bearing cash. This account is insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per financial institution.

Valuation of investments and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes from participants:

Notes from participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Payment of benefits:

Benefit payments are recorded when paid.

Subsequent events:

Subsequent events have been evaluated through September 13, 2017, the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

The Plan is invested in the Transamerica Retirement Solutions Collective Trust Stable Pooled Fund at December 31, 2016 and 2015. This investment is composed primarily of investment contracts and security-backed contracts and is valued at the net asset value of units of the Wells Fargo Stable Return Fund G. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. There is a twelve month notice period if the Plan initiates a full redemption of the collective investment trust.

Note 3. Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2016 and 2015. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Fair Value Measurements at Reporting Date Using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>December 31, 2016</u>		
Mutual funds	\$ 16,653,863	\$ 16,653,863

Investments at fair value	<u>\$ 16,437,862</u>	<u>\$ 13,157,249</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Level 1 Fair Value Measurements

The fair values of mutual funds are based on quoted net asset values of the shares held by the Plan at year end.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2016 and 2015. This includes the Transamerica Retirement Solutions Collective Trust Stable Pooled Fund, formerly known as the Diversified Investment Advisors Collective Trust Stable Pooled Fund. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

Transamerica Retirement Solutions Collective Trust Stable Pooled Fund	\$ 1,975,927	None	Daily	12 months
<u>December 31, 2015</u>				
Diversified Investment Advisors Collective Trust Stable Pooled Fund	\$ 3,280,613	None	Daily	12 months

Note 4. Investment Contracts

The Plan has investments in the Transamerica Retirement Solutions Collective Trust Stable Pooled Fund. The fund invests in the Wells Fargo Stable Value Fund W which invests wholly in the Wells Fargo Stable Return Fund G. The Wells Fargo Stable Return Fund G primarily invests in investment contracts and security-backed contracts issued by insurance companies and other financial institutions. These contracts are considered to be benefit-responsive and are required to be stated at fair value. The average yields for this fund are as follows:

	<u>2016</u>	<u>2015</u>
Based on annualized earnings	1.88%	2.83%
Based on interest rate credited to participants	1.54%	1.41%

The objective of the Wells Fargo Stable Value Fund W is to provide investors with a moderate level of stable income without principal volatility. However, there is no assurance that this objective will be achieved.

Note 5. Related Party Transactions

Officers or employees of the Company perform certain administrative functions. These employees are also Plan participants. No such officer or employee receives compensation from the Plan.

Plan participants directed their investments in funds issued and managed by the Plan Trustee. Investments in funds issued by the Trustee are considered related party transactions. Fees paid to the Plan Trustee by the Plan for investment management and administrative services were \$46,707 for the year ended December 31, 2016.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be 100% vested in their accounts.

Note 7. Tax Status

The Plan was adopted under a volume submitter plan arrangement with Transamerica Retirement Solutions Corporation. Transamerica Retirement Solutions Corporation received a letter from the Internal Revenue Service dated March 31, 2014, stating that its volume submitter plan is designed in accordance with applicable sections of the *Internal Revenue Code (IRC)*. The Plan was restated effective January 1, 2016 to an approved volume submitter plan sponsored by Transamerica Retirement Solutions Corporation. The Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the *IRC*.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2016 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.
