NOTE 1. PLAN DESCRIPTION

The following description of the CU Cooperative Systems, Inc. Employee Retirement Savings Plan (the "Plan") provides only general information. Participants and other interested parties should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees who are employed by CU Cooperative Systems, Inc. and related employers, Service Centers Corporation, Lending Call Center Services, LLC, FSCC, LLC, CO-OP eCom, LLC, Credit Union Services Corporation and Covera Solutions, Inc. (collectively, the "Company" or the "Plan Sponsor"). Fidelity Management Trust Company (the "Trustee") is responsible for receiving Plan contributions from the Company, investing and safeguarding the Plan's assets held for investment, as well as maintaining the individual participant account balances. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Effective January 1, 2016, the Plan was amended to exclude employees covered under a collective bargaining agreement and employees who are employed by Lending Call Center Services, LLC must complete 60 days of service to be eligible to participate and to receive the Company contributions.

Contributions

Each year, participants may contribute up to 60 percent of pretax annual compensation, as defined by the Plan and subject to Internal Revenue Code ("IRC") limitations. Participants may also contribute amounts representing distributions from other eligible retirement plans, as defined in the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan provides for safe harbor matching contributions equal to 134 percent of the first one percent of deferred compensation, 133 percent of the next two percent of deferred compensation and 100 percent of the next three percent of deferred compensation. For the year ended December 31, 2016, the Company made safe harbor matching contributions of $2,638,279, net of forfeitures of $6,212.

The Plan also provides for additional discretionary profit sharing contributions at the discretion of the Company's board of directors. Participants must be employed on the last day of the Plan year and have completed at least 501 hours of service during the Plan year to be eligible for Company profit sharing contributions. The Company did not make a discretionary profit sharing contribution for the year ended December 31, 2016.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company safe harbor matching contributions, as well as allocations of the Company's profit sharing contribution, if any, and Plan earnings, and charged with any withdrawals or distributions requested by the participant, investment losses and allocation of administrative expenses, if any. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1. PLAN DESCRIPTION (Continued)

Forfeitures

Forfeitures of Company contributions will be used to pay Plan administrative expenses or to reduce future Company contributions. During the year ended December 31, 2016, forfeitures of $6,212 were used to reduce Company contributions. As of December 31, 2016, forfeitures of $4,242 are available for future use.

Vesting

Participants are immediately vested in their contributions, the Company's contributions, and any earnings thereon. Participants employed by Lending Call Center Services, LLC who received employer matching contributions from CUNA while participants in the CUNA 401(k) Plan prior to November 1, 2009 vest in those matching contributions as defined in the Plan.

Payment of Benefits

On termination of service for death, disability, retirement or for other reasons, a participant or their beneficiaries, as applicable, may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installment payments, in accordance with the Plan.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America, primarily from data provided by the Trustee.

Recent Accounting Pronouncement

In May 2015, the FASB issued Accounting Standards Update No. 2015-07 ("ASU 2015-07"), *Fair Value Measurement: Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share*. ASU 2015-07 removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using net asset value per share as a practical expedient. ASU 2015-07 is effective for plan years beginning after December 15, 2016. Plan management does not expect this pronouncement to have a material impact on the Plan's financial statements.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates and assumptions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Investments are valued daily. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Concentration of Risk

The Plan's investments have exposure to risk to the extent that the investments are subject to market and interest rate fluctuations that may materially affect the value of the investment balances.

Administrative Expenses

Certain administrative expenses incidental to the administration of the Plan, including fees of the Trustee and independent public accountants may be paid by the Plan. Administrative expenses not paid by the Company are paid by the Plan.

Most investment options have fees which reduce the overall return on assets. The net appreciation of investments is reflected net of these fees; however, see Note 5, Revenue Credit Account.

Benefits Payable to Participants

Benefits are recorded when paid.

Fair Value

The Plan accounts for its financial instruments using a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value measurement hierarchy is based on three levels of inputs, of which the first two are considered observable and the last unobservable. The three levels of the fair value hierarchy are the following:

- Level 1 – Inputs to the valuation methodology that are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 – Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are inactive; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

- Level 3 – Inputs to the valuation that are unobservable and significant to the fair value measurement.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value (Continued)

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015.

Mutual Funds – This category consists of publicly traded funds of registered investment companies. The net asset value of the mutual fund's shares is quoted on the exchange where the fund is actively traded and therefore classified as Level 1 within the valuation hierarchy.

Fidelity Managed Income Portfolio – The Fidelity Managed Income Portfolio ("MIP"), held in a common collective trust ("CCT"), is valued at the net asset value ("NAV") of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the MIP fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The CCT NAV is not a publicly-quoted price in an active market; therefore, the CCT is classified as Level 2 within the valuation hierarchy.

The MIP fund does not have unfunded commitments relating to its investments. Participant-directed redemptions for in-service withdrawals or termination of employment can be made on any business day and do not have a redemption notice period. Participant-directed exchanges to another investment option may be made on any business day, provided that the exchange is not directed into a competing fund, in which case there is a 90 day holding period in a non-competing investment option.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	Investments at Fair Value as of December 31, 2016			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 46,077,832	$ -	$ -	$ 46,077,832
Common collective trust	-	3,905,669	-	3,905,669
Total investments at fair value	$ 46,077,832	$ 3,905,669	$ -	$ 49,983,501

	Investments at Fair Value as of December 31, 2015			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 42,326,954	$ -	$ -	$ 42,326,954
Common collective trust	-	3,899,072	-	3,899,072
Total investments at fair value	$ 42,326,954	$ 3,899,072	$ -	$ 46,226,026

NOTE 3. FINANCIAL DATA CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by the Trustee and was not subjected to any auditing procedures performed by the independent public accountants:

a. Investments, at fair value and notes receivable from participants as shown in the accompanying statements of net assets available for benefits as of December 31, 2016 and 2015.

b. Net appreciation of investments, dividend and interest income on investments, and interest income on notes receivable from participants as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2016.

c. Investments and participant loans as of December 31, 2016 as listed in the accompanying Schedule H, Line 4i - Schedule of Assets (Held at End of Year).

NOTE 4. FEDERAL INCOME TAX STATUS

The Company adopted a volume submitter plan document which is the subject of a favorable tax opinion letter from the IRS dated March 31, 2014. The Company believes the Plan is currently being operated in compliance with the applicable sections of the IRC, and, therefore believes the Plan is exempt from income taxes. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2016, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Trustee of the Plan and therefore these transactions qualify as party-in-interest transactions for which exemptions exist. The Trustee received $14,507 for loan administration and transaction fees, which was paid by the participants through the Plan. The Trustee also receives indirect fees based on a formula. In addition, $22,500 was paid to the investment advisor from the Revenue Credit Account.

NOTE 5. PARTY-IN-INTEREST TRANSACTIONS (Continued)

Revenue Credit Account

The Plan maintains a revenue credit program with the Trustee. Under the program, the Trustee pays the Plan quarterly an annual amount of $45,000 to a revenue credit account in the Plan. Amounts held in the revenue credit account are used to offset certain permitted Plan administration expenses. Effective June 1, 2016, the Plan administrator may also direct the Trustee to allocate any unused revenue credit account balances to participants. During the year ended December 31, 2016, the Trustee paid $45,000 in revenue credits to the Plan which was included in the net appreciation of investments. During the year ended December 31, 2016, revenue credits of $22,500 were used to offset Plan administration expenses. As of December 31, 2016, revenue credits of $22,501 are available for future use.

NOTE 6. PLAN TERMINATION

The Company has the right under the Plan to amend the Plan, to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their Company contributions.

NOTE 7. NOTES RECEIVABLE FROM PARTICIPANTS

Participants in the Plan may borrow from their vested account balance within specified guidelines, as defined in the Plan. The loan interest rate is determined by the plan administrator based on prevailing rates, as defined by the Plan. The loans are stated at the unpaid principal amount, secured by the balance in the participant's account and bear interest at rates that range from 4.25 percent to 4.50 percent. Principal and interest is paid ratably through payroll deductions.

NOTE 8. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as December 31:

	2016	2015
Net assets available for benefits per the financial statements	$ 51,796,778	$ 47,948,643

Net assets available for benefits per the Form 5500	$ 51,703,037	$ 47,882,793

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to the net income per the Form 5500 for the year ended December 31, 2016:

NOTE 9. SUBSEQUENT EVENTS

The Company has evaluated subsequent events through September 20, 2017, which is the date that the financial statements were available to be issued, and determined that there were no subsequent events or transactions that required recognition or disclosure in the financial statements, except as disclosed below.

Effective March 1, 2017, the Plan was amended to include the merger of the Credit Union Services Corporation Capital Accumulation Plan and Michigan Credit Union Employees - 401(k) Savings Plan as adopted by Service Centers Corporation DBA CO-OP Financial Services into the Plan.

Effective June 1, 2017, the Plan was amended to allow participants to elect to make Roth contributions and to allow rollovers of Roth contributions into the Plan and to include TMG, LLC and Transition Staffing, LLC as related employers and to allow the employees to participate in the Plan.
