INDEPENDENT AUDITORS' REPORT

To the Administrator of the
White Plains Bus Co., Inc.
Incentive Savings Plan
14 Fisher Lane
White Plains, New York 10603-0823

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of White Plains Bus Co., Inc. Incentive Savings Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2016 and 2015, and the related statement of changes in net assets available for benefits for the year ended December 31, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis of Disclaimer of Opinion paragraph, however, we were unable to obtain sufficient appropriate evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by John Hancock Life Insurance of New York ("John Hancock") the custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian held the Plan's investment assets and executed investment transactions. The plan administrator has obtained certifications from the custodian as of and for the year ended December 31, 2016 and as of December 31, 2015, that the information provided to the plan administrator by the custodian is complete and accurate. Effective January 1, 2017 the Plan merged into the National Express Safe Harbor 401k plan (National Express Plan).

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matters

The Plan's statement of changes in net assets available for benefits does not present investment income separate from the net change in fair value of investments. In our opinion, disclosure of that information is required to conform to accounting principles generally accepted in the United States of America; however, Plan management believes it is impracticable to develop the information.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified by the custodians, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

INCENTIVE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

Note 1 - Description of Plan:

The White Plains Bus Co., Inc. Incentive Savings Plan (the "Plan") is the 401(k) Plan for White Plains Bus Co., Inc., Suburban Paratransit Service, Inc., and Suburban Charter Service, Inc. (collectively the "Company"). The following description of the Plan provides only general information. The Plan Agreement should be consulted for a more complete description of the Plan's provisions.

On November 16, 2016, the Board of Directors of National Express LLC, the controlling party of the Company, approved the merger of this Plan into the National Express Safe Harbor 401k Plan ("National Express Plan"), effective January 1, 2017. As a result, all investments at balances previously carried in the accounts of the White Plains Bus Co., Inc. Incentive Savings Plan were transferred into the National Express Plan before the close of business on December 31, 2016.

General - The Plan is a defined contribution plan covering all of the Company's employees who are age twenty-one or older and have completed six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Employees enter the Plan on the first day of the month following completion of the eligibility requirements.

Contributions - Each year participants may contribute from 1% up to the lesser of the maximum allowed by law or 10% of eligible pretax annual compensation, as defined in the Plan. Participants may also contribute distributions from other qualified plans ("rollovers") and are permitted to make contributions as "Roth" contributions. Each year, the Company is required to contribute to the account of each participant an amount equal to 25% of such participant's contribution, other than rollovers. Participants must be employed by the Company on the last day of the Plan year to receive a matching contribution. All contributions are participant directed and are invested in pooled separate accounts as described below.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings, and is charged with the participant's withdrawals or distributions and an allocation of administrative expenses. Allocations are based on participant account balances as defined. The benefit to which a participant is entitled is the participant's vested account balance.

Vesting - Participants are immediately vested in their own contributions plus earnings thereon. Vesting in the Company's contribution portion of their accounts plus earnings thereon is based on years of service (consisting of 1,000 or more hours of service). A participant is 20% vested after 2 years of credited service, receives an additional 20% for each year thereafter and becomes 100% vested after 6 years of credited service. A participant also becomes fully vested upon death, disability or attainment of prescribed retirement requirements.

Payments of Benefits - Upon termination of service due to normal severance, death, disability or retirement, a participant or his or her beneficiary may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or in installments not to exceed the participant's remaining life expectancy.

Forfeited Accounts - The Plan provides for forfeitures to reduce future employer contributions. There were forfeitures of \$355 during the year ended December 31, 2016. As of December 31, 2016, forfeitures available to reduce future employer contributions totaled \$1,691.

Note 2 - Summary of Significant Accounting Policies:

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Accounting Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. All Plan assets were transferred to the National Express Plan before close of business on December 31, 2016 (See Note 1). Purchases and sales of units are recorded on a trade-date basis. Dividends are included in unit values on the ex-dividend date. See Note 5 for discussion of fair value measurements.

Expenses - Professional fees and other administrative expenses are paid by the Plan, unless paid by the Company.

Payments of Benefits - Benefits are recorded when paid.

Subsequent Events - The Company evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure. The accompanying financial statements consider events through July 18, 2017, the date the financial statements were available to be issued.

Note 3 - Plan Termination:

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. As of December 31, 2016, all investments were transferred from the Plan into the National Express Plan (See Note 1).

Note 4 - Information Prepared and Certified by Custodian:

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by John Hancock Life Insurance Company of New York, the custodian, as of December 31, 2016 and 2015.

	<u>2016</u>	<u>2015</u>

Note 5 - Fair Value Measurements:

FASB ASC Topic 820, *Fair Value Measurement*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 1 or Level 3 inputs for the years presented.

Level 2 Fair Value Measurements - The fair value of Pooled Separate Accounts is based on observable inputs including quoted net asset values for similar assets or liabilities in active or non-active markets.

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefit:

	<u>Fair Value Measurements Using:</u>	
	<u>Fair Value</u>	Significant Other Observable Inputs (Level 2)
<u>December 31, 2016:</u>		
Pooled Separate Accounts	\$ <u>-</u>	\$ <u>-</u>
<u>December 31, 2015:</u>		
Pooled Separate Accounts	\$ <u>3,547,188</u>	\$ <u>3,547,188</u>

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2016, are reported in net appreciation in fair value of investments - pooled separate accounts.

Note 6 - Tax Status:

The Plan was designed in accordance with a prototype plan developed by the Plan trust. The Internal Revenue Service has determined by a letter dated March 31, 2008, that the prototype plan and its related trust are designed in accordance with applicable sections of the Internal Revenue Code (the "IRC"). The Plan has been amended since receiving the determination letter; however, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and the related trust was tax exempt as of the financial statement date. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2016 AND 2015

Note 7 - Current Vulnerability Due to Concentrations of Risk:

The Plan may invest in various types of investment securities. Investment securities are exposed to various market risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statement of net assets available for plan benefits.

Note 8 - Party-in-Interest Transactions:

During the year ended December 31, 2016 and as of December 31, 2015, Plan investments include funds held in pooled separate accounts managed by John Hancock Life Insurance Company of New York, the custodian of the Plan; therefore, these transactions qualify as party-in-interest. Fees paid by the Plan for the investment management services amounted to \$13,143 for the year ended December 31, 2016.

All of the party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
