NOTES TO FINANCIAL STATEMENTS

December 31, 2016 and 2015

Note 1 – Description of the Plan

P.A.M. Transport, Inc. (the Company or Employer) sponsors the P.A.M. Transport, Inc. 401(k) Retirement Savings Plan (the Plan). The following description provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established for the benefit of the Company's employees, except for union employees, nonresident aliens, or leased employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is administered by the Investment Committee, which is a committee appointed by the Company's board of directors. Minnesota Life Insurance Company (Minnesota Life) holds the Plan's assets. Securian Financial Group processes and maintains the records of the participant data. Certain officers of the Company serve as the Plan's trustees.

Eligibility

Nonexcluded employees who have reached 18 years of age and have completed one month of service, during which at least one hour of service is completed, are eligible to participate in the Plan. Participants may enroll in the Plan on the first day of the month immediately following or coinciding with the date eligibility requirements are met.

Contributions

Participants may contribute up to 100% of their pretax compensation, as defined. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan provides for Employer matching contributions equal to 50% of the participant's elective contributions up to a maximum of 1.5% of the participant's compensation, as defined. Employer matching contributions are calculated annually. Additional amounts may be contributed by the Employer under the Plan's profit sharing provisions at the discretion of the Company's board of directors. Allocations of such profit sharing contributions are based on the proportion of each participant's compensation to the total of all participants' compensation, as defined. No profit sharing contributions were made for the year ended December 31, 2016. Participants must have completed one year of service, as defined, be employed on the last day of the year and be at least age 18 in order to be eligible for Employer contributions. These requirements are waived in the event of death, disability or retirement.

Contributions are subject to certain limitations.

Participant accounts

Each participant's account is credited with participant contributions, Employer matching contributions, and allocations of Employer profit sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in Employer contributions is based upon years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than one year	0%
One, but less than two	20%
Two, but less than three	40%
Three, but less than four	60%
Four, but less than five	80%
Five years or more	100%

Participants automatically become 100% vested upon normal retirement (attainment of age 65), disability, or death. Participants who terminate for any other reason are entitled to the vested amount of their accounts.

Notes receivable from participants

Notes receivable from participants are not permitted by the Plan.

Payment of benefits

Upon retirement, termination, disability or death, a participant, or his or her beneficiary in the event of death, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Other distribution options available for account balances exceeding \$5,000 include installment or partial withdrawals. Additionally, participants may take in-service distributions upon reaching age 59½. Upon termination, automatic distributions are required for balances of less than \$1,000. Generally, certain minimum distributions are required for participants who have separated from service and have reached age 70½.

The Plan allows hardship withdrawals, subject to account balance limits and applicable laws.

Forfeitures

Forfeitures may be used to reduce Employer contributions or to pay Plan administrative expenses. For the year ended December 31, 2016, forfeitures in the amount of \$3,154 were used to pay Plan administrative expenses. As of December 31, 2016, the Plan had \$10,136 in unallocated forfeitures, which were used subsequent to year-end to reduce Employer contributions for the year ended December 31, 2016. As of December 31, 2015, the Plan had \$27,299 in unallocated forfeitures, which were used during 2016, to reduce Employer contributions for the year ended December 31, 2015.

Administrative expenses

The Plan allows certain administrative expenses to be paid from Plan assets.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by Minnesota Life. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of benefits

Benefit payments are recorded when paid. There were no benefits requested before year-end that were not paid.

Subsequent events

The Plan administrator has evaluated subsequent events through August 14, 2017, the date the financial statements were available to be issued.

Note 3 – Information Certified by Minnesota Life

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Minnesota Life has certified that the following data included in the accompanying financial statements and supplemental schedule of assets (held at end of year) is complete and accurate:

- Investments as shown on the statements of net assets available for benefits as of December 31, 2016 and 2015;

- Net investment activity as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2016;
- Investment information included in the footnotes and on the supplemental schedule of assets (held at end of year) as of December 31, 2016.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

Note 4 – Investments Measured using the Net Asset Value per Share Practical Expedient

Investments held by the Plan consist of pooled separate accounts. Following is a description of the valuation methodology used for assets measured at fair value on a recurring basis:

Pooled separate accounts – Stated at fair value as determined by the issuer of the pooled separate accounts based on the fair market value of the underlying investments, which is valued at the net asset value (NAV) based on the fair market value of the underlying investments less its liabilities. The NAV is used as a practical expedient to estimate fair value. The practical expedient would not be used if it was determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2016 and 2015.

Investments	Fair Value as of December 31,		Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
	2016	2015			
Pooled separate accounts	\$ 11,729,916	\$ 10,876,276	n/a	Daily	n/a

Note 5 – Related Party and Party-in-Interest Transactions

Certain administrative expenses, totaling approximately \$21,000, were paid by the Company on behalf of the Plan for the year ended December 31, 2016. The Company does not expect reimbursement from the Plan for these expenses. Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services.

The Plan's investments are managed by Minnesota Life. These transactions qualify as party-in-interest transactions. Certain fees incurred by the Plan are included in net appreciation in fair value of investments.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of

Plan termination, participants would become 100% vested in the Employer contribution portion of their accounts.

Note 7 – Tax Status

The Company adopted a Volume Submitter Profit Sharing Plan with CODA (VSPS Plan) sponsored by Minnesota Life. The Internal Revenue Service has determined and informed Minnesota Life by a favorable opinion letter dated March 31, 2014, that the VSPS Plan is designed in accordance with the applicable sections of the Internal Revenue Code (the Code). The VSPS Plan's opinion letter is being relied on by the Plan. Although the Plan has been amended since receiving the opinion letter, Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported on the statements of net assets available for benefits.

Note 9 – Prohibited Transaction

During the year ended December 31, 2014, the Company inadvertently failed to deposit \$11,778 of participant contributions within the required timeframe as stated by the DOL. The DOL considers late deposits to be nonexempt prohibited transactions. The Company filed a Form 5330 and paid applicable excise taxes in 2016. The excise tax payments were made from Company assets and not from Plan assets.

Note 10 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:
